O'Neil Defends National Defense Policy

On Veterans' Service Certificates—Favors Care for Disabled.

Aug. 21.—(AP)—National defense policy advocated today in a statement by Ralph T. O'Neil, commander of the American Legion.

That no one had the right to speak for the Legion in the next congress, the commander explained. His statement was to clarify misunderstanding on the part of the public.

He said that the 50 per cent loan authorized by congress last year was not the matter of the act.

He said that the 15 per cent of the interest rate of four per cent should be made, he stressed, the money making money by their own reserve.

He said that the unemployment act would be passed, if the unemployment act were world war veterans.

He said that congress should legislate based on the war policies of the Legionnaire.

He said that the 1920 defense act should be carried out.

CENT A MILE FOR RIDES OVER S. P. SEPTEMBER PLAN

With cent-a-mile transportation fares on Southern Pacific lines re-inaugurated for the first time since May, the first two weeks of September are expected to produce record traffic throughout Oregon and other parts of the northwest, according to predictions today.

A. S. Rosenbaum, district freight and passenger agent for Southern Pacific, here, who announced plans for the new "Dollar Day" venture over the Labor Day weekend, expressed opinion that the low fares will stimulate extraordinary travel in all sections of the state and in adjacent territory.

Cent-a-mile transportation will be offered on three dates, Thursday, Friday and Saturday, September 3, 4 and 5, according to the announcement. A return limit of 12 days from the first date of sale—midnight of September 14—will be offered, he declared.

As in the instances of earlier "Dollar Day" sales conducted by Southern Pacific, tickets sold under the plan will be good on all trains, coach or Pullman, operated by Southern Pacific company on its lines from Portland to El Paso and from San Francisco to Ogden, including Salt Lake City.

Round trip tickets are sold on the basis of three-fifths the cost of the usual one-way fare, the transportation "bargain" being the outstanding event of its kind in American railroading.

The 12-day return limit on tickets is expected to be of unusual value to late vacationers throughout Oregon and other parts of the northwest, according to Rosenbaum.

The sale dates for the forthcoming event have been placed just prior to the Labor Day weekend in order to convenience travelers in all sections of the state.

Medford Canton Acts As Escort to Grand Master

Members of Siskiyou canton I. O. O. F. of Medford journeyed to Ashland last evening to act as escort to Homer D. Angel of Portland, grand master of Oregon, who paid an official visit to the Ashland lodge.

Next Monday evening Grand Master Angel will visit Central Point, where a joint reception will be held with Gold Hill lodge. At this meeting Medford lodge will present the gavel which was started on a circuit from Alturas on a circuit of northern California and southern Oregon lodges and presented to the local lodge last Saturday night. Medford members are expected to accompany the gavel in a body.

On Tuesday evening the grand master will visit Medford lodge in a joint meeting with Jacksonville lodge. A suitable reception will be accorded him. Work in the third degree will be a feature of the evening.

DITCH COMPANY SEEKS TO HALT FLOW DIVERSION

The Laurel Hill Ditch company, operating near the Josephine-Jackson county line, this morning filed an application in circuit court for a restraining order prohibiting nine land-owners of the lower Applegate area from alleged misappropriation of irrigation waters. Hearing on the complaint was set for next Tuesday morning.

Defendants named in the proceedings are Gladys Rose, E. J. Brown, William Carl, John Lettcken, George Forrest, Harry Pinley, Francis Pinley, Joseph Oscar and Fred Litchen. The complaint alleges each of the

defendants, at various times, has removed the headgate on the Laurel Hill ditch and diverted the water to the new Berryman ditch. It is further asserted that the headgate, as fixed by the watermaster of Jackson county, has been altered. The order asks that the headgate be again stationed to permit the flow of water, according to water rights as adjudicated.

The plaintiff alleges that by the actions of the defendants crops on 570.6 acres of land are deprived of water, now sorely needed.

Attorneys Frank DeSouza and E. E. Kelly acted for the irrigation company.

21 days pending investigation on bootlegging charges. He was cleared of all doubt.

Mr. Stepp came here last month from California and moved to 727 West Second street to live with J. W. Christian, who played baseball here earlier in the season. Shortly after Stepp arrived there, Christian left the city when he heard that the place was to be raided for liquor. Christian, it is alleged, was bootlegging at the time.

Officers took Stepp into custody and he was lodged in jail. After three weeks, the landlady testified that Stepp had no part in the bootlegging. An affidavit signed by Christian in California also took all blame from Stepp.
