Western Boy Amazes Mother

J. C. Jr.'s stomach was often upset and he had very little appetite, says Mrs. J. C. Bradley, Mesquite, Dallas County, Texas. "He was feverish and his breath was bad. I found he was constipated. My mother always used California Fig Syrup, so I decided to give my boy some. It surely surprised me how quickly it stopped his feverishness, cleared his breath and tongue, regulated his bowels; made him a strong and energetic boy again. The quick, safe way to cleanse and regulate the bowels of bilious, heavy, constipated children is with California Fig Syrup. Give it at the first sign of bad breath, coated tongue, listlessness or feverishness. Every child loves its rich, fruity flavor and it acts without griping or discomfort. Appetite is increased by its use; digestion is assisted; and stomach and bowels are given tone and strength. For fifty years, doctors have endorsed this pure vegetable product. The genuine is always marked by the word California. Look for that when buying or you may get an imitation."

Why Give Up?

Give Nature a Chance to Restore Your Health and Relieve Your Suffering. Quick benefit and relief are almost sure to follow the use of Herb Treatment. If other remedies have failed in your case, do not give up hope. Let Chan & Kong, the most experienced and the old reliable herbalists, with years of practical experience in herbal science, have an opportunity to prove that their nature's herb remedies will relieve your suffering where all others fail. The prices for the herbs are absolutely moderate.

Stomach Trouble

To Whom It May Concern: I have been suffering with stomach trouble, burn and sour, for six years. Have tried many kinds of medicines without relief. After using Chan & Kong's Herbs for three weeks, I am entirely well. J. W. McBRIDE, Central Point, Ore.

Blood Poison

Dear Chan & Kong: I never paid out any money with more pleasure than footing your bill for curing me of blood poison. I had the disease for some time and thought that might make it more difficult for you to cure me and thought that might make it more difficult for you to cure me in less than two months I could put myself on the back a well man again. If I keep my head you will never see me around for any trouble of that sort again but, take this from me, if I should need a doctor for anything else it will be to you that I shall go first. I shall tell my friends and hope it will result in more business for you. Yours truly, SALVADOR ARMENDARIS, 1211 Fifty-first Ave., Oakland, Cal.

High Blood Pressure, Kidney Trouble and Bronchitis

To Whom It May Concern: My home was in Klamath County, Oregon, where I have lived all my life. The altitude there is 3500 feet. About a year ago I became very ill. I was treated by different doctors for several months, all of whom advised me to go to a lower altitude, as I had high blood pressure, kidney trouble and bronchitis. Then I came to Oakland, California, and friends here advised me to consult Chan & Kong. I did, and have taken their herbs for ten weeks. I now feel completely well, and have no more symptoms of high blood pressure or bronchitis. Mr. Chan says I now can live in any altitude. MRS. MARY OVERTON, Beavick, Cal.

Indigestion Yielded Readily to Herb Remedies

Messrs. Chan & Kong, Gentlemen: After suffering for several years from my stomach and kidneys, I had the good fortune to read your advertisement in a local paper. The relief which occasionally came to me as a result of taking prescribed remedies invariably vanished as soon as I quit dosing myself and as a result I was prone to great discouragement. All of the usual symptoms in cases like my own and a whole lot which I couldn't describe kept me miserable—headache, backache, nervousness and dizzy spells, so I was quite ready to try anything which held out any promise of relief. After only four weeks of your herbs, I am entirely well and must give all the credit of my recovery to you. Yours truly, MILTON P. SAXE, 771 Turk St., San Francisco.

Stubborn Case of Asthma Quickly Relieved by Chan & Kong

To Whom It May Concern: For four years I suffered from asthma. I tried different remedies and doctors, but to no avail. Nothing seemed to give me relief, so hearing of the cures effected by Chan & Kong, I went to them with little hopes, but to my surprise Chan & Kong told me that I could be cured. I was doubtful at first, but gave his herbs a trial. After taking the tea for one week, I felt greatly relieved, and continuing with his herb treatment for two months I am glad to say that I am entirely cured with no trace of my asthma remaining. I unhesitatingly recommend Chan & Kong to anyone unfortunate enough to suffer from any sickness whatsoever. Chan & Kong indeed understood the Chinese herb treatment. Very truly yours, RITA HINCKLEY, 6296 Harmon Ave., Oakland, Cal.
