

BAD LUCK TAKES ATHLETICS TOLL AS SERIES NEAR

Mule Haas Probably Out With Broken Wrist for Balance of Year—Simmons Also On Bench List

(Associated Press Sports Writer) By Gayle Talbot.
Notwithstanding the comfortable lead enjoyed by his Philadelphia Athletics, things are breaking none too well these days for Connie Mack. "Mule" Haas, dependable center-fielder, is lost for the remainder of the season. A wrist broken several weeks ago, has failed to mend properly.

There is only a slight possibility that he will be back in time for the world series.
The champions have been playing for a fortnight with only one of their regular outfielders, Bing Miller, and with three fourths of their regular infield. Al Simmons, slugging left gardener, has been able to see little action. There is a possibility that rookies will be holding down at least two positions for the Mackmen when the big series rolls around.

Cochrane Back.
Mickey Cochrane, peppery little catcher, who was given a short vacation when he complained of dizzy spells during the team's recent western tour, returned to the line-up yesterday, apparently none the worse for wear. He batted three hits to help the A's take the first of a two-game series from the New York Yankees, 5 to 4.

For the second straight day the Cleveland Indians hammered out a one-sided triumph over the luckless St. Louis Browns, 13 to 1.
The Washington Senators and Boston Red Sox tried hard to supply another American league game, but were forced to let the rain have its way after three innings.

The National league's lone engagement served merely to stretch the St. Louis Cardinals' lead over the field. The Red Birds got to Larry French in the seventh and eighth to defeat the Pittsburgh Pirates, 6 to 4.

POLLUTION MAIN GAME PROBLEM

PORTLAND, Ore., Aug. 29.—(AP)—H. L. Kelly, new Oregon state game supervisor, in an address before the city club here today, said the real problem facing the state fish commission is that of stopping stream pollution.
The cities and towns along the Willamette river are destroying one of the state's most valuable assets, Kelly said. Kelly expressed the opinion that the solution of the problem would be brought about by "peaceable means." But if that fails then more severe measures must be taken.

DUCK SECOND SACKER SOON BACK IN GAME

PORTLAND, Ore., Aug. 29.—(AP)—Johnny Monroe, Portland's second baseman, who was injured in a game with the San Francisco Seals here Thursday night, said today he expected to be back in the lineup Sunday, and promised to be back no later than Tuesday.
Monroe's right knee and kneecap were dislocated when he collided with another player Thursday night and yesterday he discovered he also had sprained his right ankle severely.

BOSWORTH TELLS HOW TAXES LOST

KLAMATH FALLS, Ore., Aug. 29.—(Special)—Oregon politicians were blamed for the new plans to change the site of the California Oregon Power company across the state line into California, when H. P. Bosworth, district manager of the company addressed business men here Tuesday.
Bosworth claimed that the fact that his company's plans for expansion came up in a political year for Oregon is going to compel the California Oregon Power company to build its new Klamath river power plant in California, although the same water will be used, taken from farther down the river. He stated that Klamath county would lose \$100,000 a year in taxes because of the change in plans.

PELICANS TO PLAY E. P. HERE SUNDAY

The Klamath Falls baseball team will be the opponents of the Eagle Point team, headed by Hoosier Holford, at the fairgrounds Sunday. The Pelicans have been defeated twice this season by the Cheesemakers, after hectic struggles, and the coming game promises to be worth seeing. Eagle Point has its eye on the state semi-pro championship.

On September 6 and 7 the Eagle Point squad will play the Pacific Outfitters of Portland here, in a three-game series to decide the title for the western Oregon section. One game will be played on Sunday, September 6, and two games on Monday, September 6 (Labor day), is necessary to decide.
Al Cook will start the game Sunday for Eagle Point, with Cliff Best in the role of relief hurler.

PORTLAND POLICEMAN WINS RIFLE TROPHY

CAMP PERRY, O., Aug. 29.—(AP)—With all but one event in the national junior rifle matches concluded, approximately 200 police officers of the United States took the range in pistol and sub-machine gun matches today.
The Langrish trophy was won yesterday by Claude Shaylor of Portland, Ore., after an eight-way shoot-off.

GERMAN ABANDONS CHANNEL ATTEMPT

CAPE GRIZ NEZ, France Aug. 29.—(AP)—Fritz Fischer, German swimmer, today abandoned an attempt to swim the English channel to Dover, England, on account of a strong wind and rough sea. He was six miles out when he gave up the attempt.

New Pigskin With Eight Seams Easy to Pass and Kick

ATLANTA, Ga., Aug. 29.—(AP)—A new football, tested by many Dixie football coaches and players during recent weeks, is made of eight segments, instead of the usual four.
Proponents say it is much easier to handle, both in passing and kicking, than the ball used in previous seasons. Some point out it is harder to receive.

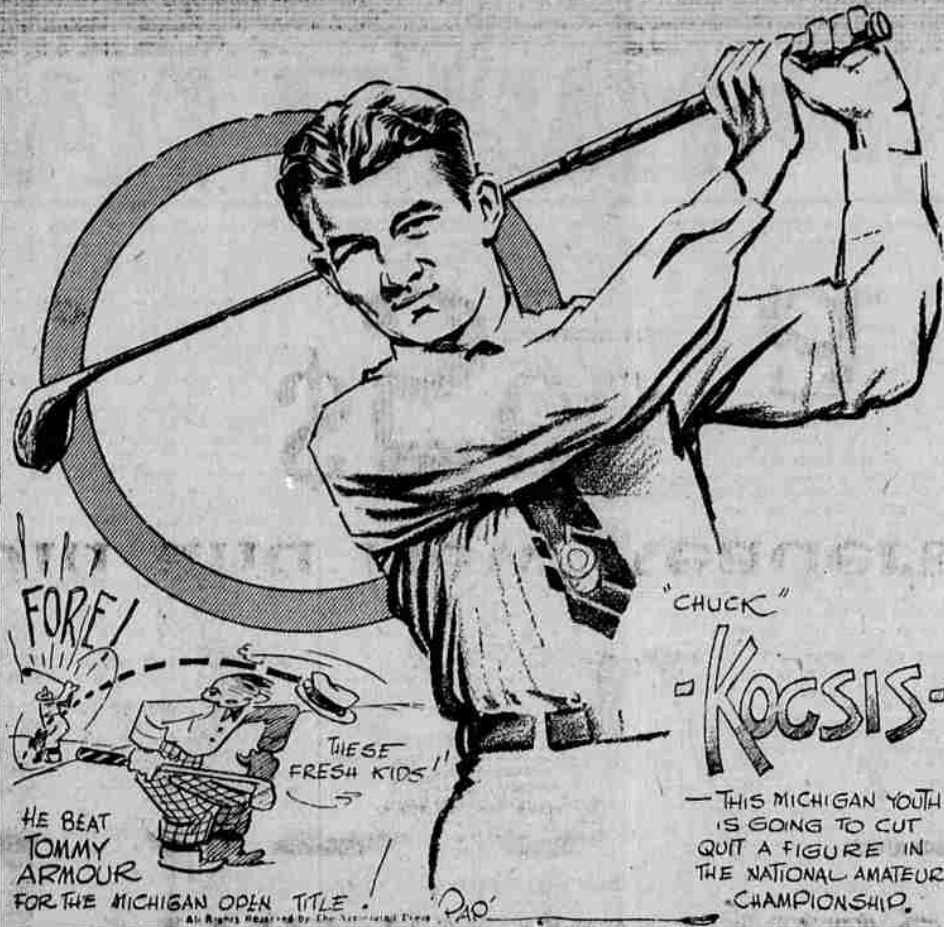

Everett Strupper, former Georgia Tech star and now an official, says it is legal and if the home team desires to use it, he sees no grounds on which referees can refuse.
He thinks one can get 50 per cent more accuracy in passing with the eight-seamed ball, and also get it away much more quickly in passing and punting. Players can locate the seams readily with their fingers.

Eugene Signs Trio For Dempsey Show

EUGENE, Ore., Aug. 29.—(AP)—Jack Baxter, Eureka, Calif., heavyweight, has been signed as a second opponent for Jack Dempsey, who will appear here in a four-round exhibition bout Friday, Sept. 4. Jimmy Byrnes, Coos Bay, will be the first man in the ring with Dempsey.
Henry Glanz, Portland, will be a third available opponent.

SEATTLE PAIR MAKE DOUBLE PLAY MARK

SEATTLE.—(AP)—Something of a record in double plays has been turned in by "Chick" Ellsworth and Freddie Muller, the keystone combination of the Seattle Indians, but President Harry A. Williams of the Pacific Coast league doesn't know just how much of one it is.
The Seattle team a short time ago had made 149 double-killings, with Ellsworth, shortstop, and Muller, second base, doing most of the work.

Williams said he was sure this was a new record, but he had no way of proving it. League records were destroyed in the San Francisco fire many years ago and since then double play marks have not been kept.

What-a-Man Shires Sold to Athletics

MILWAUKEE, Aug. 29.—(AP)—The Milwaukee Sentinel said Arthur "The Great" Shires, first baseman of the Milwaukee American Association team, has been sold to the Philadelphia Athletics in a deal involving \$20,000, and two ball players, one of whom will be Phil Todd, reserve first baseman for the Athletics.

PORTLAND AGAIN SNATCHES LEAD FROM FRISCANS

(By the Associated Press)

A free hitting contest between Los Angeles and Seattle and the untiring again of the close first place race between Portland and San Francisco Coast league games.
Portland beat San Francisco, 4 to 1, to once more step ahead of the Seals as league leaders. All in this week, the Beavers and Seals have been tied twice for first place and twice Portland had edged ahead.
The Angels evened out this week's series by defeating the Indians, 15 to 13. Five Seattle pitchers allowed 19 hits and two Los Angeles hurlers were nicked for 22.
Taking advantage of the wildness of Chester Mission pitcher, the Oakland Aacoris grabbed an 8 to 2 victory.
With Dave Barbee smashing out two home runs to score a total of five runs, Hollywood's Stars downed Sacramento, 7 to 5.

DOMINIE WINNER OF SCATTER GUN TITLE AT TRAPS

VANDALIA, O., Aug. 29.—(AP)—The Rev. Garrison Roebuck, a United Brethren minister of McClure, O., until yesterday virtually unknown in clay target circles, held today the most highly prized honor in the gun world—the Grand American handicap championship.
Shooting at clay targets for only the tenth time, Roebuck brought the classic of the amateur trapshooters' association tournament back to Ohio for the first time since 1926.
Breaking 96 out of 100 targets from the 17-yard line, Roebuck tied with Fred Harlow of Newark, O., and R. F. Willbaum of Greenville, O., and then continued on to win by breaking 65 of 75 targets in the shootoff.
The Rev. Mr. Roebuck's victory netted him more than \$1,000 in cash and trophies.
Miss Joannette Jay of Waverly, Ia., winner of the north American women's championship earlier in the week, led feminine shooters with a 92.

Bailey May Again Become Candidate

EUGENE, Ore., Aug. 29.—(AP)—Edward F. Bailey, formerly Oregon state senator and democratic nominee for governor last year, said today he had received many letters urging him to become a candidate for congress. He said he was considering the matter.
"I am pleased at the interest people in the district are taking in the possibility of my candidacy," Bailey said. "However, it probably will be some time before I reach a definite decision in the matter."

With Rod and Gun

The salmon have started to spawn in the upper river near McLeod, it was reported this morning. Fishing with eggs will be fine and anglers are expected to take to the Rogue in large numbers.

Reports from Grants Pass state that seven steelhead were recently taken from the Pierce riffle, the first below Weasaku Inn. Several have also been caught in the vicinity of Galice.
Dark flies are described as the best lure with the Rogue supreme, red ant, flying caddis and march Brown the leaders.

One of the most popular fishing places tomorrow will be the creek below Fish lake. There are plenty of fish and the creek is easily reached.
Val Fischer spent Thursday afternoon there and states that he caught 34 and his wife 17 eastern brook trout during two hours of fishing. They averaged 10 inches in length, some of them measuring as high as 18 and 20 inches.

The fish are taken as far down the creek as McAllister springs, but the best angling is beneath the dam.
Sportsmen may reach the creek by traveling the Big Elk ranger station road and walking up or down to about a mile and a half of the dam, or by taking the private road through the irrigation company's corral.
A few fish are being caught at both Crater and Diamond lakes this week.

MARATHON SWIMMER PALLS ON MARATHON AFTER TWO WEEKS

TORONTO, Aug. 29.—(AP)—Margaret Ravior of Philadelphia won two successive national women's marathon swims that two triumphs are expected to win easily yesterday.
After winning easily yesterday she did not expect to return to the 1932 race. She had not intended to compete this year, she said, her mother influenced her to another try for the \$5,000 first prize.
She made the task of swimming ten miles through the rough water of Lake Ontario seem easy Tuesday when Evelyn Armstrong of Detroit made her own pace and crossed the finish line in four hours, 53 minutes, 44 2-5 seconds. Mrs. Ravior of New York, winner of the 1928 race, was nearly a half hour behind when Miss Ravior finished.
Mrs. Gary received \$2,500 for finishing second. Third place and \$1,000 went to Ethel McGarry of New York.
