How Weak Nervous Women Grow Stronger

Feel Better, Look Younger and Have Steadier Nerves
If you only knew—you rundown, anemic women—who are dragging yourself around on your "nerves"—what a wonderful increase in strength and health Tanlac will give you, you wouldn't hesitate a moment about going to your druggist and getting a big bottle of this wonderful medicine. Mrs. Dora Rohlfhard, of Bellingham, Wash., R.F.D. 1, Box 17, says: "I had no digestion nor appetite. Sick headaches laid me up in bed three days at a time. I couldn't even do light housework. Now I do all our cooking and washing in addition to the other work." Tanlac is as free from harmful drugs as the water you drink—only Nature's own medicinal tonic herbs. Druggists know this and for the past 20 years have recommended it to men and women who need a quick "pick up" that will put them on their feet and give them a new interest in life. So confident are the makers of Tanlac that if you are not helped by it, they will give you your money back on request.

SENSATIONAL EXPOSE OF GANG-LAND!!!

An open letter to the Chief of Police of Medford...
If you want a new slant on how to solve the racketeering problem see "THE WIDOW FROM CHICAGO" at the HOLLY. She too wanted to get certain racketeers. She had no weapons and no training—all she had was what Mother Eve gave her—woman's beauty, woman's wit and woman's wiles. And she delivered her men like Delilah delivered Samson. See "THE WIDOW FROM CHICAGO" and learn that racketeer is just a fall guy when a woman decides to get him.
