

STATORS MAUL OREGON 40-26 IN FIRST TILT

University Quint Sustains Seventh Straight Defeat—Nearly Tied Score Once, Then Slaughter Resumed.

CORVALLIS, Ore., Jan. 31.—(AP)—Oregon State college tightened her grip on second place in the northwest division of the Pacific coast basketball conference here tonight, defeating the University of Oregon, 40 to 26. It was Oregon's seventh consecutive conference defeat.

The Beavers held the upper hand throughout the game, leading 26 to 9 at half time. Oregon, however, made a brilliant drive in the second half and came within one point of tying the score before the Stators rallied and rushed forward to victory.

Rod Ballard, brilliant Oregon State forward, swished the net twice in the first minute of play. It was merely the start of a good evening for him. Before the game was over he had scored eight field goals and one free throw for high scoring honor.

The Stators pushed their score to 19 before Stevens connected for the first Oregon basket. Ballard and Fagnans were equally effective on long and short shots while Oregon missed many easy shots near the basket.

Fagnans opened the scoring in the second half to give the Beavers a lead of 13. Then Oregon suddenly came to life and scored 12 points before the Beavers again connected. Both teams fought desperately for a few minutes and then Fagnans started the Orange-men on a new scoring attack.

Oregon State scored nine points in the last four minutes of play. Coach "Slats" Gill started all his regulars except Lewis, center, who stayed on the bench. Coach Bill Reinhart used ten men, switching them in an out repeatedly in an effort to stop the Beavers.

The game, the first of a series of four, was fairly clean. Eight fouls were called against each team.

Lineup and summary:

Player	PG	FT	PF
Dulp, J.	3	0	1
Bogers, J.	1	0	1

ROOKS WIN 26-24, OVERTIME PLAY

CORVALLIS, Ore., Jan. 31.—(AP)—The Oregon State rooks defeated the University of Oregon freshmen, 26 to 24, in an overtime basketball game here today. The score was tied at 23 at the end of the regular playing period.

FINAL SECOND BASKET GIVES TROJANS GAME

Victory Puts Bears Out of Title Consideration—Stanford Noses Out One Point Win Over Uclas—Idaho Loses.

LOS ANGELES, Jan. 31.—(AP)—Bill Pierce, University of Southern California forward, shot a last second field goal which gave the Trojans a thrilling 23 to 21 victory over California's basketball quintet here tonight. The defeat, the second of the two game series, virtually put the Bears out of the running for the Pacific coast championship.

Southern California held a 16 to 8 edge at the end of the first half, due to the basket shooting of Jerry Nemer, center, but the Californians rallied to go into the lead with five minutes to play. A free throw by Fred Caldwell tied the score and then came the deciding goal by Pierce. The game was exceedingly rough.

California now has lost four games, one each to University of California at Los Angeles and Stanford University, besides the two to the Trojans.

STANFORD UNIVERSITY, Cal., Jan. 31.—(AP)—Looping an underhand shot from mid-court thirty seconds before the finish of the game, Vance Fawcett, Stanford, gave the Indians basketball five to a 29 to 28 victory over the University of California at Los Angeles here tonight in a southern division, coast conference game.

Leading 16 to 10 at half time through the sharp shooting of Dick Von Haggen and Frank Lubin, the Bruins stretched their advantage to 21 to 10 early in the second half. From this point the Indians started creeping up, with Phil Moffatt, forward, leading the attack, and tied the score at 23 all.

A field goal by Lithicum and a free throw by Lubin sent U. C. L. A. into a temporary 28-25 lead with two minutes to play. But Mead, Stanford forward, then made a "scruple" and Fawcett followed with a long shot to win the game.

PULLMAN, Wash., Jan. 31.—(AP)—Washington State college defeated the University of Idaho 37 to 13 tonight in a Pacific coast conference basketball game.

The Cougars' win evens the series between the two schools, Idaho having won at Moscow last Saturday. Tonight's game was rough and uninteresting for spectators.

Washington State players in the first half made a perfect record in free throws, converting 11 consecutive attempts. McFarney, Cougar guard, accounted for 12 points in the first half, which ended with W. S. C. leading 25 to 3.

In the opening session Coach Rich Fox of Idaho sent in a string of reserves, but they were unable to stem the Cougars' rush.

For the first six minutes of the second half Idaho failed to tally, but thereafter they picked up an occasional score.

With the score at 33 to 12, Coach Jack Fred sent in an entire team of Cougar reserves.

HUMBOLT BEATS SONS BY POINT

The S. O. N. S. bowed to defeat before the Humboldt State Teachers club basketball quintet last night in the hardest fought basketball game seen here this season by a score of 24-25.

BOXER WEDS IN PRIZE RING

Just before he put on the gloves with Billy Vaughn of Omaha, Eddie "Cowboy" Anderson, Chicago featherweight, married Babe Mathews, Omaha, in the prize fight ring at Omaha, Neb., city auditorium. Judge Battin (center) performed the ceremony. The wedding apparently inspired Anderson, who outpointed his opponent.

TIGER CUBS AND JUNIORS BEATEN BY BUTTE FALLS

BUTTE FALLS High school defeated the Medford Junior high school basketball team in a game that proved fast and interesting in the last quarter, the score being 22 to 19. Butte Falls' town team also won from the Medford Tiger Cubs 35 to 13. The games were played last night at the armory.

The Medford five had only two baskets at the end of the half, but were able to gain on the Butte Falls team in the last quarter. Butte Falls' town team had the edge on the Medford Cubs in size and were able to outclass the locals for this reason.

Ivan Harrington refereed the first encounter and the first half of the second game, but was unable to finish because of a social engagement. Ray Washam of Butte Falls high school, formerly of Medford, officiated the last half of the game with the town team.

The line-ups: Medford Jr. H. Swank (5) F. Washam (9) Head (4) F. Stoddard (6) Turpin (4) C. Tunstall (3) White (2) C. Clark (2) Brown (5) C. Roberts (4) Substitutes for Medford: Sherwood for Turpin.

Med. Tiger Cubs: B. F. Town (4) Patton (3) F. Poole (6) Thomas (2) F. Erenburg (5) Lindley (2) C. Blasing (4) Kipling (2) C. Nees (2) Dillane (2) C. Holmes (6) Substitutes for Medford: Reddy, C. Lathrop, McDonald, Trill, Eison, Butte Falls substitutes: Abbot and Moore.

FEW TRACK STARS KEEP 1930 RATINGS

NEW YORK, Jan. 31.—(AP)—The All-American track team of 1930 selected each year by Daniel J. Farria, secretary of the amateur athletic union, for Spaulding's athletic almanac, shows that life on the track is as a rule a short and not always a merry one.

Of the 25 places on the team, only twelve of the 1929 All-Americans retain their standing for 1930. Two, Ray Conner, of the Illinois A. C., and Gus Moore, Brooklyn Harriers star formerly of the University of Pittsburgh, are again on the team but listed for different places.

The 1930 team also records the passing of Pat McDonald, stand old man of American track and field sports, who was supplanted as 56-lb. weight throwing champion by Leo Sexton, former Georgetown athlete, now on of New York A. C. It was the first time a youngster had broken into this weight-throwing specialty since the memory of man ran, when Pat and Matt McGrath were divided that honor. Another old-timer, Clarence Demar, was returned to the marathon after a two-year absence.

Basketball Scores

SALEM, Ore., Jan. 31.—(AP)—Willamette University's basketball team defeated Linfield, 46 to 26, here tonight.

The game was slow. Willamette was well ahead until the reserves were put in when Linfield scored more readily. Cardinal of the Willamette team, was high scorer with 18 points.

SPEED KINGS IN MOTOR BOATS TO VIE NEXT FALL

DETROIT, Jan. 31.—(AP)—Two of the world's most noted speed kings driving the world's fastest motorboats will meet on the Detroit river here Sept. 5 and 7 in a race for the Harmsworth trophy.

The Detroit gold cup committee, in charge of the regatta, announced today of a challenge which will bring together Gar Wood, holder of a long string of motorboat records, and Kay Don, English race driver and sportsman.

The challenge came from Lord Wakefield of Blythe, who would enter the Miss England II, the boat in which Sir Henry Segrave lost his life last June on Lake Windermere, England. The English craft, which overturned while Sir Henry was attempting to determine its maximum speed, has been reconitioned, and is said to have been clocked unofficially at a speed of 110 miles an hour.

Gar Wood, who has successfully defended the Harmsworth trophy against French and British challenges during the last decade, already has said a new Miss America, the tenth of the line, would be built to defend the plaque this year.

A race between Kay Don and Gar Wood undoubtedly would furnish one of the most spectacular contests ever seen in speedboat competition. Miss England IX holds the world's official speed record at 95.7 miles an hour, set by Sir Henry Segrave at the time of his death, June 13, 1919. Wood's fastest time was 92.122 miles an hour, made with his Miss America VII several years ago. It has been said, however, that his Miss America IX has approached the 100-mile-an-hour mark in unofficial trials, and that Wood is confident an even faster Miss America can be built.

BRACKENRIDGE PARK, San Antonio, Tex., Jan. 31.—(AP)—Leading the Texas open tournament has become a sort of fixation with Donmore Shute, the calm young professional from Columbus, Ohio. He has been playing the field without a break for almost two years and prospects were he would keep right on.

Although he wobbled for a time today, the defending champion collected himself before he finished and chalked up a perfect 71, par for the course, to remain out in front by three strokes at the halfway mark in the 36-hole event. He was therefore a favorite to brook right on through to his second straight title and \$1,500 first prize in the 36-hole final tomorrow.

Shute's closest rivals were Harry Cooper, the Chicago star, and Joe Turnesa of Elmford, N. Y. each with 140 for the first two laps, two under par. Turnesa, himself a former Texas open champion, added a 71 to his 69 of yesterday to stick in the thick of things, while Cooper fell to 75, compared with his great 68 on the opening round.

Cooper, playing in the same threesome with Shute, caught the Columbus star going out today and passed him by a stroke at the start homeward, but couldn't hold it. After taking 29 holes' drive over par on the out nine, Shute regained his form to come in 32 and repair the damage. Horton Smith, the New York threat, contributed a 71 to place his 26-hole total at 144, along with John Golden, Agua Caliente open champion from Stamford, Conn., and Frank Wash, Chicago veteran.

Tied for third place with 141 totals were Tom Lally, San Antonio professional, who carded a 72 today, and Wiffy Cox, Brooklyn star, who registered a 70 to the Craig Wood, Deal, N. J., for the day's low. Although the course probably was dry and no moisture fell during the day, the scores ran consistently higher than yesterday, when 21 equalled or bettered par.

CALIFORNIA RING CZARS FAVOR BAN UPON MAX BAER

SAN FRANCISCO, Jan. 31.—(AP)—Extensive and radical revision of the boxing rules; creation of state championships in all divisions; and lifting of Max Baer, Livermore heavyweight, as a "boxing undesirable" in California, were major items approved today by the state athletic commission.

Harry Martin of Los Angeles, Robert Edgar of Pacific Grove, famed sport-writer-cartoonist, and Captain Leslie C. Kelley of San Francisco, expressed their sentiments in Baer's case, although the latter did not apply for a boxer's license. Baer, now fighting in New York, participated in a bout here last August, which resulted in the death of Frankie Campbell. The commissioners agreed that "for the good of the game" it would not be advisable to re-license Baer if he should apply.

BRITISH AUTO IN TEST RUNS CLOSE TO 200 MPH. MARK

DAYTONA BEACH, Fla., Jan. 31.—(AP)—Captain Malcolm Campbell gave his trim racing car its first test of speed on the beach here today by clicking off nearly 200 miles an hour on a practice trial preliminary to his proposed shot at the world's straightaway record.

A crowd watching the veteran British driver send his 1,450 horsepower machine roaring along over the slightly ruffled beach, on the first run it has made since leaving its factory in England. His tachometer or motor speed indicator, registered approximately 192 miles an hour at top speed.

He said he was highly pleased and pronounced the car virtually in condition for official runs.

On the second of his two trials today, Campbell escaped a "light pinch" as he described it, by stopping his speeding machine just short of a beach crowd.

Traveling at 175 to 180 miles an hour, he saw the spectators a mile and a half ahead and burned out his brakes stopping.

Campbell described the beach today as being only fair.

"It was not bad," he said, "but certainly not good enough for a record attempt. The course has been improving and I hope for a record beach soon."

The present record is 221 miles an hour, established here in 1919 by the late Sir Henry Segrave, also of England.

In the five years the St. Louis Cardinals have been operating a chain system of "farm" clubs on a large scale the team has won 446 games and lost 321.

Eleven airplane landing fields and 14 shelter cabins were constructed in Alaska last year.

HOMELY NAG IS FAT COIN WINNER

NEW ORLEANS, Jan. 31.—(AP)—Beauty means nothing in a horse race as shown today at the fair grounds by a gamely, scruffy nag named Jimmy Moran, which came in ahead of fourteen thoroughbreds to win the New Orleans handicap, richest purse on the winter turf.

As Jimmy took his place in the starting stalls, one was reminded of the story of the jump of the barrier he became a dynamo of action.
