LIONS ON RECORD
FAVORING SEWAGE
DISPOSAL BONDS

The Lions club went on record... favoring passage of the \$235,000... bond issue for provision of a new... sewage plant in Medford, at the... luncheon today noon at the Hotel... Holland.

The need for the new plant was... advanced in talks given by W. W. Allen, chairman of the health com... mittee of the city council; Dr. L. D. Inskeep, City Attorney Frank Farrell, City Engineer Fred Schefel and J. O. Grey, who has been a member of the city council since the Alender administration.

The deplorable condition of Bear creek, resulting from the present disposal system and threatened suits of property owners of the Bear creek locality, were presented and the people urged to realize that the problem confronted is to be solved by them, not by the city council.

Following discussion a motion was made by J. Vanne Shangle, asking the club to go on record as favoring the proposed project. The motion was seconded and carried.

A report of the convention held in La Grande was given by Lion Harding. It showed that 17 new Lions clubs were organized in Oregon last year.

Lion President G. W. Newberry presided at the luncheon and the meeting opened with introductions of all members, which took on many clever angles before the trip around the table was completed.

Communications

Favors Sewage Bonds.
To the Editor:
If there were an imperfection in the sewer connection at your home and the doctor told you it might result in serious illness in your family, you would have it fixed at once, wouldn't you?
Even if you were short of cash and really could afford no extra expense, you would not quibble over a few dollars with the health of your wife and your children at stake.

You would, if necessary, give up something else, rather than run any chance of serious consequences—illness, perhaps death. Such action would not only be common humanity, but also common business sense, for nothing is more expensive than serious illness, quite aside from the worry, headache and perhaps heartbreak that it may involve.

Well, the city of Medford is in precisely that position, in regard to its sewer system. The old system is outgrown, the present system is inadequate and costly to maintain; but more important, the medical profession is agreed—from the state board of health, through the county health department, to the city health department—that this imperfect system is a menace to the health of the people of this city, and may at any time lead to serious consequences.

Yet we have some citizens opposing this reconstruction of the sewer system, on the ground that it will cost \$235,000, or about \$20 for every man, woman and child in the city.

—Is \$20 too much for the life or the health of your son or your daughter—\$20 spread over a period of 10 or 20 years?

Of course it isn't. But perhaps you think there is no real danger—that this is just propaganda to get you to vote for the sewage disposal bonds.

Well, if that is your opinion, then I suggest that you write the state board of health, and ask them. Certainly, they can't help, any selfish interest in the matter, or be concerned in any way with local politics.

I would willingly abide by their decision, for I happen to know what their opinion has been in the past and what it must be today.

I also know what the opinion of any reputable physician, familiar with the facts, would be.

True, Medford might be lucky and get by. Such things have happened in the past. They might happen again. But for \$20 do you want to take the chance?

I certainly don't. I don't believe you, or anyone else, does. There are other important reasons for voting these bonds, such as danger of damage suits, polluting our streams, giving work to unemployed and taking advantage of a favorable bond market, but the big reason is protecting the health of the people of this community.

And when public health is at stake, I don't know how others feel about it, but I know how I feel—I feel that money is no longer a vital factor. I don't mean we want to waste a dime, or spend a cent more than is absolutely needed—but I do mean I want to spend every cent that the protection of the health of the men, women and children in this community demands, and the sooner it is spent for such a purpose the better.

R. V. WILLIAMS.
Medford, Ore., July 7.

BENNETT FACES
TRIAL ON FRIDAY

Frank Bennett, charged with a felony offense involving a girl, will be placed on trial in circuit court, after being more than three hours in the county jail. He is defended by Attorney Thomas Fritze.

Bennett, with Richard Fritz, agreed to have taken two girls to a party last evening. During the party they visited the cabin of Mrs. Wilson, an aged man, in such district, when Wilson is charged with having offered the girls to a party.

He was arrested on a charge of the delinquency of a charge.

Bennett and Fritz are married. Fritz was found guilty of a misdemeanor charge. Bennett is indicted on a felony statute.

JACKSON COUNTY

WAGSDALE FAMILY
CONTINUING RALLY

Nine members of the Jesse Wagsdale family, stricken with meningitis Sunday morning, after eating canned beans at a Fourth of July picnic, are in an improved condition today, according to Dr. W. W. Stearns, who visited the family at Trail last night.

It is believed that all will recover, in spite of the high fever and violent paroxysms of the disease experienced Sunday and Monday.

The germ, which caused the meningitis, was isolated in tests by the county health department, completed today. It is known as bacillus dysenteriae.

SMALLPOX
CASES REPORTED

Three cases of smallpox were reported today by Dr. B. C. Wilson, health officer, with four in Medford, two in Table Rock district and two in the Prospect district.

Thirty-four people from Prospect heard of the epidemic in Medford and were vaccinated by the health department.

Wilson today advised vaccination for all who have been exposed. He left early this afternoon for Prospect to investigate the cases at the camp which has formed near there by unemployed families, in order to avert an epidemic.

DEPEND ON ZEMO TO
RELIEVE ITCHING ECZEMA

Soothing, healing, invisible ZEMO is used in thousands of homes to bring relief from the torture of itching, burning Eczema. ZEMO has been used for twenty years with remarkable success to stop itching and draw the heat and sting out of the skin, and help clear away Rashes, Ringworm, Pimples and other annoying skin or scalp irritations. Extra Strength ZEMO especially adapted for chronic cases. All Dealers, 35c, 60c, \$1.00. Extra Strength—\$1.25.

SOCIETY

Twin Plunge Popular With Medford Folk
Interest in swimming is on the increase this week with members of all groups turning to the sport as a favorite diversion. The Twin Plunge in Ashland has been the scene of several informal parties.

Among Medford people who spent last evening there are Mr. and Mrs. F. T. Parsons, Mr. and Mrs. Pres. Drew, Jack Puhman and Waldo Sears.

Edgells to Entertain For Summer Guests
Mrs. Stewart Patterson of New York and Mrs. Helen Rutherford of San Francisco, who are guests in this city of Mrs. Black Preston, will be honored this evening at a supper party to be given by Mr. and Mrs. Corbin Edgell at their home on Berkeley Way. Twenty-four guests have been invited for the affair.

Graduate Nurses Plan Picnic On Applegate
The Graduate Nurses' association will meet tomorrow at the home of Miss Katherine Buckley on the Applegate for the annual picnic of the group. Swimming will be enjoyed during the early evening.

Miss Buckley will be assisted as hostess by Mrs. Bessie Taylor and Miss Maude Demorest.

Katherine Stearns Leaves Next Month for Camp
Miss Katherine Stearns, daughter of Dr. R. W. Stearns, will leave August 1 for Chaparral Camp, California, having won a scholarship to the camp as a member of Girl Scout troop No. 1. Miss Doris Bashaw, daughter of Mrs. Elsie Bashaw, also won a scholarship and left for the national camp July 4.

Hansens Guests Here From South
Mr. and Mrs. C. N. Hansen and son, Preston of Oakland, California, are guests here of their respective parents, Mr. and Mrs. C. N. Hansen, Sr. and Mrs. A. R. Phipps. Mr. Hansen will return south Sunday and Mrs. Hansen will remain in this city for the summer.

McMaths Return From Washington
Mr. and Mrs. C. B. McMath and daughter, Flora, who motored north with Mrs. Matthews, upon her return to Spokane last week, have returned to their home here. While away from this city they visited in Seattle, Tacoma, Portland and Spokane.

Meedames Wilson and Durno Entertain
Mrs. Jack Porter was honored guest this afternoon at a delightful bridge luncheon given by Mrs. B. C. Wilson and Mrs. Edwin R. Durno at the latter's home. Following the luncheon there were six tables of bridge in play.

Little Dog Keeps Faith Though Left Hungry By Thoughtless Masters

(By Eva Nealon.)
The faith of a mustard seed might move a mountain, in accordance with the scriptures, but it won't bring back a fellow's family, which has moved away, nor fill a little dog's empty stomach—so the black and white fox terrier, convalescing at the humane society shelter, learned last week.

He believed, and nobody came home. Each day for two long weeks he strolled about his yard, guarding the threshold over which his master customarily passed, defied neighbors who attempted to enter his domain, and all he conjured up was a very empty stomach.

Neighbors attempted to inveigle him from his yard when they discovered he had been deserted, but the little dog refused to leave and waited each evening at the doorstep, with his ears perched at high attention.

He was coaxed to eat a little food, but grew thinner and thinner and appeared one day with a badly injured eye, supposedly obtained in a night conflict with a trespasser.

The humane society was called and Opie Stafford, humane officer, after cajoling him for some time, got the fox terrier into his wagon. He is now eating three meals a day at the humane society shelter and gaining weight. His name has not been learned, but Mr. Stafford is thinking up a new one for him in case the old one never is told. He will probably lose the sight of one eye.

There were 38 strays taken in by the humane society last month. Eight were sold to new masters, two taken out on approval, and seven—old and ill, put to sleep. Seventeen were given to new masters.

Twenty-eight cats were housed at the shelter and 10 of them put into new homes. There are now three beautiful blue Persians awaiting adoption.

Don't Sacrifice the certain purity of Kotex

HAVE you ever considered the wonderful protection offered by the name, "Kotex"?

This name is your protection against carelessly manufactured sanitary pads. It is your protection against doubtful cleanliness... against actual health risks!

Remember the name, Kotex, when tempted to try a substitute of whose makers you know nothing.

Many pads are cleverly made to look like Kotex. But the name Kotex is your guarantee of hospital

care in making. Indeed, hospitals buy millions of Kotex pads each year.

Kotex is treated to deodorize. It is adjustable. Stays soft for hours. Disposable—wear it on either side with equal protection.

KOTEX
Sanitary Napkins

CITY PLAYGROUND
HOP-SKOTCH TITLE
TO MABLE O'NEILL

The first hop scotch tournament at the city playground was completed last week. In the finals Mabel O'Neill defeated Johnny McKee in a closely contested match.

This week the elimination horse shoe tournament opened. In the first round there is Lee Hubler vs. Earl Coss, Rodney Rasmussen vs. Bob Littrell, Galen Knox vs. Russell Jordan, and Joe McKee vs. Johnny McKee. The McKee boys played their match yesterday, Joe winning.

Monday the Jacks tournament will start. There is room for many more entrants. Boys will compete with boys, and the girls with girls. Players entered so far are: Emma Jane Brewer, Mabel O'Neill, Dot O'Neill, Josephine Tucker, Earl Coss, Jim Horner, Bobby Gail, Bobby Robinson, Chester Holman, Johnny McKee, Ray Erickson, Joe McKee and Reese O'Neill.

Lampert's sporting goods store is giving a prize to the winner of the girls' tournament and one to the winner of the boys' tournament. All children interested should sign up on the chart in the Boy Scout room.

Of special interest to the little tots is the news that the wading pool is now ready for use.

Mr. and Mrs. Holmes Return From South
Mr. and Mrs. Cole Holmes and son Bobbie, returned yesterday from San Francisco, where Mrs. Holmes and young son visited her parents, Mr. and Mrs. McKenzie, for the past month. Mr. Holmes motored to the bay city over the week end to accompany them home.

Covered Dish Supper Thursday
W. W. G. covered dish supper will be held Thursday evening, July 9 at the home of Lucile Shirley, 420 Laurel street at six o'clock. All are asked to bring their own service, and the girls have been requested to bring white cross work.

Miss Hargrave Here From Berkeley
Miss Gertrude Hargrave, who has been traveling in Alaska during the early summer, arrived last evening to spend a short vacation with Medford relatives and friends, before continuing to her home in Berkeley. She is a guest of Miss Gertrude Weeks.

Garden Party Postponed Until Evening, Thursday
Members of the Medford Garden club are inviting their husbands to attend the garden party at Mrs. Carl Swartz's home Thursday. The affair will be held at 7 o'clock in the evening, instead of at 2:30 as originally planned.

Past Noble Grands Plan Thursday Party
The Past Noble Grand club will meet at Jackson Hot Springs for a basket dinner Thursday evening at 6:30. All Past Noble Grands and families are invited.

Motor to Crater Lake Today
Mr. and Mrs. L. Bradfish of Long Beach, Cal., who are guests in this city of Mr. Bradfish's brother, C. Earl Bradfish, are enjoying a motor trip to Crater lake today.

W. C. T. U.'s Meet Thursday Afternoon
A meeting of the W. C. T. U. has been called for tomorrow afternoon at the home of Mrs. W. T. Berry.

Hills Bros. Coffee is packed in vacuum cans. Air, which destroys the flavor of coffee, is removed and kept out of these cans. Ordinary "air-tight" cans won't keep coffee fresh. But Hills Bros. Coffee is always fresh! Order some today. Ask for it by name, and look for the Arab trade-mark on the can.

Hills Bros. Coffee, Inc., San Francisco, California. © 1931

BOOTERY ANNUAL
SALE WILL OPEN

The Bootery's semi-annual shoe sale will begin tomorrow morning, Thursday, at 8:30 o'clock, offering southern Oregon women another opportunity to purchase high grade

ON GREENS
When the salad is served between the main course and the dessert, it should be appetizing, light and tart. It should not be too heavy. The fresh simple flavors of greens are most appropriate. Lettuce, endive, cucumbers; or cold vegetables, such as asparagus, Brussels sprouts or string beans. These salads suggest a tart, stimulating dressing... Bachelor Club Dressing, Vinaigrette Dressing, or French Dressing.

To make French Dressing: Mix twelve tablespoonfuls of Wesson Oil, one teaspoonful of salt, one-quarter teaspoon of pepper, three tablespoonfuls of vinegar, and a dash of paprika.

ON FRUITS
Fruits, fresh or canned, have a more pronounced flavor than the simple greens. They call for a dressing less sharp, with perhaps a dash of sweetness or the tang of cheese, to encourage them to give us back their sunshine and full fresh flavor.

The next time you have a fruit salad, try this Cheese Dressing: Cream two packages of cream cheese with four tablespoonfuls of Wesson Oil. Blend one-half teaspoon of salt, one-quarter teaspoon of paprika, one-eighth teaspoon of white pepper, one and one-half teaspoonfuls of granulated sugar, four tablespoonfuls of Wesson Oil and one of lemon juice. Beat into the cheese until it becomes light and fluffy. Then dust with paprika to give color to the dressing.

ON SEAFOOD
When salad is the main dish at a meal, as at luncheon let us say, and boasts the full flavor of lobster, crabmeat, or shrimp, the finished salad should be garnished with Lemonaise (mayonnaise made with lemon juice), or Tartar Sauce, but the fish should first have been marinated.

*To marinate: Mix twelve tablespoonfuls of Wesson Oil and three tablespoonfuls of vinegar. Add one teaspoonful of salt, one-quarter teaspoon of pepper. Pour this over seafood and set aside in the refrigerator for several hours. Serve with Lemonaise.

footwear at remarkably low prices. New styles in spring and summer sport and dress shoes will be grouped in a number of price ranges so that customers may shop conveniently. Because of the unusually low prices there will be no refunds, exchanges or charges for purchases made during this sale.

The semi-annual sales conducted at The Bootery in Medford for many years have always been looked forward to by women of this community, who take advantage of the reduced prices on quality footwear.

Berry Picker Drowns
SALEM, Ore., July 8.—(AP)—Adrian Jerman, 20, berry picker, was drowned in a Willamette river gravel pit 13 miles south of here last night while swimming. He sank without outcry 15 feet from shore, and rescue attempts failed. His body was recovered two hours later.

Mustard on Ham but.. not on Grapefruit

Mustard on cold meats tastes mighty good, but don't try spreading it on your grapefruit next Sunday morning... for some things go together and some do not. The same thing is true of salads and salad dressings. Why make salads of orange, grapefruit, pears, cucumbers, asparagus, string beans, shrimp, crabmeat or lobster, and smother all their different flavors under a heavy dressing like mayonnaise? No! It just won't do.

mix a dressing appropriate to the salad

If you have a salad of light greens or vegetables, select a tart dressing like Bachelor Club, Vinaigrette or French Dressing. For fruit salads, try a rather sweet dressing or one to which a dash of cheese has been added. Seafood and Lemonaise seem to be meant to go together. But before the salad is made the seafood should be marinated in French Dressing.

We would like to send you with our compliments, a little book by Mary B. Murray on appropriate salad dressings... a book that not only suggests what dressings go with what salads, but which offers many helpful suggestions to the hostess as to correct salad service. Send your name and address to The Wesson Oil People, 210 Baronne St., New Orleans, La.

LUKEWARM WATER WILL SAVE COLD CASH

WHITE KING GRANULATED SOAP

Use in Basin-Tub-Dishpan or Washing Machine

FOR EVERY HOUSEHOLD USE

FINE FABRICS can't stand scalding water! You might as well throw dollar bills in the fire... Probably you know that. But perhaps you've been unable to get things completely clean without hot water.

Then you'll be glad to know of White King Granulated Soap. It's made from the purest vegetable and nut oils—oils good enough to eat. The result is that White King produces quick, rich suds, and rinses thoroughly and swiftly, in the lukewarm water that filmy silks and fluffy woollens demand. Lukewarm water spares the skin of tender hands from irritation too.

Try White King Granulated. The same purity that makes it effective in cool water overcomes the problem of hard-water washing. White King washes everything—fabrics, dishes, silver, glass, floors, woodwork. And it's economical. You need only a teaspoonful for the wash basin, a cupful for the washing machine—even less in soft water. It's condensed. Put it on your list for today. Sold by your dealer.
