'20 GRAND' WINS SARATOGA START

SARATOGA SPRINGS, N. Y., Aug. 22.—(AP)—Mrs. Payne Whitney's Twenty Grand scored a galloping victory in the ancient trayers.

Twenty Grand, making his first start since being crowned as the three-year-old titleholder by Mate in the Arlington classic, convinced a crowd of nearly 30,000 that he is again the Twenty Grand of the early season. The winner of the Wood memorial, the Kentucky derby, the Belmont and Dwyer stakes completely outclassed four capable rivals in earning \$33,000 and boosting his total earnings to \$211,575.

St. Briceaux, a stablemate of Twenty Grand, finished second, a length and a half back of his illustrious stablemate but four lengths in front of Sun Meadow.

Linus (Pony) McAtee sent the big bay son of St. Germans over the mile and a quarter in the fairly good time of 2:04 3/5. The victory was much more of financial asset to Mrs. Whitney than to the large crowd as the entry was held at the prohibitive odds of 1 to 5. A few takers St. Briceaux also picked up \$4,000 for running second.

Larry Gilbert, manager of the New Orleans Pelicans, began his baseball career as a score board operator.

BRITISH MATRON MEETS HELEN FOR NATIONAL TITLE

Unheralded Tennis Star Wins Singles—Boy Wonder Of California Defeats Perry Davis Cup Star

FOREST HILLS, N. Y., Aug. 22.—(AP)—Mrs. Helen Bennett Whittingstall, who two weeks ago was not considered a strong enough singles player to compete for England in the Wightman Cup matches, tonight stood between Mrs. Helen Wills Moody and her seventh national women's tennis title.

In two days the unheralded English matron has fought her way past two of the top ranking stars of their country and England to stand against Queen Helen in the finals.

Though recognized as an outstanding doubles star, she has never won a major singles title.

Mrs. Whittingstall today eliminated Betty Nuthall, the defending champion and England's No. 1 singles star 6-2, 3-6, 6-4. Yesterday she turned back Helen Jacobs of Berkeley, Cal., generally recognized as America's second greatest star, 3-6, 6-3, 6-6.

After watching the English girls wage their fight, there were few thrills for the fans in seeing Mrs. Moody dispose of her semi-final opponent, the hard-driving Phyllis Mumford of England, 6-2, 6-4. There were many extended rallies, and the British lass put up a determined stand toward the last, but it was no match when Queen Helen chose to beat down.

Mrs. Moody didn't let Phyllis get set for the forehand drives she had used to beat back four previous opponents. The Briton succeeded in tying the count at 4-4 in the second set, but Mrs. Moody calmly captured the next two with the loss of only three points.

In going through to the finals, Mrs. Moody has lost only 17 games in five matches and has not been in danger of dropping a set. She has not lost a set, incidentally, since the Wimbledon tournament of 1927.

Mrs. Moody and Mrs. Whittingstall will settle the championship tomorrow, but the doubles final will not go on until Monday.

NEWPORT, R. I., Aug. 22.—(AP)—Ellsworth Vines, 19-year old California sensation, established himself today as the outstanding amateur player of two nations by overwhelming Frederick J. Perry, British Davis cup star, 6-2, 6-4, 6-8, 6-2 in the Casino singles final.

Vines placed his name on the massive challenge cup under that of William T. Tilden II, who won last year, by riddling Perry's supposedly puncture-proof armor of steadiness with blinding back-hand perfection and such speedy court coverage that the Briton had barely time to get his racquet down into position after service.

After Styles grounded out, Dan Howley, Red manager, again took up the claim and protested so strongly that the decision was changed, after a conference between the three umpires and Styles was allowed to take first.

4 OPPONENTS FOR DEMPSEY PICKED

PORTLAND, Ore., Aug. 22.—(AP)—Carrying out his plan of providing four opponents for Jack Dempsey, to make sure the ex-champion has one for each round of his exhibition fight here Monday night, Promoter Ralph H. Gruman today announced signing of two 200-pounders and one 190-pound man. Big Bill Hartwig, Boston negro, had already agreed to meet Dempsey.

Gruman's announcement is that if Dempsey drops Hartwig, these men will be ready to hop into the ring as substitutes: Bob Frazer, 200, Seattle; Dave McRae, 200, Tulsa; Bob Marjels, 190, Portland.

The exhibition will be staged in the Multnomah civic stadium. Gruman said advance seat sales were highest in fight records for Portland. Dempsey is due here Sunday afternoon.

63 PLANES ENTER HANDICAP FLIGHT

SANTA MONICA, Cal., Aug. 22.—(AP)—Squinting on the municipal airport here like a colony of enlarged grasshoppers of varied colors, 63 airplanes piloted by 46 men and 17 women tonight awaited the start tomorrow of the trans-continental handicap sweepstakes air derby that ends in Cleveland.

Twenty-five thousand dollars in prizes awaits the winners in Cleveland where the national air races start August 29. The eight day flight will carry the pilots over 2,400 miles, the first overnight stop being at Calexico, Cal. The other overnight stops are Tuscon, El Paso, Amarillo, Bartlesville, East St. Louis and Dayton.

"Ladies' nights" at Topeka, Kans., wrestling bouts drew so many free customers that a rule was adopted compelling women to be accompanied by paying escorts.

CRATER LAKE NATIONAL PARK LEAVE PARK JOBS TO PLAY ROSEBURG FOR CAMPUS SOON

Medford's vaunted tennis team, built around a trio of youngsters, will attempt to prolong their record to resume studies at the University of Oregon, ten football players, all candidates for varsity positions this fall, are looking forward to the resumption of the pigskin season. They have been spending the summer laboring in the park and are in the pink of condition.

Of this number, Orval (Red) Bailey of Eugene has a good chance for an end position in the present plans of Dr. Clarence W. Spears, varsity coach, a visitor at the lake this week, conferring with Prince Gallison, freshman coach, a park ranger for the summer, Bernie Hughes, Medford, a park ranger, is in line for center together with Eric Forsta of Astoria, employed in the park until a short time ago.

Con Purry, Sand Point, Idaho, one of Callison's freshmen crew last year, is considered for a tackle position. Henry Hayden, Pendleton, and Red Wilson, Minnesota, two other hard-working park employees, who will probably be guards are expected to do much to strengthen the team.

Elmer Morgan, Medford, in the park until recently, is almost assured a tackle position, the same as William Bowerman, Medford, a former end position. Mike Mikulak, Eugene, formerly of Minnesota, who still has two weeks in the park and who played end on the frosh team last year, is due for a fullback position on the varsity.

Don Watts, Harrisburg, Pennsylvania, who did well last year as running mate of Johnny Kitemiller, spent several weeks in the park, and was planned by Coach Spears for a half-back berth. Watts is not apt to play because of a broken shoulder dating back to last season. The shoulder is not yet in the best condition.

Other football players who have been added drawn all summer include William (Butch) Morris, Portland, scheduled to be a member of the freshman squad, Orville Beard and Ronny DePittard of McMinnville, Lawrence Wingard of Los Angeles, Lawrence Winters of Eugene, and Charles Thomas of Medford who have been following the early to bed and early to rise practice of gaining football positions.

AMERICAN TRACK STARS OUTCLASS TRANSVAAL ACES

JOHANNESBURG, South Africa, Aug. 22.—(AP)—America's touring track and field stars today won ten out of twelve events in a meet with the combined universities of South Africa and the Transvaal, setting seven new South African records along the way.

The individual hero was big Barney Berlinger, late of the University of Pennsylvania. He won the discus, pole vault, shot putt and javelin throw—and set new marks in all four.

Rennett Toppino, crack sprinter from Loyola university, New Orleans, sped over a fast track under perfect weather conditions to a new South African 100-yard dash record of 9 3-5 seconds, taking the measure of Joubert by only a yard.

Joubert came back to win the 220-yard dash from Nate Long, University of Utah athlete, in 21.5 seconds. Joubert, believed fast enough by South African enthusiasts to take the measure of the fleet Toppino, aided in turning a crowd of 15,000. Toppino failed to race in the 220. In the mile event the South Africans scored their second victory when Grant of Transvaal raced home in 4:25.5. Frank Crowley, New York A. C. miler, did not compete, leaving the race entirely to South Africans.

Berlinger started his field day by flipping the discus 134 feet 4 1/4 inches, came back to leap 13 feet 3/4 inch in the pole vault and wound up by tossing the shot 47 feet, 10 1/2 inches and the javelin 184 feet.

The Universities of Alabama and Tennessee have signed a six-year contract for football games.

The Detroit Tigers have bought Al McElrath, 19-year-old outfielder of the Joplin Western association club.

The five-step hydroplane, a veteran of nine years of racing, won the three-heat race easily.

After capturing the first two heats in slightly better than 52 miles per hour, Reis drove his racer cautiously in the final running, contenting himself with third place for a grand total of 1,124 points.

Second place was won by John Wanamaker Jr.'s Louisa which finished second in the first heat, third in the second and shot by Miss Philadelphia, owned by John Shibe, to win the third heat for an aggregate of 1,085 points. Miss Philadelphia totaled 1,046 points.

PETERBORO, Ont., Aug. 22.—(AP)—Two new world speed marks were claimed today by drivers of outboard speedsters in the Canadian Power Boat association regatta.
