

# Salem Juniors Blast Hopes of Medford by 15 to 2 Victory

## OUTCLASSED IN ALL BRANCHES EXCEPT HURLER

### Visitors Take Early Lead—Double Play by Locals a Feature—Lewis Clouts Homer in Fourth Inning

The strong Salem American Legion junior baseball team won the western Oregon title here yesterday by defeating the local juniors 15 to 2. The Salem team, or more exactly the Marion county team, put on the best exhibition of baseball seen here in many seasons, in the opinion of old timers who witnessed the game.

The Marion boys gained an advantage in the first inning when they forced in three runs. Medford was never able to overcome or even equal this. Fielding by Salem was excellent. They made only one error, and made every play count to their advantage and to the undoing of the locals.

#### Defense Wobbles

Medford's field work was bad in all but a few places. A double play in the fourth when De Jardin was forced to hit with Perrin and Keeber on bases was the outstanding hit by the Medford team.

Merritt, pitcher, was the one blinding threat to the Medford nine. For most of the nine innings it was Merritt against Salem. He received several ovations from the large crowd for his hard work which certainly deserved approval, noticeably lacking in his teammates.

#### Look Like Champs

Salem brought down a hunky bunch of boys, hard workers and above all, good baseball players. In the opinion of many who saw the day's game, they should put up a strong fight for the state championship at the American Legion convention in Corvallis next month. Two of the boys on the team were members of the Silverton state champions last year which went to Colorado in the regional contests.

One of Medford's two runs was a home run by Lewis in the fourth inning. He ran around the bases on his team's first hit. Mason, third baseman, and Schwab, playing first, chalked up homers for the Marion team.

#### Locals Lose Heart

The bad first inning in which Salem scored three times was probably due in large part to the poor showing by the home team. They never seemed to get the idea that they were licked out of their heads. Salem's runs came from the first field, however, and the great pitching by Merritt field them down. But the seventh spelled the end. The visitors scored five runs on missed hits and wild throwing from right field.

After that, Merritt's cutting was lost. Salem scored once in the eighth and twice in the final inning. Medford's second marker came in the fifth.

## HORTON SMITH IN GOLF COMEBACK

ST. PAUL, Minn., July 27.—(AP)—Horton Smith's long, weary golfing depression is over.

After almost a year and a half of futile campaigning, the erstwhile "Joplin Ghost" finally overtook his notorious rival yesterday by winning the \$10,000,000 St. Paul open championship on the tide of a record, par-shattering score of 228 strokes for the 72-hole jaunt for good and fame over the Keller club layout.

The brilliant score which he carded with rounds of 69-79-87-73, gave him the first prize of \$2500 by three shots over the outstanding champion and runner-up, "Lightning Harry" Cooper of Chicago.

Portland, July 27.—(AP)—Portland turned accustomed eyes to the spectacle today as another army of golf stars swept over the course here to start the fourth major tournament to be held in the city in as many months.

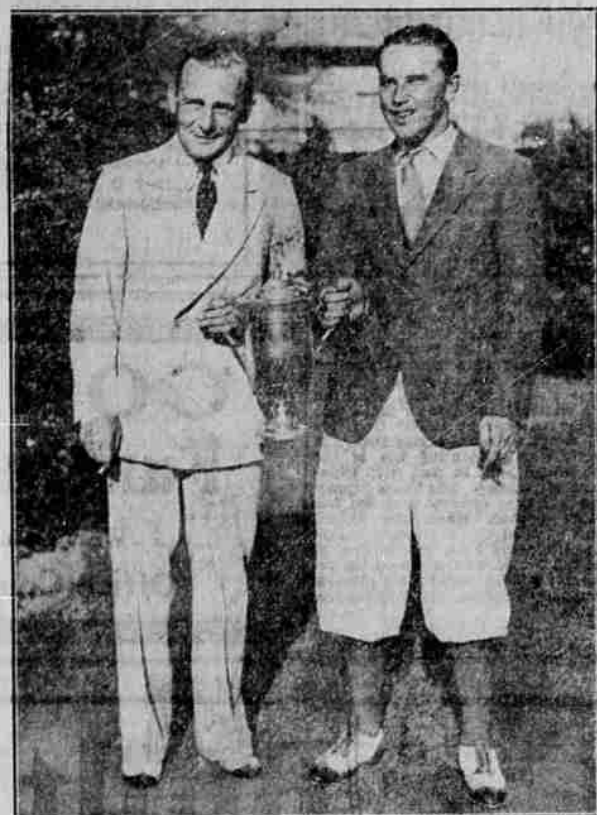

Today 325 youngsters from many parts of the state took the Portland Golf club course for the Oregon state junior play.

#### Watch for These

FORT COLLINS, Colo.—(UP)—A coral snake was found in Poudre Canyon near here recently. It was 19 inches long. The coral's bite is almost as fatal as that of a rattlesnake. The reptile has a flat three-cornered head, and about its body are rings of orange, cream, black and white colors.

Peanuts produced in Georgia are of an annual value of \$12,000,000. There are 24 state parks in Ohio.

## BATTLE FOR U. S. OPEN GOLF TITLE

George Von Elm (left), Los Angeles, and his professional rival, Billy Burke of Connecticut, battled long and hard over the Inverness club course at Toledo for the cup they are holding which is emblematic of the open golf championship of the United States. Deadlocked for two successive days an additional match was needed to decide the title.

## COCHET CARRIES FRANCE TO FIFTH DAVIS CUP TITLE

ANTWERP, France, July 27.—(AP)—For at least another year, France will hold the Davis cup, emblematic of international tennis supremacy.

Led by little Henri Cochet, the French best back a determined charge of Great Britain's youth team in the challenge round yesterday by the narrow margin of three matches to two.

Only Cochet's magnificent play saved the day for France. His singles partner, Jean Borotra, went down to double defeat, leaving Cochet to carry virtually the whole French burden. And the one-time ball boy of Lyons responded by whipping Henry W. (Bunny) Austin in his first singles match today, dominating play as he and his partner, Jacques Brugnon, won the doubles from George Patrick Hughes and Charles H. Kingsley on Saturday, and clinching the series in the final singles match against Frederick J. Perry, big British youngster yesterday.

## PORTLAND KIDS SWAMP ONTARIO

ONTARIO, Ore., July 27.—(AP)—Portland's East Side Commercial club baseball team advanced to the finals of the Oregon American Legion Junior league series by defeating the Ontario-Nyasa nine, 17 to 1, here yesterday.

The superior pitching of the Portland twirlers and lack of support for the local batteries contributed materially to the elimination of the eastern Oregon hope.

The score: R. H. E.  
East side 17 18 4  
Ontario-Nyasa 1 3 3  
Batteries: Todd, Long and Richards; Johnson, Baker and Beale.

## EAGLE PT. WINS FINAL PLAYOFF WITH CAVEMEN

### Cheesemakers Take 8 to 5 Victory in Second Game of Championship Series—Cook Shines On Mound

The Eagle Point Cheesemakers defeated Grants Pass, 8 to 5, at the fair grounds yesterday to win the second game of the playoff for the Rogue Valley league championship, and square the count in the three-game series. The game was one of the hardest seen here this season and was a tie most of the time until the eighth inning.

Eagle Point drove in three runs in the eighth to win. Cook, Eagle Point pitcher, featured. His fielding covered every play and he called the turn on what the batter would do in every instance.

His catch of a short fly intended for a sacrifice, and doubling the runner at first, would have been welcomed in any league.

Johnny Logan, Grants Pass center fielder, also gave a fine exhibition.

Sacramento and San Francisco split even in two games yesterday, games in which each team came from behind for its victory. The Seals won the first game, 5 to 4, after a two-run rally in the last half of the ninth inning, which showed them ahead of a Sacramento lead. In the second game, when they were trailing, 3 to 2, the Senators combined five hits and two seal errors for enough runs to take the game, 8 to 6. The series ended four all.
