CHIEF ELLIOTT GIVES REPORT ON FIRE DEPT.

Laddies Answered 145 Calls During Year — Razed Fire Hazards Made Many Inspections.

Fire Chief Elliott's annual report for 1930 to the Mayor and City Council, follows:

Thee department answered one hundred forty-five alarms as listed below:

46 grass fires, 23 flue fires, 12 false alarms, 8 residences, 7 autos, 7 rubbish, 4 roofs, 4 sawdust, 4 garages, 3 electric motors, 2 electric wires, 2 grease, 2 barns, 1 electric iron, 1 oil pot, 1 oil stove, 1 department store, 1 hot ashes, 1 tar pot, 1 pile of poles, 1 service station, 1 shed, 1 paper chute, 1 honey refinery, 1 pile ties, 1 woodshed, 1 awning, 1 furnace, 1 overheated stove, 1 confectionery, 1 oil burner, 1 kids playhouse, 1 ammonia. Total 146.

The department used 662 1-2 gallons of chemical and laid 10,550 feet of 2 1-2 inch hose.

Total fire loss for the year was $47,854.02 on which $47,479.02 insurance was paid.

Estimated value of property actually on fire was $955,079.

The department received cash in the sum of $110.76 as follows:

For recharging chemicals	$ 22.76
Sale of old hose	76.00
Sale of soda and acid	4.50
Sale of old gas tank	7.50
	$110.76

All cash received was turned over to the city treasurer and his receipt taken.

Old Buildings Razed

Nine old buildings condemned as fire hazards were removed under direction of the fire chief during the past year.

One thousand and ten personal inspections of property and buildings was made by the chief and members of the department during the past year and recommendations made to remedy any fire hazards that existed.

All hose is tested each year under normal working pressure. This year 350 feet was condemned for fire use. Three hundred feet of which was turned over to the street department.

Schools Inspected

A thorough inspection was made of the schools and a drill held at each one.

Medford's new water system and betterment of the fire department are two reasons for a reduction of insurance rates made recently which will save the property owners approximately $22,000 per year. Medford's fire loss the past year was only 5 per cent of the value of the property actually on fire.

In an effort to show at what time of day the most fires occur, a graph made from the records of the fire department for the past seven years shows that more fires occur between three and three thirty in the afternoon than at any other hour. This was very interesting to the many chiefs at the convention last year.

Many thousands of dollars in stock, furniture and fixtures has been saved from water damage by covering everything with large salvage covers as soon as possible after the department arrives. A regular salvage squad appointed both from the regulars and volunteers takes care of this work before they do anything else.

24 Volunteers

There are 24 volunteer firemen who answer general alarms. They meet once a month and drill regularly when the weather permits. "I wish to thank them for their hearty co-operation during the past year and I feel certain they will respond just as readily the coming year," says Chief Elliott's report.

"We feel that the past year has been very successful as regards fire loss in Medford. We wish to thank the public for their hearty co-operation toward fire prevention by keeping their places cleaned up. Also a word of praise is due the Boy Scouts for their able support during cleanup week each year in Medford. We most earnestly desire the same glad response for the coming year.

"We wish to thank the mayor and city council, the fire committee in particular for their efforts the past two years in securing for the department, better apparatus and a new station with more room and a better place to live.

JACKSONVILLE WEATHER REPORT FOR DECEMBER

JACKSONVILLE, Ore., Jan. 7.—(Spl.)—Emil Britt, local weather observer, gives the following report for December, 1930:

Mean maximum, 42.2; mean minimum, 29.1; mean, 35.7. Maximum 53, on Decebr 12th; minimum 19, on December 28th; greatest daily range, 20.

Total precipitation, 1.61 inches. Greatest in 24 hours, on December 12, .55 inch; number of days clear, 8; partly cloudy, 5; cloudy, 18; rainfall since September 1, 5.04 inches as compared with the same period last season, 9.12 inches.

Official records of the Jacksonville weather bureau station for the past 43 years show that December, 1930, was the driest December on record, with the exception of 1903, when the precipitation was 1.55 inches. This year it was 1.61 inches. The record also shows that the seasonal precipitation was the lowest on record, being 5.04 inches. The greatest seasonal precipitation was 18.02 inches in 1926.

To Try Chinese

SAN FRANCISCO, Jan. 7.—(AP) Municipal Judge Sylvain J. Lazarus announced today he would hold Lui Fook, Chinese house boy, for trial in superior court on a charge of murdering his former employer, Mrs. Rosetta Baker who was recently found strangled to death.

ORDINANCE NO. 2635

An Ordinance declaring the assessment of the property benefited by the opening of South Central Avenue between the South line of Boyd Street and Riverside Avenue, in the City of Medford, Oregon, and directing the Recorder to enter a statement thereof in the Docket of City Liens, and to publish a notice thereof as required by the Charter.

THE CITY OF MEDFORD DOTH ORDAIN AS FOLLOWS:

Section 1. Whereas, the City Council of the City of Medford did heretofore by ordinance declare South Central Avenue between the South line of Boyd Street and Riverside Avenue, in the City of Medford, Oregon, to be opened and to be one of the streets of the City of Medford, Oregon.

And Whereas, the City of Medford heretofore acquired title to the real property necessary for said purpose.

And Whereas, thereafter the City Council appointed three Viewers and said Viewers met at a time and place within said City and thereupon proceeded to inspect said street so opened, and determined what property was specially benefited by the opening of said street as aforesaid, and the amount of the special benefit of each parcel of the property thereof.

And Whereas, the said Viewers did within thirty days after their appointment, file their report in the office of the Recorder, giving a description of each piece or parcel of land which they found to be specially benefited by the opening of said street.

And Whereas, thereafter the Council did by resolution announce that said report had been filed, naming the said Viewers and fixing a time and place at which they would meet to consider the same and any protest thereto, and to assess the property benefited by the opening of said street.

And Whereas, said resolution was published three times in a newspaper published and of general circulation in said City and three copies thereof were posted in three public places in said City at least ten days before the date of said meeting.

And Whereas, at the time and place of said meeting no protests were made to said report at such time, or at any time, or received by the Council, and said Council has considered the matter and deeming that said opening of said street was and is of material benefit to said City, and that all of the property to be assessed therefor will be benefited thereby to the extent of the probable amount of the respective assessments to be levied against said property.

And Whereas, the cost of said opening has been and hereby is determined to be the sum of $7,205.16.

Now, Therefore, it is hereby further determined that the proportionate share of the cost of the opening of said street of each parcel of property adjacent to and benefited by said improvement, is the amount set opposite the description of each piece or parcel of land below, and that each piece or parcel of land is benefited by the opening of said street to the full extent of the amount so set opposite such piece or parcel and that the respective amounts represent the proportional benefits of the opening of said street to said respective parcels of property, and the Council does hereby declare each of the parcels of property described below, and each of the same is hereby assessed the amount set opposite each respective description for the cost of opening said street, as aforesaid.

Assessment for opening South Central Avenue in the City of Medford, Oregon, from the South line of Boyd Street to Riverside Avenue:

Assessment No. 1.

First Baptist Church—Lot 7, block 12, Original Townsite of the City of Medford, Jackson County, Oregon, fronting 50 feet on North Central Avenue. Assessed 50 feet; cost per foot $2.00; amount due $100.00.

Section 2. The Recorder of the City of Medford is hereby directed to enter a statement of said several assessments in the Docket of City Liens of said City and publish a Notice thereof as required by the Charter.

Passed by the City Council and signed by me in open session in authentication of its passage the 7th day of October, 1930.

A. W. PIPES, Mayor.

Approved by me this 7th day of October, 1930.

A. W. PIPES, Mayor.

Attest: M. L. ALFORD, Recorder.

NOTICE.

To the owner, or reputed owner of each parcel of property described in the foregoing Ordinance, as named therein, and in the Lien declared by said Ordinance as recorded in the Docket of City Liens.

You are hereby notified that the assessment declared by the foregoing Ordinance has been made and the Lien therefore entered in the City Lien Docket, and that the same is due and you are hereby required to pay the same to the City Recorder within ten days from the service of this notice, which service is made by publication of the foregoing Ordinance and this notice once in the Medford Mail Tribune pursuant to an order of the City Council of said City.

(Signed)

M. L. ALFORD, City Recorder.
