"Bread Is So Good!"

Especially When Mother Bakes With K. C.

What tastes better when you are hungry than a slice of good bread—with butter and jelly, or just plain?

It is good for you, too, for bread is our most important food.

Bread made with K. C. is better, because K. C. is double-acting—first in the dough, then in the oven.

"Mother always tells me to ask for Morton's Iodized Salt when she sends me to the store. She says it keeps me in good health and that 'when it rains, it pours'."

Happy is the mother who brings up her youngsters on Morton's Iodized Salt. Never need she worry about simple goitre . . . a disease which threatens large numbers of Oregon children and causes loss of appetite, lack of vigor and backwardness at school. Another advantage of using Morton's Iodized Salt is that it never cakes or hardens but pours freely rain or shine! 10c at all grocery stores.
