COOKIES, TOO, ARE BETTER MADE WITH K C!

That's because K C is double-acting - first in the dough, then in the oven.

You use less than of high-priced brands.

KC BAKING POWDER

WHEN IT RAINS IT POURS

There are two excellent reasons why Morton's Iodized Salt is the favorite of Oregon housewives. First, it never cakes or hardens but pours freely rain or shine. Second, it positively protects children from simple colic - that frequent cause of loss of appetite, lack of vigor and backwardness at school.

With simple colic as common as it is in Oregon, no mother should fail to use Morton's Iodized Salt daily on her table as well as in cooking. She will appreciate the freedom from worry it gives her, and will also like the way it pours from salt-cellars whether the weather is wet or dry. Only 10c at all grocery stores.

ASSOCIATED LIQUID WAX

Easy to Apply—And Amazingly Economical!

Here you see Associated Liquid Wax, one of the 9 Associated Household Helpers who are making fun of housework everywhere in the West.

Associated Liquid Wax is a high quality polishing wax in solution. It goes on so easily—and so little goes such a long way—that it is one of the most popular members in the Associated Family.

Just apply it with a soft, dry cloth and give just a little rubbing—and the job is done. No waste—and amazingly economical.

Remember to look for the bright, new red, green and cream can, as pictured here. "Let's Get Associated."
