All of the west-south athletes will be in Los Angeles tonight.

Schaar, although he has campaigned successfully in the cast of several years, never before has had a chance to perform in the Garden. Bae will be making his debut in the east.

The Pacific coast lad has been whether he can live up to his advance notices. His record would seem to indicate that he can be when the form had taken thele stand on rocks by kneckcuts and been beaten only once. Schaar is one of the best of the younger heavyweights. "Toesibly the reason for this is that teams were formed at that time in part out of the mythical all-America team. As I recall it the Duquesne Athletic club and the Homestead Athletic club, both of Pitsburgh, used to engage prominent men for a game which was played in Pittsburgh on Thanksgiving day of each year.

"The scheme was to give that section of the country an exhibition of high-class football as well as to carry out the rivalry which existed between the two clubs." In 1901 the Homestead Library club secured a team which was made up in part of all-American.
