NEW COMMISSION TAKES CONTROL OF BOXING

Before retiring Gov. C. C. Young appointed (left to right) B. W. Gearhart, state commander of the American Legion; Dr. Harry Martin of Los Angeles; and Robert Edgson of Pacific Grove, sports writer and cartoonist, as members of the California boxing commission.

LAST RALLY OF HUSKIES ROUTS OREGON 40-36

University Leads at Half In Close Contest—Washington State Noses Out Corvallis—Other Coast Scores.

SEATTLE, Jan. 10.—(AP)—Coming from behind in the second half with a sensational attack that caught their opponents unawares, the University of Washington Huskies nosed out a 40 to 36 victory over the University of Oregon here tonight.

The lead alternated several times and the score was tied on two other occasions in the first ten minutes of play.

Vincent Dolp, forward, started Oregon off with a field goal in the first minute, but it was short.

Washington returned to the game with a vengeance and swept into a 32 to 25 lead before the Webfooters could count a single basket in any kind.

Oregon came back to catch the Huskies at 32-25 and then forged to the front by a free throw by Callins and a field goal by Dolp.

In the last minute of play with both teams playing like mad, Hank Swanson gave Washington another point on a free throw and Ned Nelson added a field goal for good measure.

The victory was Washington's second over Oregon, the Huskies winning last night 43 to 21.

Washington State college basketball team defeated Oregon State college 20 to 23 in the second game of their Pacific Coast conference series tonight.

Lacking the well oiled, quick breaking attack that swept them to victory last night, the Oregonians used a rock 'em and sock 'em attack that put two men out of the game on personal fouls and caused 16 personal fouls to be called.

The Cougars opened with three regulars, McLarney, forward, Graham and Van Tuijl, guards, out of uniform, but were on top, 14 to 12 at the half.

Oregon State tied the score at 16 and 16, and then took the lead at 21 to 18, holding it nearly four minutes. In the last ten minutes, Lewis, center and Grayson, forward, got so rough that four personal fouls sent them to the bench, and the Cougars kept busy throwing free shots, most of which they missed.

The line-up and summary: O. S. C. (23) G P F P Ballard, f 1 1 1 1 Grayson, f 1 0 4 Lewis, c 2 2 4 Drager, c 0 0 1 Bailey, c 0 0 1 Fagan, g 3 1 3 Merrill, g 2 1 2

OAKLAND, Cal., Jan. 10.—(AP)—The University of California basketball team cleared its first hurdle in the conference race here tonight when the Bears checked out a 24 to 22 victory over the Southern California Trojans.

LOS ANGELES, Jan. 10.—(AP)—The University of California at Los Angeles basketball five defeated Stanford University 28 to 26 here tonight. The score was tied 26-all with 30 seconds to play when Lanthicum, Bruin center, tossed in the winning goal.

WILLIAMS CERTAIN BE NAMED COAST LEAGUE CHIEFTAN

LOS ANGELES, Jan. 10.—(AP)—Harry A. Williams will continue as president of the Pacific Coast Baseball League for another year.

Convinced they would be unable to muster the five votes required to name a successor, Williams' opponents at the annual mid-winter meeting of league directors here today voted unanimously to give him another term. It will be his eighth.

Williams first was elected president of the coast circuit in 1923 at the "battle of aviation" meeting when William H. McCarthy was removed. His supporters, the Los Angeles, San Francisco, Sacramento and Portland clubs sought to have him named for a five-year term and end the strife.

This action brought the meeting to a close. The coast magnates yesterday accepted the draft rule insisted upon by the major leagues and telegraphed the American and International associations to find out whether they are ready to fall in line. No reply had been received tonight.

Rogue River has won one game from Central Point and lost the second to Talent. Phoenix has won from Central Point Friday night, 31 to 27. Jacksonville has not played a conference game.

The Prospect basketball squad invaded Butte Falls Friday evening and won all three games. The Butte Falls high school lost to the Prospect high, 14 to 13, with Mooney and Casey of Prospect all the outstanding players.

The Prospect Town team defeated the Butte Falls Town team 34 to 28. The Prospect Girls defeated the Butte Falls Girls, 49 to 25. A large crowd of Prospectans followed the squad to Butte Falls.

Before a fair sized crowd of the St. Mary's gymnasium Friday night St. Mary's academy defeated the strong Eagle Point High school team 12 to 18 in a very fast contest, both teams were on even terms throughout the same until the last quarter when St. Mary's took the lead by three points, and held it until the final whistle. Eagle Point has a fine team this year and will give a number of the county high school teams hard games.

JONES RETIRES AS GOLF HEAD, MOVE SURPRISE

NEW YORK, Jan. 10.—(AP)—Announcement of a radical departure in selection of the field for the next amateur golf championship and the voluntary retirement of Robert T. Jones Jr., as a member of its executive committee marked the annual meeting today of the United States Golf Association.

Bobby's name, at his own telegraphed request, was erased from the state of officers and executive committee members presented to the convention for expected confirmation.

His disinclination to serve came as a complete surprise to the officers and members of the association who had ignored the point made in some quarters that Bobby, by betting from amateur competition to carry through movie and radio contracts, had disqualified himself for service in an organization that is being constantly called on to decide questions of amateur standing, and nominated him for reelection.

Although the association was prepared to reflect him unceremoniously the expressed reaction to his telegram was that "Bobby again has done exactly the right thing."

There was no question of eligibility of Jones to serve since the bylaws of the association make no distinction in listing qualifications for its players, as to the person's standing as a player.

The change in the manner of selection of the field for the national-amateur was little less of a surprise than Jones' retirement, although there has been expressed dissatisfaction with the method used in the past.

Under the new plan amateur players with a club handicap of four or more will compete in twenty sectional elimination tournaments, the method now used in selecting the field for the national open. By this method of elimination a field of substantially 150 players will be selected to contest for the amateur crown under the old conditions of play—36-hole qualifying test, two 18-hole rounds and quarter, semi-final and final rounds at 36 holes.

The defending champion will not be required to participate in the elimination play, a provision that will have no effect this year because of Jones' retirement.

The executive committee announced a ban on clubs of the accepted sand wedge type, on the ground that it is a departure from the "accepted form of golf clubs" and out of step with the association's policy to "discourage mechanical invention and encourage development of skill in the use of the accepted instruments."

SALEM TROUNCES EUGENE 51 TO 19

SALEM, Ore., Jan. 10.—(AP)—The Salem high school basketball team trounced Eugene high, 51 to 19, here tonight.

Salem outplayed the visitors from the first and held Eugene scoreless in the first quarter. The score at half time was 29 to 4 for Salem.

Ilona, Salem forward, was high point man with 19. Morris was high scorer for Eugene with 11 points.

SALEM, Ore., Jan. 10.—(AP)—The Williamson basketball team defeated Albany college, 58 to 28, here tonight.

FRISBIE'S DREAM AS MAIN EVENTER NEAR REALIZATION

When Ray Frisbie came to Medford about a year ago he was fostering ambitions way back in his head of sometime appearing in a local main event wrestling match and was content to appear in special events as matched for him by Herb Owen. However, most every day Herb brought to Medford to meet Frisbie was defeated, and they included some of the hardest wrestling nuts seen in any ring.

His ambitions became more aroused and Frisbie began clamoring for a break to be in the feature bout.

This long sought break is coming next Wednesday night when he meets Jack Romona, handsome musician known to most of the southern Oregon fans, in finish bout at the armory. Romona has just completed an Australian and New Zealand tour and says he is in the pink of condition, but is not so confident he will have an easy time with the local boy.

He has heard of Frisbie's ability and has seen him wrestle. Other wrestlers have told Romona that Frisbie is good and those who tangled with him in local bouts declared he is a master in applying the pressure in painful holds. Frisbie weighs 200 pounds and has the speed of a Greek athlete. He does not believe in rough stuff, according to fans of one of the cleanest matches of the season. Romona also is not a rough matman and relies on strength and science instead of bulldog tactics.

The special event will present Art O'Reilly, 142 pounds, Portland, and Bobby Dunn, 143, Echo, days, in a match to cover 45 minutes. These boys are well known in the northern part of the state and expected to show the fans real action.

ST. LOUIS LEADER SEES 1931 WIN

ST. LOUIS, Mo., Jan. 10.—(AP)—The St. Louis Cardinals will lead the National league again, take Gabby Street's word for it.

"Sure the Cards are coming in first in 1931," the Red Bird manager said at his home here. "The same ball club, with more pitching strength. Who could want more?"

Street looks for big things from Pitchers Paul Derringer, from Rochester, and Dizzy Dean, late of the Texas league.

CLEAN BILLS FOR KANSAS ATHLETES

KANSAS CITY, Jan. 10.—(AP)—None of the eight Jayhawk athletes questioned at Lawrence, Kan., yesterday was found ineligible by the Big Six conference eligibility at a meeting here today.

The faculty committee believes the spirit of the rules governing recruiting of athletes has been violated by both official and unofficial representatives of the University of Kansas and in several cases the letter of the rules has not been observed.

SALEM, Ore., Jan. 10.—(AP)—The Williamson basketball team defeated Albany college, 58 to 28, here tonight.

MIAMI, Fla., Jan. 10.—(AP)—Speeding planes in feature races today vied with aerial acrobatics for third day honors in the All-American air meet.

Chicago, where Nate Lewis offered Schmeling \$500,000 for a Stribling bout in June, apparently has lost all chance of viewing the battle.

At the same time New York city has passed from the picture as a possible site for a rival attraction, featuring Jack Sharkey and some other heavyweight of renown in a duel that would have the blessing and sanction of the New York State Athletic commission for Schmeling's vacated crown.

One point alone today halted an agreement between "Pa" Stribling and promoters for the Hearst milk fund who already have come to terms with Schmeling. Stribling refuses to agree to the second match on the ground no heavyweight champion in ring history ever was forced to fight twice for his title in one outdoor season.

He reasons logically the fight business can not support two heavyweight title bouts in one semester and that a champion should have something to say about his own affairs both before and after he wins the crown. As a compromise "Pa" Stribling probably will agree to defend the title—if his own wins it—for the milk fund promoters on some future date.

SHARKEY FIGHT IN FALL HOLDS UP STRIBLING

String To June Meeting With Schmeling Annoys Georgian Heavy—Promoters Dicker With 'Pa' and Compromise Near.

NEW YORK, Jan. 10.—(AP)—"Pa" Stribling, father of Young Bill, the mason mauler, can sign immediately if he wants to for a heavy weight title bout with Max Schmeling in June either in Detroit or Cleveland. But he must agree at the same time to hit Bill against Jack Sharkey in September if he wins, and there's the rub.

The fog of words surrounding the endless conferences over the tangled affairs of the heavyweight contenders lifted long enough today to reveal these facts as part of the current vital statistics. There are other developments of equal interest.

Chicago, where Nate Lewis offered Schmeling \$500,000 for a Stribling bout in June, apparently has lost all chance of viewing the battle.

At the same time New York city has passed from the picture as a possible site for a rival attraction, featuring Jack Sharkey and some other heavyweight of renown in a duel that would have the blessing and sanction of the New York State Athletic commission for Schmeling's vacated crown.

RACE HORSE SAVED PAYS AS WINNER

CHICAGO, Jan. 10.—(AP)—Love for his thoroughbred race horse brought happiness and reward to B. L. Keffler, a Chicago turfman today.

Koffler saved Ben Marshall, a five-year-old racer, from death when the horse gamely staggered across the finish line at New Thorne just fifteen months ago on three legs. His left front leg was broken in the stretch racing.

Instead of leading the thoroughbred into a rot for his death, Keffler placed Ben Marshall under the care of Dr. L. M. Kaiser, veterinarian at H. A. W. Thorne. The broken leg was encased in a cast. Time and nature repaired the break.

Then old Ben returned to the racing wars, turning up a winner at New Orleans Thursday rewarding those who still had confidence in him with \$11.40 for each \$2 wagered.

The trouble with a burning issue is that it produces so much more heat than light.—San Diego Union.
