

DRAW NEW GRAND JURY FOR PROBE

Judge Norton Will Arrange Dahack Death Probe List Today—Hearing Scheduled to Open Friday—Moore Will Prosecute.

The special grand jury recommended by Governor A. W. Norblad to investigate the death of Everett Dahack, 24, Eagle Point, during the progress of a road on a Reese creek still a month ago, will be drawn today by Circuit Judge H. D. Norton, as soon as the regular grand jury, now in session, has completed its work and made its final report.

Under the law, two grand juries cannot be in existence at the same time, and it is obligatory that the special grand jury be officially dead, before a special one is drawn.

Circuit Judge Norton received a telephone call from Governor Norblad asking him to call the special grand jury. Later a telegram was received confirming the request, and a letter to the same effect is due today.

From Regular List
The special grand jury will be drawn from the regular jury list of the county, by the county clerk, the eligible names being placed in the box and drawn.

Assistant Attorney General Willis W. Moore has been assigned to conduct the special grand jury probe and will arrive in the city today. The special grand jury is scheduled to convene tomorrow morning at 9:30 o'clock.

Twenty-eight witnesses were called before the first grand jury, and it is expected the same number, at least, will appear before the special session.

Still ownership charges resting against Raleigh Matthews, W. A.

Goetjen and William Smith, assertedly present at the death still when the shooting took place, will be held in abeyance until the regular term of the circuit court beginning the fourth Monday in February, the district attorney's office has announced.

AUTO CRASH SUIT NEAR SUBMISSION TO JURY'S HANDS

The damage suit of Mrs. Martha McClung against J. H. Goswick, for \$10,000 for alleged injuries received in an auto crash at Oakdale avenue and Eleventh streets, continued in the circuit court today. It is expected that the case will be completed late today.

Medical testimony and exhibits occupied most of the morning session, with Dr. E. W. Shockey and Dr. E. B. Pielke as witnesses.

Negligence and carelessness are alleged as the cause of the crash, in which the plaintiff holds she sustained injuries to back, head and feet. A score of witnesses will be called.

The defense is represented by Attorney George M. Roberts, and the plaintiff by Kelly and Kelly and Attorney Frank DeSouza.

From Regular List
The special grand jury will be drawn from the regular jury list of the county, by the county clerk, the eligible names being placed in the box and drawn.

Assistant Attorney General Willis W. Moore has been assigned to conduct the special grand jury probe and will arrive in the city today. The special grand jury is scheduled to convene tomorrow morning at 9:30 o'clock.

COLLECTOR MAY SHARE DOG TAXES

Court Considering Plan to Have License Collected Under Auspices of Humane Society, to Avoid Double Tax Problem.

As a result of the conference held yesterday between the county court and members of the Jackson County Humane society, Mayor E. M. Wilson and Rev. William B. Hamilton, relative to the collection of dog taxes, the county court agreed to consider a proposition whereby the dog tax would be collected on a commission basis, under the auspices of the humane society.

The county does not delinquent any of its rights as set forth in the state law and if the city ordinance conflicts with the state law the state law comes first.

This eliminates the so-called "double tax" for dogs whereby Medford residents, or some of them, paid a city tax and a county tax.

Various angles of the dog tax situation are being worked out today and it is expected that the plan when and if adopted will go into effect very shortly.

Means Thorough Job
Members of the county court feel that with the license collections on a commission basis the collector will have more incentive to work than if paid by the day, and that with the work under the auspices of the humane society a thorough job will result.

Last year the county paid \$2265 in claims for sheep killed by dogs and with an estimated population of at least 2500 dogs in the county, with a license of \$2 for males and \$3 for females, it is figured if all dogs are tagged the receipts will equal the bounty.

The dogs are rated on the tax list at 40 cents valuation. Some of the fancy dogs cost as high as \$50. But they stay in the home most of the time. There are also plenty of plain dogs in the city on which the county folks blame all the sheep killing and chicken chasing. It is said that a city dog can no more resist chasing a band of sheep than he can keep from barking at the moon.

Many in County
On the other hand, it is claimed by town people that a country dog is trained to crawl under the barn when he sees a stranger coming, and that he is just as fond of sheep as a city dog, if not more so. Some of the rural residents have from two to 11 dogs and it is no harm to pay license fees on the herd. Last year James Grieve of Prospect admitted ownership of 14 dogs on which he paid the fees. In some sections of the county it is not considered good form for a dog to have a license.

The state law provides that if the owner of a dog does not feel like paying the license, and will not let the dog catcher kill the dog, he can be yanked into court and fined \$10 and have to pay for the license besides.

The dog killing is the duty of the sheriff. Sheriff Jennings has announced, like Charles Terrill before him, that he "would not more kill a good dog than he would kill a county commissioner."

It is probable that the official dog catcher will be imported.

AVIATRIX LEAVES ON WORLD FLIGHT

Hon. Mrs. Victor Bruce took off from the local airport at 10:30 this morning for San Francisco, in her honeymoon model Blackburn Blackbird, escorted by a Standard Oil plane. The English round-the-world flier is resuming her flight, after having damaged the plane when landing here December 22. She plans to journey south to Los Angeles, and from there will continue east through Arizona.

Radio Birds Particular
SAN FRANCISCO.—(AP)—A couple of temperamental Alabama mocking birds whose voices add southern atmosphere to an educational program broadcast by the NBC western unit won't sing unless they have their worms. And they must be just so to please the songsters' palates. The worms are imported from Germany.

The Extra Cough Help Extra In Power And Price

Creomulsion is a super-help for coughs from colds. It is for deep coughs where you dare not risk a weak help. Seven major helps are embodied in it, including the best known to medical science. The creosote is blended, emulsified and palatable. It is to soothe the membranes and combat the germs. It presents the world's best help for coughs of this kind in a pleasant form. There are white pine tar, wild cherry bark, menthol, licorice, etc. All the greatest helps in one, but with no narcotic. Despite all its power and efficiency, it is harmless to a child. Some coughs call for one help, some

SCOUT EXECUTIVES TO GATHER HERE FRIDAY

Executives of the Crater Lake council, Boy Scouts, will meet in this city Friday evening for a 6:30 dinner at the Presbyterian church. Representatives from Grants, Post, Ashland and Medford will be present and an interesting program will follow dinner.

LEGION SCHEDULES IMPORTANT MEETING

An important meeting of Medford Post No. 15, American Legion has been announced for January 12 at the armory. Commander Holmer states considerable business will be brought before the meeting and a good attendance is desired. The entertainment committee also announces a good program for the evening. All visiting members are invited to attend.

WILLIAM COFFEEN WIDELY KNOWN IN SO. ORE., IS CALLED

William J. Coffeen passed away at a local hospital Wednesday, January 7, at 3 p. m., after an illness of the past six weeks, following a stroke of paralysis on New Year's day, from which he was unable to rally. Mr. Coffeen was born at Coburn, Ontario, Canada, February 22, 1859.

He was well known in southern Oregon, especially in the Rogue River valley, having lived here for the past 21 years.

The family came to Oregon from Ohio, January 1, 1910. Mrs. Coffeen passed away in July, 1925. He leaves to mourn his passing, six sons and two daughters—John, Charles and Wesley of Medford; Harry, Mt. Shasta City, Cal.; R. T. Coffeen of Detroit, Mich.; F. L. Coffeen of East Pittsburg, Pa.; and daughters, Muriel Coffeen of Medford and Mrs. Hattie Bennett of Akron, Ohio—also one brother, P. A. Coffeen of Kent, Ohio, and two sisters, Mrs. John Hall of Barberton, Ohio, and Mrs. Sam Taplin of Akron, Ohio; and 17 grandchildren.

The funeral service will be conducted from the Port Funeral Home Friday, January 9, at 2:30 p. m., with Rev. A. G. Bennett officiating. Interment in the Medford cemetery.

CONCERT TRIO AT APOSTOLIC FAITH MISSION TONIGHT

The Apostolic Faith announces a special evangelistic meeting in their hall at 42 North Front street tonight. The service will be held by the Rev. H. H. Crawford, an evangelist of the work here from headquarters at Portland.

The concert trio, consisting of violin, cello and piano, will render a concert at the beginning of the service, which starts promptly at 7:45 p. m. Negro spirituals and other gospel songs will be sung by the Morning Star quartet during the service.

Both of the above organizations have been featured in radio concerts in the past and have been well received. These organizations are but a part of the large corps of singers and musicians that take part in the meetings held in the Portland mission.

They were in Medford for a campaign last spring and their return has been looked forward to by many in this city and surrounding territory.

An outstanding feature in this work is that in the years of its existence no collections have been taken, nor has any literature been sold to defray the expense of carrying on the work which has heated the globe.

ENTHUSIASM FOR POULTRY SCHOOL

C. D. Thompson, agriculture instructor at the senior high school made several visits in districts near Medford, and has reported that many were enthusiastic about the night school which opens this evening in the agricultural building at the school.

No fee is being charged, and anyone interested in the study of poultry is requested to attend the opening at 7:30. The organization meeting is this evening, and plans will be completed for the schedule to be followed during the term meetings.

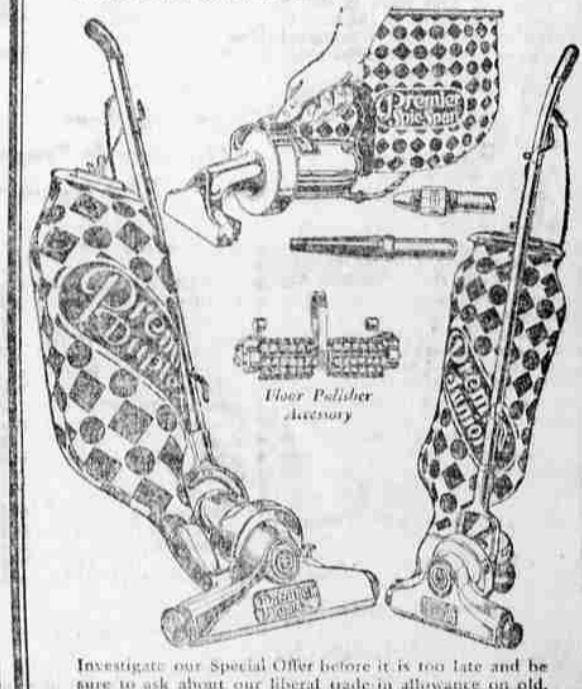

Field museum at Chicago received 1,168,130 visitors last year.

SPECIAL

Short Time Offer on the PREMIER COMPLETE ELECTRIC CLEANING UNIT

Only \$5.00 Down!

YES, it's true! It is now possible for you to obtain this latest and most up-to-date electric cleaning and polishing unit on unusually easy, money-saving payment terms. Think of it! . . . You get a large Premier and the handy little Spic-Span, too, for about the price of an ordinary cleaner with attachments.

Investigate our Special Offer before it is too late and be sure to ask about our liberal trade-in allowance on old, worn out electric cleaners.

Free demonstrations daily.

Women Are "Wage-Earners."

ROME.—(AP)—Italy's women in wartime are to be considered wage-earners as much as men. A new law passed by the chamber of deputies says that when these are married adult women in the family, most of that family are not entitled to exemption from service—for such women are "wage-earners."
