O. S. C. Puts Up Thrilling Battle With Fagors at Center Main Scorer — Lewis' Sore Leg Handicaps at Start.

SEATTLE, Feb. 7.—(AP)—A spectacular long field goal by Ned Nelson, substitute forward, gave the University of Washington a thrilling 28 to 26 victory over Oregon State college here tonight to send the Huskies one notch closer to the northern division, Pacific coast conference championship.

Hank Swanson, Huskies center, tied the score at 26-26 in the last four minutes and Nelson followed a minute later with his victory stroke. Washington played keep-away the last two minutes during which not a single Beaver got a hand on the ball.

Kent Fagors, clever center, opened the scoring in the first half when he tallied a field goal for Oregon State. The Beavers can the count to 4-1 but Washington came back to take the lead at 5-4 on shots by Fuller and Swanson.

Coach Blinn (28) led his star center, Ed Lewis into the game but the latter weakened the team considerably due to a stiff leg which has been keeping him out of play. Fagors replaced him after a couple of minutes.

OREGON TAKES HIGH FIVE GIVES LOWLY VANDALS ALUMNI QUINT FANCY TROUNCING TO 42-34 LOSS

MOSCOW, Idaho, Feb. 7.—(AP)—The University of Oregon defeated the University of Idaho, 42 to 34. In a Pacific coast conference basketball game here tonight.

The Idaho defeat, the second at Oregon's hands in successive nights, dropped the Vandals into last place in the northern division standings.

For a time it looked like an Idaho victory in the first half, as the Vandals whipped out a four point Webfoot lead to go out front 12 to 8. Forthwith Eberhart, Oregon center, shot two goals to tie the score, and the lead alternated until the end of the first half, which ended 26 to 29 for Oregon.

CALIFORNIA WINS OVERTIME GAME TO TIE TROJANS

BERKELEY, Cal., Feb. 7.—(AP)—The University of California basketball team went into a tie for first place in the southern division basketball race of the coast conference here tonight by trimming the University of California at Los Angeles Bruins 46 to 28 in a game that went five minutes overtime.

The Bruins were tied for first with the Southern California Trojans, who defeated Stanford tonight 33 to 22.

At the end of the regular playing time, the two teams were tied at 26 all, due to a field basket scored in the last thirty seconds of play by Dick Tom Hagen, Bruin forward.

The five minutes extra time was the wildest seen here in many seasons, and the California margin of victory rested in the arms of Jack Reed, sophomore center, who scored two baskets from the field. Linthicum scored the only points for the Bruins with a field basket.

The entire last minute found the all under the California goals, as the Bruins were unable to get through the hoop to tie the score.

HIGH FIVE GIVES ALUMNI QUINT FANCY TROUNCING

Ivan Harrington, one of Medford high school's stars last semester, played on the alumni team when the high school squad met the grade last evening at the armory, and marked off 5 of the 18 points for the older boys, who lost 45 to 19.

"Oldy" Hughes, flashy forward, scored 16 points for the high school team. The alumni team never led the scoring and at the end of the first quarter had one point, scored on a foul.

A fair sized crowd attended the encounter, and was laughing most of the time at the ridiculous methods employed by alumni players. Both teams seemed to have trouble standing up, and from one to four were rolling on the floor the greater part of the time.

Some of the graduate hoopers got off such good dribbles and passes they experienced difficulties in slowing down when attempting to shoot a score.

The South-Methodist boys defeated the high school Tiger Cubs 31 to 17 in the preliminary. J. Powell starred for the Methodists, counting up 20 points. Young Thomas led the Cubs, scoring 11 points.

COAST GOLF TITLE PLAY DATES SET; PLACE UNCHOSEN

SEATTLE, Feb. 7.—(AP)—Dates for the amateur championship tournaments were set today by the directors of the Pacific Northwest Golf Association at their annual mid-winter meeting here.

The Pacific northwest amateur competition for men and women will be held during the week of June 22 to 27 and the open tournament is scheduled for the preceding Friday and Saturday, June 19 and 20.

It was arranged several months ago to hold the men's amateur championship at the Fircrest Golf Club, Tacoma, and the women's meet over both the Tacoma country and golf club and the Fircrest courses. The women will play the first three days at the Tacoma club. The open will be held at the Tacoma golf club.

At the request of the United States Golf Association, the directors undertook responsibility for the administration of the Pacific Northwest sectional qualifying rounds for the national and open tournaments.

The amateur and open qualifying tests have been awarded Seattle, the amateur on July 28 and the open on June 8, but there is a possibility that this arrangement will be changed with Portland getting the amateur trial.

OLYMPIC TRYOUTS ON SOLDIER FIELD

NEW YORK, Feb. 7.—(AP)—Soldier Field, Chicago, scene of many a historic sporting combat today was selected as the site for the final trials to choose the team to represent the United States in the 1932 Olympic track and field games at Los Angeles.

The Olympic track and field committee, which announced the selection of Chicago, also fixed the dates at July 15 and 16. Although the site of the team which will wear the emblem of "Uncle Sam" was discussed, no action was taken. The general opinion, however, appeared to be in favor of the maximum strength of 81 athletes—three for each event.

HARLINGEN, Texas, Feb. 7.—(AP)—Travis Wood, of Deal, N. J., became a favorite to win the \$1,000 top prize when he ran away from the field of the Harlingen open golf tournament here today, shooting a 65 for the first 18 holes in the \$3,500 event.

He turned in a card of 34 out and 31 in, on the 72-par course. He shot seven birdies.

Close on the heels of Wood came Horton Smith of New York with a 69, 35 out and 34 in. It was the first time Smith has shown to advantage but today he hit his stride and excepting for a little faulty work on the greens, might have lowered his bid two or three strokes.

CHEMAWA FIVE TO GIVE RIGID TEST IN LOCAL GAMES

Indications of just how strong Medford high school's basketball team will be gained in the two-game series with the Chemawa Indians here next week-end.

Chemawa held the fast-breaking Salem basketballers for three quarters on almost even terms, but wilted in the fourth to lose 22-18. Salem has practically the same team as last year and is rated as strong as any in the state.

Chemawa has a 22-24 win over the Linfield college freshmen, lost to Monmouth normal 25-27, to Silexton 19-16, beat Woodburn 31-25, Grando Rondo 25-20, and dropped by two points, a struggle with Oregon city, 25-21.

There are two regulars from last year's lineup on the Chemawa team. Due to the fact that the Indian school has no gymnasium their teams are usually gym-starting, but gain momentum as the season progresses.

As a result they go Kanto-Rock's Notre Dame Handbombers better because they are entirely a road team and are used to playing on the opponent's floor. The Indians are developing fast as their late-season scores indicate and are rated much stronger now than two weeks ago.

Press notices from upstairs say that for the past nine years at least Chemawa has been a strong exponent of the short-pass fast-working game. There has never been any place in their game for stalling and they break into the offense like a gust of wind. They play hard and fast, going almost at top speed throughout the game. This requires lots of strength and stamina but the Indians have always been able to stand up under the strain.

LARGE TURNOUT FOR LEGION BOUT

Reports from all parts of Jackson county indicate a very large turnout for the coming big event, namely the free American Legion smoker to be held next Monday night, February 9, at the Armory in Medford.

Legionnaires, ex-service men, Spanish war veterans and G. A. R. are all invited to attend.

An unusually good card has been arranged by the committee in charge. The headliners are local men and are more or less well known to the public, such as Frenchy Levitt, a wrestler who has recently returned from a tour of the Middle West, and Young Ritters, another local boy of no mean ability. Levitt, 290 pounds and Ritters 225.

Mr. Levitt will also give a 15-minute lecture and exhibition aided by Cecil Barrick.

In addition to the wrestling there will be 16 rounds of boxing. These matches are being arranged through the courtesy of Captain Carl Y. Tenwald of the National Guard. The boys in those bouts are being drawn from Company "A", Medford National Guard and from Headquarters company of the Medford Quarter Guard. The public is assured that all are local boys and will be surprised to find such good entertainment in their midst.
