

BOYS AND GIRLS COLOR CONTEST

DRIFTED SNOW FLOUR

A Bright Little Girl

This little cook uses Sperry Drifted Snow Flour just like Mother. That is why she looks so happy. When you do all your baking with Sperry Drifted Snow Flour things always turn out right. That's because we watch Sperry Drifted Snow Flour so well in the making that you don't have to worry at all in the baking.

Ask Mother to buy the flour that has a picture of the Sperry Harvester on the sack.

EASY to WIN - LOTS of FUN

WEEKLY PRIZES OFFERED BY THIS NEWSPAPER

To the boy or girl who can color the advertisements on this page to be most representative of the original package, or article, five prizes are offered each week for the next five weeks as follows:

ASSOCIATED FLY SPRAY

"One Sniff and They're Stiff"

Good-bye to flies, ants, moths, mosquitoes, fleas, bedbugs and roaches. Associated Fly Spray is made by a new formula which insures control of both to these bothersome and filth-bearing pests. Unlike many others, it is a 100% active insecticide.

Just turn the Associated spray gun toward the ceiling and let 'er go! Associated Fly Spray will not stain or discolor fabrics, and will not rust or corrode metals. You can use it with perfect safety in every room in the house. A fresh, clean-smelling odor, too.

Remember to look for the bright, new red, green and cream package, as shown here. "Let's Get Associated."

Every Mother Should Learn This Lesson

For years health authorities have been urging mothers to use iodized salt daily on the table and in cooking. They say its use will positively prevent simple goiter, that common cause of loss of appetite, lack of vigor and backwardness at school. Thanks to Morton's Iodized Salt, countless thousands of Oregon youngsters have been saved from this all-too-common disease. Use it for your children's sake... and also because when it rains, it pours. 10c at all grocery stores.
