NOTE NO CHANGE PRODUCE MARKET PRICE CONDITION

PORTLAND, Ore., Dec. 27.—(AP)—Price conditions were unchanged in wholesale produce markets today.

Volume of post holiday and week-end trade in the butter market was light. Receipts were heavy and supplies liberal with accumulations in some quarters.

In the egg market receipts were about equal to demand and trade was fair. New price advances in eastern egg markets has firmed the local trade tone.

Unchanged fresh fruit and vegetable quotations reflected mostly nominal prices as the week-end trade in the wholesale district was not heavy.

There is a temporary shortage of sweet potatoes with resultant price advances.

An excellent last-minute holiday business was enjoyed in most fruit and vegetables lines early this week.
