

LEGION AUXILIARY DELEGATES READY FOR STATE MEET

Delegates and alternates from the Medford post, American Legion, and the local Auxiliary, who will attend the convention which opens in Corvallis Thursday, were announced this morning.

The local post will be represented by John Holmer, Walter J. Olmschied, Lee Garlock, Earl Fry and Fred Fry, delegates, and Wilson Walt, Lee Baker, C. T. Baker, G. B. Nichols and Roland Smith, alternates.

Delegates from the auxiliary, who will leave tomorrow for the convention city, are: Mesdames Humphreys, Helen Wilson and W. A. Holmway. Alternates will be Mesdames Belva Aiken, Amy Kent Smith and Miller.

The Auxiliary quartet, composed of Mesdames Cass Wynore, Cleaves, Henry Pace and B. R. Harwood, will also attend the convention and participate in the program. Mrs. Warren Butler, accompanist, and Mrs. Edward Leach are among others leaving tomorrow.

The auxiliary will present a stunt in the competitive show, featured at each year's convention.

The three big days, Thursday, Friday and Saturday, have been crowded with events for all legionnaires. Playing of the Junior League state championship games each afternoon will lead in interest with many conventionists and the games are going to be "wows," say the programs dispatched by the Oregon convention commission.

The "biggest and best" drum corps contest ever held in the state will be staged in a wonderful setting under the brilliant floodlight lights of Bell field, which affords ample seating capacity for 20,000.

Band concerts will be held both day and night throughout the convention. Friday night, following the drum corps contest, there will be 12 vaudeville acts. The grand ball will be held Thursday night at the Memorial Union building on the Oregon State campus, with music furnished by Cole McElroy's orchestra.

Wrestling matches, golf tournaments, bowling tournaments, air maneuvers, street stunts, parades and a carnival are among the other highlights announced for the three-day celebration.

MRS. NEFF HEADS POSTAL AUXILIARY

The Ladies' Auxiliary, No. 377, of the National Association of Letter Carriers and the Medford branch, No. 1439, N. A. of L. C., met at the home of R. A. Newland, 881 East Ninth street Monday evening for the first session since organization was effected June 21.

Officers elected to head the auxiliary at that time were Mrs. Helen Neff, president; Mrs. Lella Morrow, president; and Mrs. Pearl Newland, secretary-treasurer. Mrs. Newland and Mrs. Neff were delegates to the Salem convention, which was held July 11, at which time a state auxiliary was organized with Mrs. Grace Todd of Portland, president, and Mrs. Pearl Newland of Medford, state treasurer.

The meeting Monday evening was held as a get-acquainted meeting, although the ladies transacted some business. Among other things was the extraction of a dollar from their husbands' pockets, which was no small task. In fact Mrs. Harry Lawson had to chase her husband across the lawn several times before getting the money, but when she did catch him she took a five dollar bill.

J. B. Clary of Ashland, who was comfortably seated on the lawn, watched the race with unconcern. While the ladies were having their business meeting, the carriers were called to order by their president, R. E. Swan, with M. E. Harper as secretary, and a report of the Salem convention was read by R. A. Newland, who attended as delegate. After the reading and a short discussion of various subjects they adjourned to partake of refreshments served by the ladies.

Members present were: Mr. and Mrs. Adlai Neff, Mr. and Mrs. E. D. Scripser, Mr. and Mrs. R. E. Swan, Mr. and Mrs. Harry Morrow, Mr. and Mrs. Harry Lawson, Mr. and Mrs. M. E. Harper, Mr. and Mrs. Hans Rammin, Mr. and Mrs. J. B. Clary, Mr. and Mrs. R. A. Newland.

DAIRMEN INVITED TO CENTRAL POINT MEET

All dairymen of the county, whether members or not, of the Jackson County Dairymen's association, are invited to attend the regular monthly meeting of the association, to be held in the Grange hall at Central Point on Thursday evening, August 6. Notices of the meeting have been sent out by O. O. Maust, secretary of the organization. Many important questions concerning the dairymen at the present time will be discussed at this meeting, and as the membership is growing rapidly, a large attendance of dairymen is expected.

TENGWALDS HOME FROM LONG VISIT IN EASTERN AREA

Cheered up with long visits with relatives in Chicago and the sights of the eastern cities, Mr. and Mrs. Carl Y. Tengwald arrived home Saturday evening from their almost a month's trip east, during which they spent most of the time at Chicago, the former home of each, Carl joining Mrs. Tengwald following the Cleveland, O., national Shrine convention.

While their stay in the east was enjoyable, the only drawback being the hot weather that prevailed there during their absence, which made them think of Oregon's usual greenness and coolness and long for it, they were greatly disappointed on arrival home to find the hot weather had followed, or reached here ahead of them. This was especially notable as they returned to the coast by way of the Canadian Pacific route.

But like Jerry Jerome, who returned from the Cleveland convention a week sooner, they could talk for hours about the wonders of Chicago, especially its modern handling of traffic, new big buildings and general illumination inaugurated since they had last been in the great metropolis.

WHY SHOULD ANY MAN OR WOMAN HAVE GRAY HAIR?

Nature Will Keep Your Hair Youthful Shade and Free of Gray

LIFELESS GRAY HAIR REGAINS OLD BEAUTY

Everybody knows if color glands and hair roots are healthy and active, the hair will continue indefinitely a rich, natural color entirely free of gray or streaked locks. A doctor several years ago asked himself this question: If I can stimulate digestion, liver, heart, etc., with a tonic, why not rub a stimulating tonic into the scalp that will revive these inactive glands so nature in her own natural way will resume putting plenty of pigment into the hair tubes—surely the hair will then resume its original beautiful shades of youth and radiance of age or previous condition of their hair.

REMARKABLE DISCOVERY

The doctor's search led to endless experiments. He didn't want a dye or tint, and it, of course, must be harmless even if a person used it many years. Under the name Lea's Hair Tonic anyone may now purchase the tonic he finally perfected. For several years hairdressers, scattered over the country, have been using it. Results are so nice and gradual men used it too. It doesn't stain the scalp, and at a test one need only apply it to some small spot a few days to watch results. Shampoo as often as desired.

Most people are first induced to try Lea's for gray hair but it primarily was intended as a tonic to put the scalp, hair roots, pigment glands and hair in a healthy, vigorous condition. Of course with a healthy scalp comes a change in the appearance of hair and a restoration of the natural shade of brown, red, black, auburn, or blonde. There are some three thousand shades of color in human hair—no dye expert can paint one's hair as expertly as nature. Lea's Tonic stimulates nature to renewed activity, puts nature back on the job, you might say, and the tint she imparts to your hair, once the scalp, roots and glands become healthy is natural. What is more beautiful or becoming than nature's own choice of shade to match your eyes, complexion and beauty?

repopulation city. Funny how all the former Chicago residents stand by that old burg.

Carl spoke in polite terms of Cleveland as a beautiful large city, and referred to New York as a likely coming town. He found everywhere signs of the depression beginning to disappear, but was unkindly enough to state that in Chicago's business streets were remarkably free from panhandlers, compared with Cleveland, where during the Shrine convention the streets were prolific with them, despite the efforts made by the Cleveland authorities to suppress all such street begging at that period.

3 MILES OF TOWELS OFFERED AT MANN'S

Towels, towels, towels, three miles of them, will be offered tomorrow at Mann's Department store. At least that's just the amount of territory the towel event would cover if each were placed end for end. But nobody's going to place them that way for the towel mileage threatens to be greatly divided when the southern Oregon shopping population enters the store.

No estimates on the number of baths represented in three miles of towels, when the temperature is lingering around 100, are included in announcement of Mann's towel event, but the store promises to have plenty of towels to supply the season's demands.

HER HAIR WAS DRY, FELL OUT IN HANDFULS

Dandruff, Itchy Scalps and Gray Hair Worried This Lady

NEW TONIC FIXED IT

"My hair was streaked, dry and lifeless. Dandruff also bothered me and natural curl was all gone when I began using Lea's Hair Tonic. Now after using Lea's a short while my scalp feels fine, dandruff is gone, hair seems to be growing thicker and it is dark and lustrous and has ceased to fall out," writes Mrs. P. Bernier, Box 25, Clippert, Washington.

"I'm tickled with the appearance and condition of my hair now and it's so simple to use no woman should be without Lea's Hair Tonic."
