HUSKIES SURE OF NORTHWEST TITLE BY WIN

Washington Defeats Cougars 24 to 23 In Crucial Game—Four More Tilts On Schedule, Tie Assured

SEATTLE, Feb. 14.—(AP)—The University of Washington Huskies virtually won the 1931 northern division Pacific coast conference basketball championship here tonight when they came from behind in the last two minutes to defeat Washington State college, 24 to 23. The victory assured Washington of at least a tie for the title with four games yet to play.

Only 13 points were scored in the first half, Washington State gathering 8 and Washington 5. Following last night's free scoring battle which ended 45 to 42 in favor of Washington, both teams turned their attention to defense tonight. The players found it virtually impossible to break past the foul line for close-in shots and they could not find the basket at long range.

W. S. C. took the lead on a field goal by Peseo. Fuller evened the count for Washington and then the Huskies forced another tie. The Cougars came back with 3 and the Cougars came back with 3 and the Cougars came back with 3.

The second half was faster and more open with both quintets striving like mad for baskets. The lead alternated ten times in addition to two ties during the last 20 minutes of play. The Huskies passed the Cougars 41-19 but it was short-lived. Holsten retreating a few seconds later with a field goal that put W. S. C. ahead.

After a startling seesaw battle, the Cougars held a 23-22 margin with two minutes left to play. Curney, Washington, was awarded a free throw on a foul by Holsten but he missed and it looked like the Cougars might win and get back in the running for the title. But just when things looked the darkest for the Huskies, Ned Nelson, substitute forward, sent a one-handed shot toward the basket from the corner. The ball bounced around on the rim and finally dropped through to give Washington its eleventh victory of the season.

It was the second game that Nelson had won in the last minute of play, the speedy youngster having defeated Oregon State college here a week ago when he broke a tie just before the final gun.

SPOKANE, Feb. 14.—(AP)— Gonzaga university swamped the University of Montana, 42 to 18, in a non-conference basketball game here tonight.

PACIFIC BEATEN BY 88-15 SCORE

SALEM, Ore., Feb. 14.—(AP)—Pacific University's basketball team was victim in one of the most one-sided collegiate games of the season when Willamette's Bearcats trampled on the Willamette floor. Pacific got only two field goals in the second half and there were many minutes when Eldon Jenne's men scarcely touched the ball.

Willamette's rosters saw visions of a 100-point score but Coach Spivey slowed down the scoring by sending in many reserves in the final minutes. Scores of Willamette led in scoring with 21 points.

CHEMAWA WINS UPSET VICTORY OVER MEDFORD

The Chemawa Indians upset the dope last night at the armory, and defeated an over-confident Medford high school basketball team 49 to 29, in a close and exciting game. The Burgher squad was weakened by the loss of Clay, who pulled a tendon in the Friday night game.

George Harrington, second string forward, scored 16 points for Medford but his teammates were off in their shooting. Coach Burgher did not make a substitution throughout the entire game. Hughes and Caldwell both had off nights.

The Indians played with a fire and dash, and their passing was excellent. They did not look like the same team that went down to a 45-25 defeat in the first game. The victory cheered them mightily.

A good sized crowd saw the contest. Chemawa Medford Vivette (14) F Harrington (16) Hatfield (10) F Hughes (3) Frazer (6) C Caldwell (5) Dog Eagle (4) G Thomas (3) Miller G School (2) Substitutes: Chemawa, Shouder Blade (6) for Miller, Referee, Deal of Grants Pass.

MEDFORD JUNIORS LOSE TO PARRISH

SALEM, Ore., Feb. 14.—(AP)—Parrish Junior high school of Salem has apparently a clear title to the state junior high basketball championship, having defeated Medford Junior high 32 to 16 here tonight in the second of a two-game series. The score was identically the same as in the game Friday night.

Medford put up stronger opposition tonight and led 13 to 8 at half time, but was weakened by the removal of its center, Turpin, on fouls, just as the half ended, and Parrish forged ahead in the final periods. Perrine led Parrish in scoring with 12 points, White leading Medford with five.

FAST MAT BOUTS NEXT WEDNESDAY

Henry Jones, Provo, Utah, ex-world's welterweight champion, expected to give Ray Lyness, Seattle, 160 pounds, something to think about at the armory next Wednesday night when they tangle in a finish match. This will be the first time the light boys have been in Medford for several months and fans have been hungry for some of their type of grappling, usually devoid of the rough and tumble tactics used by so many heavyweights.

Promoter Herb Owen has arranged a special event featuring Harry Elliott, Eugene, with John Brees, eastern Oregon, in what is expected to be a hot number. Elliott always pleases and will have some tough competition in this opponent from the sage brush country.

CHICAGO, Feb. 14.—(AP)—Piling up points in the final hour of sprinting, the Swiss-American team of Emil Riehl and William Grimm tonight won Chicago's 25th international six day bicycle race.

GOITRE NOT A DISEASE

Milwaukee Doctor Makes Remarkable Discovery

Milwaukee, Wis.—It has been brought to light by scientific research that goitre is not a disease and is not to be treated as such. Dr. A. A. Rock, Dept. A-16, Box 737, Milwaukee, Wis., a prominent goitre specialist for over 24 years, has perfected a different method of treatment for his patients that has proved remarkably successful. This same method is now being used for a home treatment of goitre cases all over the country with astonishing results. The Doctor states that goitre is a condition which grows worse with neglect and recommends immediate attention to matter, but small the growth may appear. He strongly opposes needless operations. Dr. Rock is the author of a book that tells in a simple way about treating goitre at home. He has published this book at his own expense and will send a copy free to anyone interested. Seven thousand persons watched the Bruins go down in defeat because of their inability to consistently score free throws. The Trojans held an 11-10 advantage at the end of the first half despite the fact that only one field goal had been scored by them. Captain Carl Knowles, U. C. L. A. center, was the outstanding player on the court.

Shields trounced Harry C. Reunis, New York, 6-1, 6-1, while Van Ryn conquered Gregory Manin of Newark, N. J., and Georgetown university, who was ranked for 1929, with equal ease, 6-2, 6-0.

Helen Wills, Greatest Woman Player, Snubbed By Committee — Action Brings Protest — But Vote Decisive — Tidlen Ousted.

NEW YORK, Feb. 14.—(AP)—Mrs. Helen Wills Moody, champion of England and several other countries, acclaimed by the public as the greatest woman tennis player, failed of ranking today by the United States Lawn Tennis association, meeting in New York in annual convention.

The first place Mrs. Moody has held with only one interruption since 1923, the ruling body of tennis in this country put Mrs. L. A. Harper of Oakland, Cal., runner-up to Betty Nuthall of England, in the national championships last fall.

The failure of the committee, headed by Dr. Philip P. Hawk of New York to place Mrs. Moody at the top of the list despite her failure to compete in any important tournaments in the United States last year, brought a storm of criticism from the delegates and it was by only a count of all votes present and proxy that she was deprived of the honor.

Julian S. Myrick, former president, led the fight to return Mrs. Moody to her place at the head of the parade and on a viva voce vote of the delegates his motions to amend the rankings was carried, no voice being raised in protest. Before the convention could pass to other business, however, Dr. Hawk demanded a count of the proxy vote and the result showed Mrs. Moody losing 31,260 votes to 24,150.

Removal of William T. Tidlen, Francis W. Hunter and Emmet Parré, all of whom recently turned professional, from the ranking list was accomplished with no disorder and John Hope Doeg, national champion, was confirmed in his place at the top of the list.
