At Fox Craterian

Eddie Dowling, star of "The Rainbow Man," heads the cast of the delightful romance, "Honeycomb Lane," which is now playing at the Fox Craterian theater.

An Andy Clyde comedy, "Too Many Husbands," a Paramount act, "The Pest," and Metro-tone News complete the program at the Fox Craterian.

Starring At Holly

Lovers of music and romance are flocking to the Holly theater to see "Children of Dreams," the musical romance by Oscar Hammerstein II and Sigmund Romberg.

Paul Gregory, Margaret Schilling and a chorus of 100 voices are featured. Showing with the feature picture is a Pathe news reel and another lesson in golf by Bobby Jones.

"I should think that it would be big for her to carry." "Oh, not that big! Besides, it was the maid who brought it."

"She lets the maid open the safe?" "They weren't in a safe. They were in a drawer. But the maid seems trustworthy."

"And you resisted choosing?" said Molly. "It wasn't hard to resist—except I felt I'd hurt her feelings."

"I'll bet she says her prayers to those stones," said Molly. Juanita shook her head. "I thought of a little girl playing with her dolls."

"Did they invite you back?" "Yes, and—" Juanita's face lighted. Molly was so affable tonight. "Mr. Stander may come to see me. I couldn't tell him not to."

"Of course not," Molly looked thoughtful. "But don't fall in love." Suppose Juanita should want to get married! Odd Divitt hadn't foreseen such a possibility. "You aren't thinking of that, Juanita?"

Juanita had turned from her, whiteness dropping over her face. "You needn't be afraid," she said. "That's good," Molly rose. "Want it to be fun passing cigarettes to the old lady and knowing she don't know you?"

But, to Juanita's relief, Kirk and Mrs. Belaise were not there. Adrian Fouché was alone. He thought abundantly of cigarettes, and Juanita planned a carnation in his button-hole conscious of Cabrera watching from the wall.

Kirk and Juanita find the garden pleasant tomorrow. Meanwhile Divitt's Spanish caller may herald new developments.

As the accuracy of the hour-glass depends upon an even, continuous flow... a little at a time... so the marvelous, uniform flavor of Hills Bros. Coffee is produced by this patented process that roasts evenly, continuously... a little at a time. No wonder the flavor is superior to that of bulk-roasted coffee. Bulk-roasting requires guesswork, where-roasting requires guesswork, where-roasting requires guesswork. Coffee is under automatic control. No berry is underdone nor overdone. Perfect, unvarying flavor is positively assured! Every pound of Hills Bros. Coffee is strictly fresh too. For air, which destroys the flavor of coffee, is removed and kept out of the vacuum-roasting—that gives you all the bewitching flavor of the coffee berry... all the time.

AVOID "ASH-TRAY" BREATH

SMOKE PURE-TOBACCO OLD GOLDS

It isn't good tobacco that spoils the perfect evening... by clouding your breath with the odor of stale cigarettes. Lingering and unpleasant cigarette breath comes from the fumes of greasy, ARTIFICIAL flavorings.

OLD GOLD contains no such added substances. It is a PURE-TOBACCO cigarette... free of those oily, foreign flavorings that burn into clinging, staining, breath-tainting vapors.

Whether you are a heavy smoker or a light one, you'll like the Nature-flavored OLD GOLDS. Their clean, sun-ripened tobaccos are like honey to your throat... And they leave no objectionable odors either on your breath, your clothing, or in the room.

NOT A COUGH IN A CARLOAD CELLOPHANE SEALED

ALWAYS FRESH LIKE MONEY TO YOUR THROAT
