There is one simple yet inexpen ive way to reduce inflammation of wollen toe joints and help get them omewhere near normal and that to apply Moone's Emerald Oil

Ask Heath's Drug Store, Jarmin & Woods or any first-class druggest for an original two-ounce bottle of Moone's Emerald Oil (an 85c bottle lasts 2 weeks) and refuse to accept anything in its place. It is such a highly concentrated preparation that two ounces lasts a long time and furthermore if one bottle does not give you complete satisfaction you can have your money refunded.
