What the Girl Scouts Are Doing

By Mrs. D. J. Willson.

Scouting time is almost here again, bringing to mind all the news of the Girl Scout work that has accumulated during the summer. Of chief interest to you will be the changes in badges, for there are many new ones, changed ones, or discontinued ones. The following are the new ones: Gardener, Junior Citizen (uses same symbol as Citizen), World Interpreter (more interesting than Interpreter), and World Knowledge. Revised badges are: Golden Eaglet, First Class Athlete, Bug Finder, Business Woman, Canner, Child Nurse, Cook, Cyclist, Dressmaker, Electrician, Handy Woman, Health Winner, Horse Woman, Hostess, Laundress, Scribe.

Discontinued badges are: Letter of Commendation, Citizen Junior Citizen (substituted), Community Service, Home Service (a substitute for this will be Heart Dweller), International Knowledge (now World Knowledge), Interpreter (now World Interpreter).

The Heart Dweller badge mentioned above will not be ready until October 1, and the requirements for it will be given out at that time.

I have several manuals on hand in the office now, and remember that they are only 50 cents, being reduced from 80 cents.

Activities of Legion Auxiliary

Dear Auxiliary members: Monday evening, Sept. 14, we meet again for a social evening. This will be our first meeting since adjourning for the summer.

There have been many things of interest that have happened, and I am sure you will all want to be out and hear about them.

Officers for the year will be nominated. You will hear all about the convention. Special music. Some important new business. And then we plan to have an hour of "play." We have had serious aims this year, and have not had a great deal of time for fun, but we do wish to have just one evening before the year closes.

Reports will not be lengthy, but filled with worth-while ideas gleaned from convention. This next year will be an opportunity one, for our auxiliary to prove its worth to the community, state and nation.

Sincerely,
GEORGIA HOLLOWAY.

College Women Open Twenty-first Year

The Rogue River Valley College Women's club became of age Saturday afternoon when the first meeting of the 1931-32 season was held marking the twenty-first year since its organization. A new step was taken at this time toward a definite informative course of study based on building the world society.

Miss Mary Klemm, Portland, presented by Mrs. Chas. A. Wing, program chairman, held the interest of the largest number of representative women ever gathered at a club meeting. She discussed the actual condition of the world today as the starting point toward arriving at an informed educated public sentiment. She called attention to the Geneva conference which meets in February, 1932.

Although not a member of this conference because it is called by the League of Nations, the United States will be a deciding factor in the ultimate deliberation because of the Hoover moratorium," said Miss Klemm.

Miss Alice Holmback played "Reflections in the Water," Debussy, a group of violin solos, The Seran, Saint-Saens, Concertino, D'Amboise was played by Miss Blanche Gore. The concluding numbers were Grieg's Norwegian Bridal Procession and Norwegian Dances 2 and 3 played by Misses Gore and Holmback.
