## HALF HOLIDAY ON SATURDAY STARTS FOR POSTOFFICES

All the postoffices of Jackson county, which of course will be closed all day next Saturday, July 4th, will thereafter be closed Saturday afternoons in accordance with the new federal law fixing 44 hours as a week's work for all postal employees.

While the Medford postoffice has for weeks past had this new rule in force in a modified way, except that the general delivery, stamps and other windows were open, will be entirely closed hereafter, windows and all, from 2 p. m. on Saturdays. Hereafter the closing of the postoffice that afternoon has been optional, but now it is mandatory. Of course, there will be Saturday forenoon deliveries by the carriers.

The sub-postal station in the Medford Hardware & Furniture Co. store, however, will be open as usual Saturday afternoons, selling stamps and otherwise functioning as before.

The decision to close the Medford postoffice at 2 p. m. on Saturdays is in accordance with the agreement of the organization of first and second-class postmasters, formed at the recent Oregon postmasters' annual convention at Eugene, to close at that hour, which was agreed to also by the third and fourth-class postmasters of the state.

They were E. C. O'Donnell, who is taking the southern route to Seattle from New York, and Joe Downing, who came west by another route, both driving free-wheeling Studebaker autos, decorated in the purple and white of the lodge, and equipped with Firestone tires.

Mr. O'Donnell was met in Grants Pass by members of the local reception committee, Mayor E. M. Wilson, W. M. Clemenson and E. C. Ferguson, and escorted to Medford, where a large assembly awaited his arrival at the temple. Mr. Downing, who came via Klamath Falls to meet Mr. O'Donnell in this city, was escorted from the Libby city by a delegation of Ashland Elks. The two men had not met since they left New York, May 19, for the national convention city.

Photographs of the drivers, their cars, and the welcoming delegations were taken at the Elks temple by A. E. Peasley, local photographer.

## WISCRACK FROM GROOM DISTURBS COURT NUPTIALS

The routine and solemnity in the city court and justice of the peace court is occasionally broken up by some absurd saying, or humor being injected when a couple outside the city or state calls to be married by Judge Taylor.

Only recently an Oklahoma young man and a Washington girl, armed with a local wedding license, came to be married by the judge in his capacity of justice of the peace. The prospective groom was in a jocular mood and remarked that she was only marrying him for his money.

This prompted Judge Taylor to remark, pointing to Mrs. Taylor, who happened to be in the court: "Women only marry for two reasons—money or beauty. My wife married me for my beauty."

## ON GREENS

If your salad is made of greens or light vegetables, select a dressing that will let the flavors of the salad assert themselves. Bachelor Club Dressing would be an excellent choice.

To make Bachelor Club Dressing: Beat together twelve tablespoonfuls of Wesson Oil, three tablespoonfuls of vinegar, one teaspoonful of salt and one teaspoonful each of dry mustard and paprika. Then stir in two tablespoonfuls of finely chopped onions.

## ON FRUITS

Fruits, on the other hand, don't go very well with a tart, sharp dressing. They respond best to a dressing to which a little cheese or some nuts have been added. Or one that is slightly sweetened... like Bar-le-Duc Dressing.

To make Bar-le-Duc Dressing: Beat together six tablespoonfuls of Wesson Oil, two tablespoonfuls of lemon juice, one teaspoonful of salt, one-quarter teaspoon of paprika and one-eighth teaspoon of white pepper. Into this mix six tablespoonfuls of red Bar-le-Duc or currant jelly.

## ON SEAFOOD

If your salad is going to be something hearty and substantial, made with seafood, serve it with Lemon-aise (mayonnaise made with lemon juice). The flavor of the salad will be improved however, if first you marinate the ingredients.

To marinate: Mix twelve tablespoonfuls of Wesson Oil and three tablespoonfuls of vinegar. Add one teaspoonful of salt, one-quarter teaspoon of pepper. Pour over seafood and set aside in the refrigerator for several hours. Serve with Lemon-aise.

## ARCHERY LESSONS FOR GIRL SCOUTS IN SUMMER CAMP

Archery is a popular sport here, although comparatively new, and most popular with the Girl Scouts at camp. Several archery badges have been awarded through the year and many more will be given at this session of camp.

A new archery range has been laid out which will be closer to the camp lodge, and under the big pine trees. As a special surprise to all the Girl Scout campers a miniature golf course is being planned. This is not to be among the regular sports but is a recreational activity for free hours.

## CHECK SUSPECTS TURNED OVER TO PORTLAND POLICE

Elwin Crow, 19, local youth, under guard in the Sacred Heart hospital will be taken to Portland tomorrow to stand trial, with Masters and Henry, for alleged forgery operations covering the northwest.

Elwin Crow, 19, local youth, under guard in Sacred Heart hospital, will be returned to Multnomah county as soon as his condition will permit.

The three men are charged with the theft of a bundle of checks and a photostatic from the office of A. Guthrie and company in Portland and are believed to have passed bogus checks in Walla Walla and Seattle, Wash., and Astoria, Albany, Salem and Portland.

**Be Cautious**  
when offered a substitute for Kotex

COME day you'll be tempted to try a substitute for Kotex. It may look the same. But where was this substitute made? How? By whom? What do you know of its cleanliness—would a hospital consider it safe to use? All these things, you see, are implied in the careless phrase, "just like Kotex." That is why you must be careful. Kotex is adjustable. It is treated to deodorize.

The safe thing to do is to insist on Kotex. Genuine Kotex. Then you know you're safe. Kotex is by hospitals from coast to coast. Kotex is so marvelously comfortable, too. Its softness lasts. Its filmy layers make adjustment. Wear it on either side with protection.
