## SPANIARD VICTOR IN BRUTE BOUT

### Uzcudun and Baer Stage Savage Battle With Nothing Barred, and No Ring Ethics—Final Round Decides Winner, Dempsey Referees.

By RUSSELL J. NEWLAND  
(Associated Press Sports Writer)

RENO, Nev., July 4.—(AP)—Grinning, gold-toothed Paulino Uzcudun, from the Basque country of Spain, outroughed Max Baer, rangy Californian, today to win Referee Jack Dempsey's decision after twenty rounds of savage mugging that climaxed Reno's greatest Independence day celebration in 24 years.

Clubbing, butting, and wrestling marked the battle from opening gong until Dempsey, in the double role of promoter-referee, raised Paulino's arm in victory. A couple of wildcats could hardly have been more vicious than the two warriors who violated most of the rules of ring etiquette in efforts to beat each other down in the fight of the sun-scorched battle pit.

Cautions by Referee Dempsey had only momentary effect. When Paulino guff curbing, Baer started feeling. The Californian missed a couple of "pilot punches," but not intentionally. On occasions, they butted like goats. Baer started wrestling tactics and Uzcudun retaliated by twisting his rival half way out of the ring.

Without these tactics, the fight would have been rough as straight Margus of Queensbury rules governed the contest. Kidney and rabbit punches, therefore, were counteracted.

For a twenty-round bout, the big fellows set an usually fast pace. The last five rounds developed more furious exchanges than in the early part of the affair. As they struggled through the rounds, mauling, tugging and planting solid punches in swift rallies, advantage seemed to swing from one to the other.

At no time was either out in front and at the end of the nineteenth, Referee Dempsey told newspaper men the last round would decide it. Paulino had the better of the last session. He tore into his bigger rival and rushed him into the ropes, meanwhile scoring heavily with hard punches to the mid-section. Baer's occasional rallies were weak.

Baer went into the round with most of the physical advantages on his side. But Paulino was the favorite from the start. Ignoring Baer's superior reach, the sturdy Basque bobbed in and out to thump the California boy regularly with solid lefts to the body.

In the fifth round, Paulino scored with some heavy blows to the jaw and Baer appeared in distress. But by the time the eighth rolled around, the Californian was leading with his stocky rival retreating around the ring. Uzcudun's greater experience stood him in good stead. He fought coolly whereas Baer lost his head at times to heat the air with wild swings.

First heavyweight of any importance in Reno since Johnson defeated Jeffries in July, 1918, today's free-punching affair attracted some 15,000 persons, practically equaling the normal population of the city, officials said the gate receipts "would run close to \$100,000."

## 15 FOOT PUTT GIVES VON ELM TIE FOR TITLE

### Play-Off Today With Burke For Jones' Crown—Huge Gallery Harass and Cheer Fighting Finish of West-erner.

IVERNESS COUNTRY CLUB, Toledo, O., July 4.—(AP)—All the drama and the fireworks of the sensational battle for the open golf championship of the United States were crowded into a few tense moments on the home green today as blonde George Von Elm, the self-styled "business man" of the game, stepped up to a 15-foot putt and rammed it home for a birdie that pulled him from the very brink of disaster.

This spectacular final stroke by the Los Angeles ace, one-time national amateur champion, enabled Von Elm to finish the regulation 72-hole championship route in a tie with Billie Burke, professional of the Blind Brook club at Greenwich.

Von Elm and Burke wound up their all day duel with scores of 292.

They will play for the title for 36 holes tomorrow, in the sixth extra inning" battle for the tournament has had in nine years, to decide the successor to Jones, a spectator to Day's brilliant finish.

While the rest of the favorites either skidded quickly out of the picture or failed to make more than a few threatening gestures, Von Elm and Burke put on a two-man show in the closing round for the benefit of close to 8,000 spectators who first cheered the easterner home and then galloped in the wake of the westerner to roar acclaim for his fighting finish.

Burke's four steady rounds showed him with figures of 73-72-74-73—292. While Von Elm, alternately more brilliant and erratic, wound up with scores of 75-69-73-75—292.

Burke finished about an hour ahead of his rival with a fine 73 as Von Elm, harassed by the galling gallery, began the hemisphere jaunt and immediately encountered difficulties as he sought to hold his edge. He was all over with Burke, three holes to go and three par fours needed to tie.

When he three-putted the 14th, Von Elm appeared to be slipping fast. But Von Elm proved his qualities by delivering the telling punch on his last chance. He got his par four on the 17th, then hit a beautiful drive from the last tee. His pitch was hole high, 15 feet to the left of the 225-yarder. The putt for the birdie three and a tie was never in doubt after it left the club head.

Leo Diegel, from Augus Calente, came strong with a final 72 but it was only good enough to give him third place with a total of 294. In a triple tie for fourth place where Gene Sarazen of New York, Mortie Dutra of Long Beach, Calif., and Bill Mehlhorn of Pinewood, N. J.

## MOORE, WINNER OF ALTOONA RACE

ALTOONA Pa., July 4.—(AP)—Lou Moore, of Los Angeles, a veteran despite his 25 years, raced over the board oval here today to lead a field of fourteen drivers from start to finish and win the 100-mile Independence day automobile speed event.

Maintaining an average speed of 108.7 miles an hour and finishing in 53 minutes, 10 seconds, Moore set a pace which none of his competitors could equal and only Jimmy Gleason, Philadelphia, and Wilbur Shaw, Indianapolis, could approach. Moore finished nearly a mile ahead of Gleason, whom he had lapped just after passing the 50-mile mark, and had to good two-mile margin on Shaw.

Back of the three leaders came a parade of west coast entries, with three Los Angeles men—Fred, Frank, Tony Giulitto and Shorley Cannon—taking fourth, fifth and sixth places. Paul, East, Matthew, N. C., was seventh; Mill Jones, Cleveland, eighth; Al Aspen, Philadelphia, ninth, and Gene Hauser, Detroit, tenth. Four others did not finish.

## WIMBLEDON NET HONORS WON BY AMERICAN STARS

LONDON, July 4.—(AP)—American tennis players celebrated Independence day in old England today by carrying away three of the most prized titles in world tennis—the Wimbledon championships.

Stanley H. Wood Jr., 19, the youngest man ever to hold the title, is the new singles champion; George Lott Jr., and John Van Ryn are the new doubles kings and Lott and Mrs. L. A. Harper, mixed doubles champions. England saved the women's doubles from the wreckage. Mrs. D. C. Shepherd-Barron and Phyllis Mudford winning the title. Chill Austen, the little German fraulein, yesterday succeeded to the singles throne vacated by Mrs. Helen Wills Moody.

With Frank X. Shields defaulting the singles title to his former schoolmate, Wood, on account of an injured leg, the doubles match between Lott and Van Ryn and the veteran French doubles combination, Henri Cochet and Jacques Brugnon, held the most interest of the day.

The Americans won in five bitterly contested sets, 6-2, 10-8, 9-11, 3-6, 6-3, rallying for the victory after they appeared to be on the road to defeat and blasting Cochet and his partner of the court in the final set with an exhibition of sparkling tennis.

Returning to the courts two hours later, Lott paired with Mrs. Harvey to easily defeat Ian G. Collins and Joan Ridley of England, in the mixed doubles final 6-3, 1-6, 6-1.

The third final to be contested was the women's doubles, in which Mrs. Shepherd-Barron and Miss Mudford defeated the French pair of Doris Meixner and Josane Sigart, 3-6, 6-3, 6-4.

By winning the men's doubles with Van Ryn, Lott established a new international record for doubles play. He is a co-holder of the United States, French and British titles. He holds the American title with John Hope Doug, the American singles champion and shares the French and British crowns with Van Ryn.

## SCHMELING WILL FIGHT CARNERA AGAIN IN SEPTEMBER

Teuton Champion Wins Fortune—Promoters Report 'Slight Loss' But Satisfied as Max Now An Asset to Ring.

By Edward J. Neil  
(Associated Press Sports Writer)

CLEVELAND, July 4.—(AP)—The poker players of the fight game counted their chips today, for some there were losses, for others profits in the game the faithful played with Max Schmeling, Young Stripling and the Madison Square Garden corporation of Ohio.

The big winner of course, was Schmeling the surprising Teuton who defended his heavyweight title in the huge Cleveland municipal stadium with such methodical savagery and power last night as he blasted Young Stripling from the challenger's role in fourteen seconds less than 15 rounds. Another winner was the city of Cleveland, owner of the magnificent amphitheatre on the shores of Lake Erie, while the Garden and Stripling were the big losers.

Counting the chips today, the Garden found that it has suffered a "slight loss" on the gross gate of \$249,415, that 30,930 cash customers offered last night to see the second heavyweight title battle in the history of Ohio. Of the net receipts, \$273,710 after government taxes of \$75,705 has been subtracted. Schmeling the conqueror received 40 per cent. This amounted to \$106,128 while Stripling's 12 1/2 per cent share totalled \$33,168.

"We are satisfied with the showing made here in the new Cleveland stadium," Promoter Dick Dunn declared. "We are not crying at a little loss, for we feel that Schmeling, before the fight a somewhat discredited champion, now is entrenched in his title position and is a good investment and a distinct asset to the garden."

Immediately after Schmeling forced George Blake to declare the southerner the loser on a technical knockout, Joe Jacobs, manager of the champion, and Leon See, pilot of Primo Carnera, went into conference. They announced that the Italian giant and Schmeling would meet somewhere September 17, with the championship at stake.

Miss Mary Edmiston went into the finals of the ladies' singles to oppose her sister Helen, when she noted out Mrs. Dorothy Pruitt of Medford in a hard-fought three set match. Jimmy Edmiston, present title holder, teamed with Harry Butler in the doubles and went to the finals with a straight set victory over Carter Boggs and Rodger Earley.
