

STOCKS, WHEAT BRACE ON NEWS OF GERMAN AID

Sharp Advance on Wall St. And Grain Buoyant With Signs of Organized Move To Raise Value - Canadian Crop Hit.

NEW YORK, June 20.—(AP)—The stock market today went through one of those rapid reversals which ensue when the shorts are caught napping.

This time the surprise was President Hoover's statement particularly in reference to Germany and the inauguration of political conversations looking toward the extension of help to that country. Wall Street immediately placed a bullish interpretation on the announcement, taking it to mean not only that Germany would receive from the United States in her search for relief from financial and economic troubles, but that efforts would be made to give aid promptly.

Hears who had been offering stock steadily throughout the week of slowly declining prices found the market higher at the opening, although trading for the first half hour was dull. The pace quickened thereafter, however, and soon the movement to buy became a scramble. Net gains ranged from 2 to 2 1/2 points in the principal issues. The average rise in the standard statistics—Associated Press composite was 6.3, just a point less than the advance of June 3. The turnover of 1,500,000 shares was the largest this week, and the biggest Saturday volume since late March.

CHICAGO, June 20.—(AP)—Buoyancy developed in the grain market today simultaneously with a steep advance of securities. Wheat purchasing appeared to come from more substantial sources than for some time, and belief spread that an organized movement was afoot to advance commodities and stocks. Prospective improvement of Germany's financial position received much notice, and there was talk that Canadian crop damage now amounted to almost calamity proportions.

AMERICA, HOOVER HAILED 'SAVIORS' BY BERLIN PRESS

BERLIN, June 20.—(AP)—President Hoover's move to "strengthen the situation" in Germany monopolized the attention of the government today. The cabinet had a special meeting with Chancellor Brüning and Foreign Minister Curtius, who had come to their desk early in the morning. Official comment was reserved and the government appeared to be preserving an attitude of caution and reticence pending further development of what is widely described as one of the most encouraging signs of post-war times.

No communique was issued after the cabinet meeting, but the newspapers were crowded with editorial comment.

The Democratic Tagesblatt characterized the developments in Washington as marking "a turning point in the history of Europe and America," the editorial said. "It will mark the name of a great power of peace, if Mr. Hoover's initiative brings in this generation a world of peace."

Mr. Hoover will be celebrated not only by his own people but by all the peoples of the world as a benefactor of humanity.

When the Nationalist Press, which all along has refused to admit that anything tangible would result from Chancellor Brüning's visit with Prime MacDonald at Chequers, hailed Mr. Hoover's move as the highest significance.

ONE MORE ERROR BY ASTRONOMERS

PARADISE, Pa., June 20.—(AP)—Astronomers of the Astronomical Society of the Pacific today that the Orion Nebula is three times as far from the earth as text-books say. His measurements show it to be 10,000,000,000,000 miles distant, that is 1,500 light years.

On the basis of the newly determined distance, astronomer Trumpler estimates the size of the Nebula to be 150,000,000,000,000 miles across; just one of the smaller of the Diffuse Nebulae of the Milky Way.

KISSING CAUSES 'TRENCH MOUTH' DENTISTS TOLD

PORTLAND, Ore., June 20.—(AP)—Dr. H. C. Epley, Salem, named president-elect of the Oregon State Dental association last year, advanced to the office of president at the close of the annual convention of the association here today.

Dr. J. Q. Young, Portland, was named president-elect and will become president next year. Other officers chosen included: Dr. G. E. Finlay, Roseburg, vice-president; Dr. F. W. Hollister, Portland, secretary-treasurer; and Dr. A. F. Weeks, Portland, editor.

E. William A. Fleming, assistant professor of dentistry at the University of California, said kissing was the most common way of spreading Vincent's angina, or trench mouth. Next in line, he said, was the family toothpaste tube.

"Where all members of a family use the same toothpaste or powder, one case of trench mouth often leads to contagion of all members," Dr. Fleming said. "Although all have individual brushes, the infected member contaminates the top of the tube by rubbing the brush over it after spreading a ribbon of cream. The next to use the toothpaste gets some of the germs on his brush."

SPOKANE HONORS ORIGINATOR OF 'DAD DAY' IDEA

SPOKANE, June 20.—(AP)—"Dad" will be honored tomorrow in Spokane, where Father's day was born 19 years ago, by special church services, dedication of a tree to the memory of George Washington and whatever mother and the youngsters can fix up for him.

Mrs. John Bruce Dodd, whose love for her own father was the beginning of an observance that has taken root in many states, will participate in the tree dedication ceremonies on the grounds of the Grace Campbell Memorial museum.

Mrs. Dodd proposed the third Sunday in June to be turned over to honoring fathers of the land, and she has worked for complete national observance of the day. Delaware made the day a legal holiday, and in many other states some program is observed. Her efforts to have congress make the day a national observance have failed.

The Rev. W. B. Lloyd, 61, who was ordained in 1875 by Bishop Milton Wright, father of Orville and Wilbur Wright, pioneer aviators, chose today for his first airplane ride. He had planned to take his first ride on Father's day, but as he does not ride on Sunday, chose today instead. He will officiate at the tree dedication tomorrow.

LOS ANGELES, June 20.—(AP)—"And, Judge," Mrs. France L. Keen told Judge G. P. Bush in divorce court today, "he deserted me at the dentist's chair."

She said a divorce from Walter F. Keen on grounds of cruelty. "He promised to come back and get me," Mrs. Keen charged, "but he didn't. And after I had four teeth pulled I had to ride home on a street car."

WOMEN WANT TO FLY TO EUROPE WITH LADY BIRD

NEW YORK, June 20.—(AP)—If Ruth Nichols took the advice, her mail box gives her she would fly to Europe alone.

In fact, with the added weight of all the passengers who want to ride to fame with her over the Lindbergh route, she'd never get there at all.

Whatever the steamship companies may say, there are a lot of women who want to go to Europe this summer, but their travel expenses are turned skyward. One of them writes to Mrs. Nichols, asking a ride across the Atlantic, argues that if it would be a novelty for one woman to make such a flight, how much more notable for two.

Nor are the men holding back. A lot of them want to go, too. But Mrs. Nichols won't consider taking a companion. If she is successful—and Colonel Clarence Chamberlain, who knows a thing or two about trans-Atlantic flights, says she has a 95 per cent chance—she'll put on women's side of the aviation ledger the same shining mark Lindbergh wrote for the men.

Swedish Marine Active GOTHENBURG, Sweden, June 20.—(AP)—Signs of increased activity in the Swedish merchant marine are now evident. Of the last-up tonnage, about 10 per cent, or about 50,000 tons, has been put back into active service. In the trans-oceanic freight market the La Plata coast shipments are the liveliest, but Mediterranean freights also show increased firmness.

ASTORIA, Ore., June 20.—(AP)—Associated Chambers of Commerce of the lower Columbia district, meeting in Ilwaco last night, went into record favoring reconsideration of the plans of the federal government for the proposed Pacific Northwest Soldiers' Home.

Wedding Bells

Of interest to their many friends in the valley the wedding of Miss Vivian Alleen Wilson of Jacksonville to Hubert DeHase of Central Point, at the First M. E. parsonage last evening, with Rev. Alexander G. Bennett officiating.

They were accompanied by Miss Virginia DeHase, Mrs. H. H. Hood, and Mrs. Wilson of Jacksonville, mother of the bride. Having graduated from Medford high school, the bride is well known locally, where she has been employed at Adrien's shop.

What the Girl Scouts Are Doing

Hope you are all planning on going to camp at Wilper Pines, for it begins soon, and promises to be one of the biggest and best camps we have had as yet. You may sign up for one, two or the entire three weeks of camp if you like.

There will be several counselors on hand, so that you may have a score of crafts and sports to choose from. Mrs. Willets will take charge of the nature work, and that is good news to all of you Scouts, for you know what a nature enthusiast Mrs. Willets is.

Passion Play Will Draw Large Crowd To Ashland Tonight

One of the most enjoyable events of the week and one which will be repeated tonight is the presentation of "The Passion Play" by the Freiburg players in the Ashland park.

The first staging of the wonderful drama was Thursday night before a large and appreciative audience from all sections of the valley. Performances were repeated Friday and Saturday nights and through special arrangements the cast will remain in Ashland for the fourth presentation tonight.

"The Passion Play" was brought to Ashland under the auspices of the chamber of commerce of the neighboring city. The chorus appearing with the play is composed of southern Oregon voices, many of them from Medford.

Adolf Passnacht, who plays the role of the Christus, has depicted the life of the Saviour for many years and gives a portrayal which is startling in its realism. He seems to have walked out of the paintings, the famous masters created, and at the same time developed the personality which the New Testament describes.

The scenery and lighting lend much beauty to the production and all characters are in keeping with popular conceptions of the Biblical people.

Many local people plan to take advantage of the last staging of the favorite story of all history tonight.

Wenonah Club Has Last Session Wenonah club members held their last card party for the summer Thursday afternoon at the home of Mrs. Mable Quackenbush. Five tables of cards were in play, those receiving prizes were Mrs. Bernice Wilson first prize in bridge, Mrs. Harriet Watson consolation, and Mrs. Carrie Milnes first in five hundred and Mrs. Gladys Dooms, low.

The club president called the meeting to order for election of officers. New officers elected were, Mrs. Maude Abbott, president, Mrs. Bernice Wilson, vice-president, Mrs. Ora Rinabarger, secretary and treasurer, and Mrs. Daisy Samuelson as reporter. At the close of the meeting, refreshments were served by the hostess, assisted by Mrs. Hulda Thurman and Fidelis Platt.

Church Groups Have Interesting Sessions The mission study class and the June business meeting of the Women's Missionary society of the M. E. church, South, met last week with Mrs. Taylor, Mrs. Boeckel's book, "The Turn Toward Peace," has proved to be a very interesting study.

The program and social meeting of the society was held last Thursday at the home of Mrs. McCulliston. Mrs. Wood was in charge of the program on "Changes in Our Educational Work in China." All our schools are now under the very capable leadership of educated Christian Chinese. A social hour, conversation, games and refreshments followed.

D. A. R. News

Friday afternoon, June 19, MC Ashland chapter, D. A. R., entertained members of Crater Lake chapter, most delightfully at the luncheon in Ashland. After the luncheon an informal meeting was held and reports of the state board meeting and the formal dedication of the Champeog memorial given by those who attended.

Mrs. Emil Piel, regent of MC Ashland chapter presided and introduced Mrs. Gordon McCracken who gave a brief outline of historical events which led up to the establishment of the territorial government of Oregon at Champeog, and later during the afternoon, it was announced that Multnomah chapter has, during the past year, located and marked the graves of all but seven of the 102 men, who may 2, 1842 voted to establish a government in this western territory known as Oregon.

Mrs. B. G. Harding, former regent of Crater Lake chapter, was one of the official hostesses for the dedication ceremony at Champeog last Sunday and at Mrs. Piel's request gave a very interesting account of the services which were attended by over 500 people.

The program opened with bugle calls by Portland and Newberg Boy Scouts. The state chaplain could not be present and Mrs. Harding was asked to give the Washington prayer. Mrs. Shaw of Portland led the salute to the flag and Mrs. U. W. Gardner led in the singing of "America." Mr. J. E. Ferguson of Hood River gave the greetings for all D. A. R. chapters and same was responded to by Mrs. W. W. McCredie, state regent. Gov. Meier was unable to be present, but was represented by Mr. Leslie M. Scott who gave the address of the cornerstone and sealing up of important papers, was conducted by Mrs. L. L. Patterson, who as state chairman of the Champeog committee, has been untiring in this work.

The laying of the cornerstone and sealing up of important papers, was conducted by Mrs. L. L. Patterson, who as state chairman of the Champeog committee, has been untiring in this work. The Rev. J. O. Grey, regent of Crater Lake chapter, was then introduced and spoke of the state board meeting, which was held in Portland June 13. Plans for the year were discussed, but probably the most outstanding work was the hearty approval of the proposed bill which will come before the next congress, requiring the registration of all aliens in the United States. The state organization will on record as endorsing this bill and pledged itself to do all in its power to secure its passage.

Mr. and Mrs. Eads Visiting in South Mr. and Mrs. George Eads are guests this week of their son-in-law and daughter, Mr. and Mrs. Ted Merryweather, of Ventura, Cal. They left Medford Thursday for the southern city.
