EXTRA, STANDARD EGGS GAIN CENT MEDIUMS STEADY

PORTLAND, Ore., June 28.—(AP) The advance of one cent a dozen on extra and standard eggs announced today by the Pacific Cooperative Producers Association, indicates a scarcity of the higher quality fresh eggs. Mediums remained unchanged. The new price is 19 and 18 cents respectively for the higher qualities. The egg market seems in a slightly better statistical position with storage holdings showing slight recessions from time to time. According to reports in the trade, butter receipts have been heavy enough to give the market a slightly uneasy undertone and prices are only steady at best. Reports from San Francisco say that a score is weak, due to heavy receipts from other states.

PORTLAND, Ore., June 29.—(AP) The supply of berries on the east side farmers' market today was considerably in excess of buyers' wants. Sellers were reluctant to lower their ideas, and as a consequence, trading was slow. Buyers felt that in the end they would get their berries, especially raspberries, at their own price, as much of the offerings was not canner quality. Best raspberries moved at \$1.05 with exceptional quality bringing up to \$1.15. Loganberries had a slightly better price than the raspberries. The best brought \$1.10 with the bulk moving around one dollar. Blackcaps sold at \$1.65 for good quality stuff. Vegetable offerings were unchanged from last Saturday.

GIRL ATHLETE IS INJURED IN CRASH

CHICAGO, June 29.—(AP) Betty Robinson, winner of the 100-meter dash for women in the 1928 Olympic, today lay critically injured in a hospital, her athletic career probably shattered by an airplane accident. The 19-year-old Northwestern university student yesterday suffered injuries that at first were believed fatal, when a plane in which she was riding fell from about 400 feet. The plane was piloted by her cousin, Wilson Palmer, who also was critically injured. She was semi-conscious at midnight.

Waders Drown

DEKALB, Tex., June 29.—(AP) Five persons were drowned last night in the Red river at Clear Lake Ferry, 14 miles north of Dekalb, when they stepped into deep water while wading. The bodies of only three had been recovered today.

Wall Street Report

NEW YORK, June 29.—(AP) Stocks today encountered their largest setback since the beginning of the recovery on June 20. Although the decline was slow and seemed to reflect little more than profit-taking after so substantial a rebound, net losses ranged from \$2 to \$8. Rallying tendencies in the afternoon, after a reactionary morning, failed to hold the market closed not far from the lows. The volume was comparatively small. Sales totaled 2,699,000 shares. Today's closing prices for 17 selected stocks follow:
