

CUBAN SPANKERS FIND TROUBLE IN HANDLING 'GIRLS'

HAVANA, Jan. 15. — (AP) — If "Mama spank," "papa spank" too. For several days members of the feminist organization, Partida de la Porra—literally "party of the stupid women"—have sat outside the palace and administered spankings to Cuban women of a revolutionary turn of mind who appeared in demonstrations against President Machado.

Yesterday four male university students, dressed as women, approached a parked car and began to heckle its occupants. True to their precedent, the women jerk the car and attempted to spill the quartet. One of the feminists was taken to a hospital and the other fled.

The spanking women first made their appearance last Saturday when three Cuban girls were chastised. Four other Cuban women, one an attorney, complained to police yesterday that they had been attacked.

The ceremony was attended by 350 members and guests. Mrs. Gwendolyn Woodcock was installed as worthy matron and Mrs. Delia Scheffel as presented with the post matron's jewel, the presentation was made by Mrs. C. T. Sweeney.

The hall was decorated in palm-trees, cyclamens, ferns and flags for the occasion and the dining room tables with stylish, sweet peas and raffles.

The decorations were arranged by Mrs. Edna Isaacs, Mrs. Marie Schoepen and Mrs. Grace Boyl, a program of musical numbers, also arranged by Mrs. Isaacs, was one of the leading features of the evening.

Miss Cecil Cass entertained the audience with two solos, playing her own accompaniment. Mrs. Elsie Strang with two solos, accompanied at the piano by Miss Imogene Wallace, and Harold Corbis with two solos, accompanied by Mrs. Effie Herburn Yeoman. The male quartet, Messrs. Howard, Mc Donald, Shockley and Meeker, also entertained with two numbers, for which Mrs. E. W. Shockley played the piano accompaniment.

Little Marjory Paley delighted the audience with a violin solo, playing on the violin with which her mother entertained members of Eastern Star for many years. The number was especially enjoyed by the lodge members familiar with her mother's music. She was accompanied at the piano by her grandmother, Mrs. J. E. White.

Little Dick Woodcock also pleased the audience and his mother by playing the march for her to enter the installation ceremony.

Sanitary Comfort
—you've never known before

INDOORS or out-of-doors, during hours that were once trying, Kotex now assures you the greatest possible comfort and security. Kotex takes up actually five times more moisture than an equal weight of cotton, and it is soft, not only at first, but during hours of wear.

Because it absorbs away from the surface, it is guaranteed to give more protection, longer protection than any other sanitary pad. It can be worn on either side with equal efficiency.

Kotex is rounded and tapered to fit perfectly. It deodorizes by a special process. And, of course, it is disposable. That's why millions of women first turned to this new method of sanitary protection.
