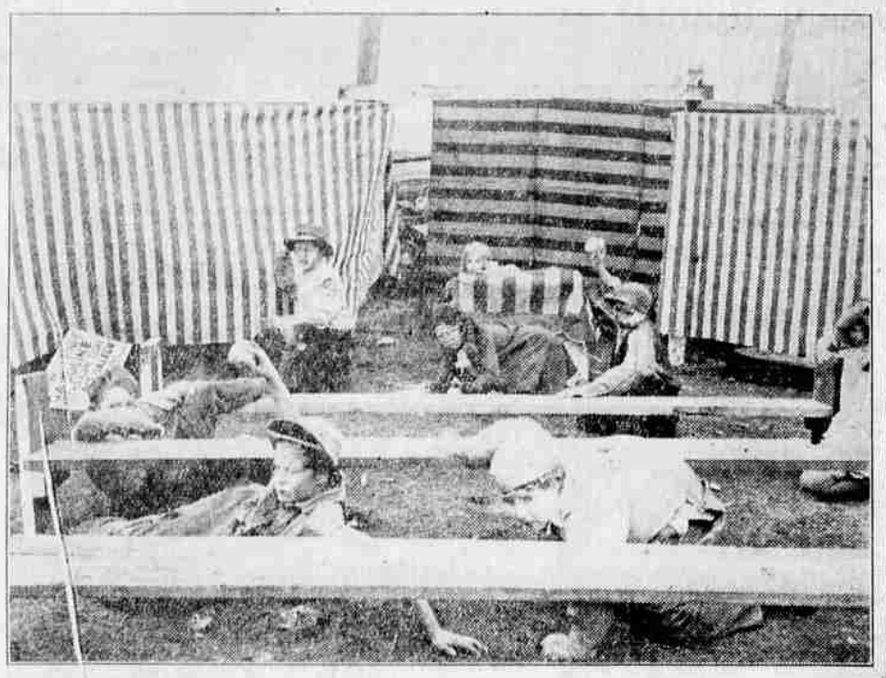
GOLD BOND FILM SOON ON SCREEN HOLLY THEATER

Medford's feature film, The Gold Bonders, has been completed and Uncle Jack says, "The little Gold Bonders who worked so hard to produce it during their Christmas vacation deserve all the credit for its successful completion." This picture was directed by Robt. V. Quick, formerly of Hollywood, California where he has been connected with the production of motion pictures for the past several years. Mr. Quick says, "The people of this community have a happy surprise awaiting them when they see these little folks do their stuff."

"The Days of Forty-Nine" were very efficiently portrayed by the citizens of Jacksonville in several of the old historical streets of their town and the surrounding country. These scenes will be very much appreciated by every one who sees the picture when it is shown at the Holly theatre next Tuesday and Wednesday, January 27th-28th; where it will be shown for the first time since its completion. After this picture completes its two-day run here in Medford it will be taken to Eugene and exhibited to the Gold Bonders of that city, and then later it will be shown in many towns throughout the state where local units of the Gold Bond Saving club are being started.

Gold Bond Kids Take Part In Picture



Medford children proved good actors in the filming of "The Gold Bonders" recently completed, and which will be shown at the Holly theater Jan. 27 and 28. Children appearing in the scene include, first row, Bonell Harwood, Billy Jolly, Jeff Peters; above, Floyd Parks, Dorothy Hopkins, Jack Marshall, Arlene Johnson; center above, Jean Goldsmith.

DOG TAX TANGLE ALL CLEAR NOW

Through the efforts of the Jackson County Humane society and the hearty co-operation of the city and county authorities the state dog tax situation has been clarified. There is to be but one tax in conformance with the state law and it is to be enforced by the city and county through the Jackson County Humane society.

Every owner or keeper of a dog residing in Jackson county will be definitely required to secure a license costing $2 for male dog, $5 for female dog, and these licenses must be secured to avoid the penalty of the state law.

These licenses are payable at the county clerk's office. The state tax is being rigidly enforced this season throughout the entire state of Oregon and to this end there will be special dog tax collectors.

THE ZEST FOR BREAKFAST IS INCOMPLETE WITHOUT

KERR'S BEST BRAND ORANGE MARMALADE

THIS MIRACULOUS PLUME OF LIFE AND HEALTH

The robust oat, born of the sun and the soil, contains fat, mineral salts, protein, phosphorus, sugar and starch. Vital elements for the human body... priceless. The more you know about oats the more you realize they are the kindly little friends of mankind. We, the sponsors of H-O, respect the oat so highly that we give it the most exacting preparations known to the modern civilized world.

What the H-O Process *will do to* YOUR BREAKFAST

The exclusive process by which we prepare H-O Oatmeal has a pretty definite effect on the breakfasts of a great many thousands of families:

Briefly, the H-O *pan-roasting* process provides these folks with a new and delightful treat in the way of hot breakfast food . . . unlike any other oatmeal. Because of its exquisite, firm, delicate texture. Because of its rich, hearty flavor. Because New Style H-O is *not* of a pasty consistency. (Some people still think that oatmeal *has to be* a sticky mass, but H-O will show you that's not so.)

Tomorrow morning give your family this breakfast surprise. They'll know from its *satisfying* taste that here is a real honest breakfast . . . the kind of food that "stays by you".

And just another point: H-O is the *quickest* hot breakfast. Cooks in 2 to 5 minutes.
