A Veteran of Three Decades

Despite the fact that The Black "Two", pictured above, was first introduced to the comparatively minute motoring public of Oregon in 1901; the car is still in service as a delivery vehicle at Lebanon and can attain the flashing speed of 15 miles an hour. The equipment of the car is the same as when it was purchased thirty years ago with the exception of the steering wheel which was replaced last year. It has a planetary type transmission and the two-cylinder motor is located behind the driver's seat. Vern Reeves, owner of the "horseless carriage", is seated in the car; at the left is Lloyd Gedamke, assistant district manager of the Gilmore Oil company, and on the right is Charles Schneider, Gilmore branch manager.

Doris Rohrer had 100 per cent for the week. Allen Buckingham, Dorothy Dickerson, Margaret Merriman, Imogene Nugent, Marie Palmer, Patricia Powell, Lita Smith, Phyllis Speaker, Jeanne Sutton and Charlotte Walden won stars for having perfect lessons in spelling all week. These people are in the 2B.

The grades for the department are as follows: 4B, 98.8 per cent; 4A, 97.8 per cent; 3B, 95.7 per cent; 3A, 100 per cent; 2B, 97.3 per cent; 2A, 99 per cent. The average was 97.8 per cent.

JACKSON SCHOOL
This week the news items were collected, assigned, and corrected by the two reporters, Virginia Rians and Ruth Hodges. We all appreciate the interest these girls show for this particular work and the efforts they put forth in getting it completed.

Apology
We are very sorry that we did not get our news items in the paper last week. We were so excited about our half holiday to go to the fair that we rushed home at noon with our items in our notebooks. We had forgotten that we would not be at school in the afternoon to hand them in.
