THUMBER'S SALUTE RESULTS IN PINCH

EUGENE, Ore., Aug. 7.—(AP)—A salute, resented by the recipient, led to the first case recorded under the new traffic rule forbidding the "thumbing" of rides by hitch-hikers. Fred Wortman of Indians, who gave the "salute," was fined \$10 in justice court today.

Wortman flagged Clay Choat of Albany near Junction City last night. When Choat failed to stop, Wortman placed his thumb to his nose and waggled his fingers. Then Choat changed his mind. He not only stopped but he got out of his car and started back toward Wortman. Witnesses said Wortman drew a razor and threatened the motorist, but desisted when other cars drew up.

MANY CARS COLLIDE IN MEDFORD TRAFFIC

Numerous minor accidents are being reported on downtown streets this week with increased traffic caused by many trucks hauling fruit through town to the packing houses. Officers warn both truck drivers and drivers of other cars to use particular care. No serious collisions have been reported.

Mrs. Max GeBauer's car and a truck collided at the intersection of Main and Central streets last yesterday afternoon. Damage was slight. Several others have occurred on this same corner where traffic is probably heavier than anywhere else in the city.
