S-s-sh—
Here's a Secret!

Mother lets this little girl cook her own morning breakfast cereal. It's so easy with Sperry Quick Cooker Oats because these oats come to you partly cooked. Just a few minutes in a double boiler and there is a big steaming bowl of Sperry Quick Cooker Oats all ready to eat up. And oh they taste so good! Ask Mother to buy Sperry Quick Cooker Oats.

When sending children to the store for salt, tell them to be sure to ask for Morton's Iodized Salt. You'll then be absolutely certain it will . . . our when it rains, and also that it will protect them from simple goiter . . . with its loss of appetite, lack of vigor and back-wardness at school. This better salt costs but 10c; no more than salts which cake and harden in damp weather.
