PROMOTE ANDRES FOR SUPERVISION OF M.-W. STORES

Medford people will welcome the announcement recently made public by Montgomery Ward & Co. that I. F. Andres, manager of the Medford Ward store has been promoted to the position of supervising manager of the three large stores in this section of Oregon. The promotion was effective on January 1, and was first announced by Mr. Andres today. In his new position of supervising manager, Andres will retain full management of the Medford Montgomery Ward store and supervise the stores of that company in Klamath Falls and Roseburg. Part of his time will be devoted to supervising the Klamath and Roseburg establishments and his headquarters will be in this city. The advancement in the Montgomery Ward organization comes as a recognition of the very successful manner in which Andres has conducted the Medford store. The local Ward store has established an enviable reputation for itself in the nation-wide organization. Through the establishment of a supervising manager and the promotion of Mr. Andres to that position, the Montgomery Ward stores in this part of the state will operate under a more unified plan of merchandising, resulting in buying advantages for patrons of these stores.

CIVIC GROUP FOR SCHOOL PROGRAM

At last night's meeting of the Central Civic Council, presided over by Council President Larry Schade, the civic organization, representing practically all organized civic groups in Medford, reaffirmed its former position of hearty support to the school board's building program, and urged the voters of the city to be sure to vote on the bond issue, which is to be presented to the people of this city tomorrow.

THE NEW FORD Everything you want or need in a motor car

THE more you see of the new Ford, the more you realize that it brings you everything you want or need in a motor car. . . . And at an unusually low price. Its substantial beauty of line and color is apparent at a glance. Long, continuous service emphasizes the value of its simplicity of design and the high quality that has been built into every part. The new Ford accelerates quickly and it will do 55 to 65 miles an hour. It is an easy-riding car because of its specially designed springs and four Houdaille double-acting hydraulic shock absorbers. It has fully enclosed four-wheel brakes and the added safety of a Triplex shatter-proof glass windshield. Operation and up-keep costs are low and it has the stamina and reliability that mean thousands of miles of uninterrupted service. See the nearest dealer and have him give you a demonstration ride in the new Ford. Check up every point that goes to make a good automobile and you will know it is a value far above the price.
