

ARCHITECTS RUSH COURTHOUSE PLAN FOR BID CALLING

Work is now being rushed on the drawing of the final plans for the new county courthouse by J. O. Link, architect in charge, so that the work will be completed by October 1, or the end of this week by the latest. The major portion of the drawings have been completed, but there remains a great amount of detail to be finished.

The calling for bids is expected to be made within a week after the approval of the final plans, and allowing for legal time requirements, it is not likely they will be opened and awarded much before November 1. All bidders on the construction must file qualification blanks, as required by state law.

Architect Link expects that the work of excavating for the basement will start by November 10, and an "open winter" will mean that good progress will be made on the actual construction. However, it is expected that most of the winter months will be devoted to preliminary work, and the necessary assembling of material and equipment.

The courthouse will be of concrete construction, with tile or brick facing to be decided upon later.

WOMEN SING IN COUNTY BASTILE

Three women prisoners—all singing merrily—this morning occupied the women's ward of the county jail. They are Mrs. Josephine Carter of Ashland, waitress, sentenced to serve 60 days for driving while intoxicated, Wilma Davis of St. Helens, Oregon, alleged with her husband, to have "accidentally walked off" with a purse, from the hunting camp of William Oden, near Rogue River, and "Mickey" O'Brien of the Coos Bay section, arrested last night for intoxication in a public place, by the police.

The Davis and O'Brien women are scheduled to have their alleged entanglements with the law settled today.

Mrs. Carter will linger, and has moved most of her possessions into the ward.

POLICE TO MEET AT LITHIA HOTEL

The Southern Oregon Law Enforcement Officers' association will hold its first meeting of the fall at the Lithia Hotel at Ashland, next Saturday evening. Sheriff Ralph G. Jennings is president of the organization, and a call has been issued for officers to attend from Lahe, Linn, Douglas, Coos, Curry, Josephine, Klamath and Lake counties.

A large attendance of upstate officials is expected. The male quartet of the Portland police department will execute several numbers as the musical part of the program.

Capt. Harry Niles, assistant superintendent of the state police force, will address the gathering on the work of the organization. Circuit Judge H. D. Horton, County Judge Alex Sparrow, and State Game Commissioner Irving Vining of Ashland, will also speak.

POLICE WARN SCHOOL BUS DRIVERS TO STOP

The state police and county authorities have received complaints that some of the drivers of school buses are ignoring the rule to stop at all railroad crossings, and final warnings will be issued today. The Jackson street crossing was named in one of the complaints.

State police also cautioned hunters against carrying loaded firearms in their autos. Heavy penalties are attached to the law prohibiting shooting from the highways. No permits are issued for the carrying of loaded rifles or shotguns. The law was passed as a curb on the practice of shooting quail and Chukar pheasants from the highways, which had become quite a custom in the Willamette valley areas.

ACTIVE CLUB INVITES EMPLOYERS TO DINE

At the regular meeting of the Active club, at the Holland Hotel Tuesday evening at 6:30, all members are requested to bring their employers. This is to be employer's night and the program for the evening is in charge of George Olsen of the Holly theatre.

This will be the second meeting wherein the program has been arranged by the regular program committee.

Dr. Stricker Here In Health Survey

Dr. Frederick D. Stricker of Salem, head of the state health department is in the city and valley inspecting local health organizations and conditions under the direction of County Physician B. C. Wilson. He is on a tour of the state and reports that owing to the low state of the rivers and streams, due to the drought there were more typhus cases last year than usual. Dr. Stricker will attend the regional meet of the Red Cross, in session today.

Meteorological Report

Forecasts

ROXY ANN GRANGERS VOTE WATER TAX CUT

At the Roxy Ann Grange meeting conducted openly Friday evening, it was voted by the farmers to have the water tax cut as low as possible. Frank Newman and Olin Arnsperger of Medford addressed the group, which included a large number of property owners in the vicinity.

Officers have announced that at the present time there are over forty members of the Roxy Ann Grange, and any one wishing to join is requested to get in touch with the grange officials.

Harry Ward of Eagle Point extended an invitation to the Roxy Ann group to meet with the Eagle Point Grange October 6.

LOCAL MEN FIND FINE WEATHER AT RESORT

C. M. Houston and Otto De Jarrett of the postoffice staff and W. J. Roberts and Everett Trowbridge returned last night from having spent yesterday at Diamond lake, for which point they left Saturday afternoon. They report that the weather at the lake was nice and clear, with few people, let alone fishermen there.

The postoffice part of the angling quartet diplomatically said today that the latter caught "some nice fish, weighing 5 or 6 pounds, but not their limit."

BRISK SESSION FOR LEGION MEN TONIGHT

A large attendance is looked for when the regular meeting of Medford Post No. 15 of the American Legion takes place at the Armory tonight. A snappy busy session at 8:00 p. m., with several important matters slated for discussion will be followed by a "feed" served by the Ladies' Auxiliary. A special invitation is extended to out of town Legionnaires.

FLAVOR OF UNUSUAL COFFEE DELIGHTS THE MOST CRITICAL

Rare Goodness Results from Hills Bros.' Patented Controlled Roasting Process

Some of the world's most critical people have tasted Hills Bros. Coffee, and declared it the finest. Not only that—they continue to drink Hills Bros. Coffee. For its flavor never changes!

A remarkable roasting process is responsible for this. It is called Controlled Roasting—invented and patented by Hills Bros. As the accuracy of the hour-glass depends upon an even, continuous flow... a little at a time... so the wonderful uniform flavor of Hills Bros. Coffee is produced by this patented process that roasts evenly, continuously... a little at a time.

The advantage is simply this: Every berry is roasted to perfection something bulk-roasting can't guarantee. Furthermore, the flavor never varies—something else bulk-roasting can't guarantee. But Controlled Roasting can! And Hills Bros. Coffee proves it. Every sip has the same satisfying flavor.

In order to preserve this deliciousness, Hills Bros. pack their coffee in vacuum cans. Air, which destroys the flavor of coffee, is removed and kept out of these cans. Ordinary "air-tight" cans won't keep coffee fresh. But Hills Bros. Coffee can't go stale. Order some today. Ask for it by name, and look for the Arab trademark on the can.

Hills Bros. Coffee, Inc., San Francisco, California.

RETRIAL OF BANK SUIT SCHEDULED IN CIRCUIT COURT

Re-trial of the suit to recover money of the Medford National Bank against R. A. Blanchard, remanded to the lower court upon a reversal by the state supreme court, will be started in the circuit court Thursday. The bank appealed the case, and won. The amount involved is approximately \$5000, and concerns guarantee of securities. It is expected that the trial will take two days. The bank is represented by Attorney G. M. Roberts and the defense by B. G. Skulason of Portland.

The damage suit of D. A. Snyder against the Oregon Stages, Inc., scheduled to start tomorrow, was adjourned over to court, the county clerk's office stated.

Circuit Judge Norton has been assigned to hear the case of the Lorenz company versus Day and Company, at Klamath Falls in which Judge W. B. Dupan of Klamath county is disqualified. This case also, on an appeal to the supreme court, was reversed.

The condemnation proceedings of the Table Rock Drainage district against George Wright, for right of way, is docketed to start next Monday.

RANGER ROSTEL AT CHRISTENING

Ernest Rostel, publicity ranger and contact entertainer of Grater National park, arrived in the city late Saturday night for the purpose of attending the christening of his nephew, the son of Mr. and Mrs. Bert Rostel, here yesterday.

Uncle Ernie said that while tourists and others are still visiting Grater Lake their number is growing less daily, and that the national park was rather a lonesome place nowadays with the lodge, cafeteria and other concessions closed. The new road and other improvement work in the park, on which many laborers are engaged, is fast progressing, he reports.

It was vigorously denied by Uncle Ernie that he had been converted to the Democratic party by Nellie Taylor Ross during her visit at Grater National park yesterday. "I have always voted independently," he said, "and probably will continue to do so." All of which is interesting, in view of the fact the young man will cast his first presidential vote next year.

Naval Officer On Fishing Trip Here

Lt. Commander S. Haight of the U. S. S. Pennsylvania, arrived in Medford on the Shasta today from San Pedro, to enjoy a fishing trip at We-Ash-U-Inn with D. G. Dwan. The official plans to spend several days on Rogue river. Lt. Commander Haight stated that he received his appointment to Annapolis from Medford.

D. A. R. MARKS GRAVES PIONEER GOVERNORS

PORTLAND, Ore., Sept. 28.—(AP)—Bronze tablets marking the resting places of two territorial governors of Oregon were unveiled in Portland cemeteries Sunday by Willamette chapter, Daughters of the American Revolution.

The governors honored were George Abernethy, provisional governor from 1845 to 1849, and George Law Curry, second territorial governor from 1853 to 1859. Miss Camilla Abernethy and Mrs. Anna Starr, granddaughters, unveiled the Abernethy tablet. Like honors at the Curry grave were paid by George Law Curry, son, and Daniel Boone Curry, grandson.

ELEVEN SHIPS WILL HAUL CHINESE GRAIN

PORTLAND, Ore., Sept. 28.—(AP)—About 11 ships will be required to move the October quota of 60,000 tons of wheat and 30,000 tons of flour from Puget Sound and Columbia river ports for China under the 15,000,000-bushel sale of farm board wheat to the Chinese government. That estimate is made by shipping men on the basis of announcement that the sale had been completed.

BRISK PATTING EACH DAY KEEPS THE WRINKLES AWAY!

DID you know that lines in face and throat, double chin and dull, sallow skin are all largely due to a sluggish circulation? A brisk, healthy circulation is essential to youthful beauty. Patting is the best method of maintaining this rapid circulation, but it is difficult for untrained fingers to pat correctly—briskly and rhythmically. So Dorothy Gray perfected her famous Patter to do the work for you.

With the Dorothy Gray Patter you can easily give yourself—at home—the scientific treatments that keep your face and throat beautifully young.

The Dorothy Gray Patter—with complete directions for its use—will be found at our Toilet Goods Section, \$2.50.

'Prince Of A Fellow'

Associated Press Photo
First Lieut. Svast Pradiash of the army engineering school at Fort Humphries, Va., brother of the queen of Slam, is a "prince of a fellow," according to brother officers as well as a prince of Slam.

SALVATION ARMY MOURNS GIFFORD

SAN FRANCISCO, Sept. 28.—(AP)—Salvation army officials throughout the world today were mourning the death of Commissioner Adam Gifford, territorial commander for the western territory of that organization, who succumbed yesterday to a heart attack he suffered here Tuesday.

Commissioner Gifford, whose 47 years of officership in the army was the longest of any member, suffered the heart attack from overwork.

Gifford had held many important positions with the army. He was provincial officer for the Atlantic coast province; the central province and the New England province. He was transferred to San Francisco in 1920.

D. A. R. MARKS GRAVES PIONEER GOVERNORS

PORTLAND, Ore., Sept. 28.—(AP)—Bronze tablets marking the resting places of two territorial governors of Oregon were unveiled in Portland cemeteries Sunday by Willamette chapter, Daughters of the American Revolution.

The governors honored were George Abernethy, provisional governor from 1845 to 1849, and George Law Curry, second territorial governor from 1853 to 1859. Miss Camilla Abernethy and Mrs. Anna Starr, granddaughters, unveiled the Abernethy tablet. Like honors at the Curry grave were paid by George Law Curry, son, and Daniel Boone Curry, grandson.

EVANGELIST TELLS STORY OF LIFE AT SUNDAY SERVICES

The progress of the evangelistic meetings being held in the big tent on North Central, was marked by a busy and successful day yesterday. Mr. Higginbotham spoke at the Baptist church at 11 a. m., under the caption, "The Lost Christ." The sermon made a profound impression, as evidenced by the hearty response to the appeal for consistent Christian character and conduct. Mr. Penhollow delighted the music lovers of the audience with his rendition of "O Lord, Remember Me," by Clara Roma.

At 2:30 p. m. the church was again filled as Rev. W. W. Shannon gave his address on, "Is the World Growing Better?" Mr. Shannon believes that the only hope of a betterment of world conditions is a return to the religion of the Bible and the standards of life furnished by Jesus Christ.

The evening service at the big tent brought an overflowing crowd which listened with interest to Mr. Shannon as he modestly told his life story in his sermon on "Fighting Demons." This story revealed the fact that Mr. Shannon was remarkably successful in business and had already become a strong factor in the political arena of Pennsylvania, his home state, before he became a Christian.

The evangelist related with telling effect the events leading to the great change, which resulted in his turning his back upon his past life and spending ten years of effort to repay wrongs done in the wholesale liquor business. Since that time—more than twenty years ago—Mr. Shannon has devoted all his time to preaching and is now regarded as one of the great evangelists of the country.

A generous response was given last night, to the evangelist's appeal to the people to live the Christian life. No service will be held tonight; but the rest of the week one of the evangelists will preach and Mr. Penhollow will sing.

7 to 8—Happiness Train; Cecil and Sally; Modern Plumbing and Sheet Metal Co.
8 to 9—All request program.

CHEESEMAKERS LOSE IN ALBANY INVASION

The Eagle Point Cheesemakers, champions of Southern Oregon, journeyed to Albany Sunday and were defeated by the Alcos of that city 4 to 1, in a close and hard fought battle. The valley team threatened several times, but were unable to bunch their hits.

Local fans who saw the game said decisions of an umpire at critical stages also cramped their style.

SCATTER GUNNERS TAKE HOME HAMS AT SUNDAY SHOOT

Several "misc-and-out" events were staged at the Medford Gun club Sunday, with hams and bacon for trophies. Those who "took home the bacon" or ham were Monahan, Ed Lamport, Wm. Bates, Ray Coleman, El Crostant, Tom Enright, C. W. Wood and Clarence Eads.

These ham shoots are furnishing a lot of sport and the Medford Gun club has decided to make the events a regular feature every Sunday throughout the fall and winter. All shooters are invited to attend. Shooting starts at 10 o'clock and lasts until 2 p. m.

Sunday scores at 25 targets:

C. E. Eads	25
C. W. Wood	25
Mr. Monahan	25
H. Crostant	24
Ray Coleman	24
R. Belden	24
Ed Lamport	23
Elmer Wilson	22
George Eads	22
T. J. Enright	22
Ed Newton	22
Sam Jennings	22
Wm. Bates	22
Mr. Littrel	20
E. W. Brown	20
T. E. Daniels	20
Mr. Green	19
S. Krochel	17
J. K. Clark	17

STUDENT CARPENTERS BUILD BICYCLE SHED

A bicycle shed, measuring 60 feet in length, has been completed by the manual training class at the Senior high school. The shed, constructed at the new grounds, will house students' bicycles.

The work was carried on under the leadership of Leland Mentzer, head of the manual training department.

Neat Clothing and Good English Need In Saving of Souls

GALESBURG, Ill., Sept. 28.—(AP)—More ministers fall because of "spots on their vests and 'airy' on their lips," than from any other cause, Bishop Edwin Holt Hughes told a class of 22 men who were ordained to the ministry of the Methodist Episcopal church yesterday.

"No man should say he is sanctified to the work of our Lord when he habitually goes around looking like a pig," Bishop Hughes said, "and how can you expect a man to win souls when he makes every intelligent person in his congregation cringe every time he speaks a sentence?"

Paraguay, Bolivia Soldiers in Clash

ASUNCION, Paraguay, Sept. 28.—(AP)—The killing of 12 Paraguayan and Bolivian soldiers in a clash in the Gran Chaco region further strained the relations of the two countries today.

The ministry of war issued a communique saying four Bolivian casualties had occurred Saturday when a Paraguayan patrol discovered Bolivian troops occupying Fort Zamalaya in the disputed territory and drove them out.

WHAT KEEPS STUDEBAKER ON TOP?

Studebaker leadership is not a comet that passes, but a fixed star of continuous achievement.

Free Wheeling today is sweeping America, but Studebaker was making history long before it pioneered Free Wheeling.

Studebaker was first to make light Sixes when its price-class was fussing with Fours... first to foster large scale production of quality Eights... first and still unbeaten in stock car records for speed and endurance.

Studebaker took the squeak out of your car with ball-bearing spring shackles!... It took the guess out of your gasoline with the hydrostatic gasoline gauge!... It cut the roar out of your carburetor with an effective carburetor silencer!

Thus every car carries somewhere the impress of Studebaker leadership.

Why not buy the car that sets the pace for all cars?

LATEST AND GREATEST PHILCO 11-TUBE Balanced Superheterodyne-PLUS RADIO

HERE IT IS! NEW! Incomparably the finest radio ever created. No matter what you pay, you cannot buy a better one. Philco Balanced Superheterodyne-Plus is guaranteed to bring in more distant programs, with greater selectivity, greater beauty and clarity of tone, than any other radio ever built when operated under the same conditions. And its Automatic Volume Control counteracts fading!

This great new radio is months ahead! It's so powerful, so sensitive, you probably will never use all its tremendous ability. It's so selective every point on its illuminated dial is alive!

Read the eighteen tremendous features it offers! Look at the illustration! Note the superb cabinet, designed by Norman Bel Geddes, America's foremost creator of fine furniture. It is of Matched But Walnut, American Black Walnut and V-matched Oriental Wood... with a hand-rubbed finish like the finest pianos. This is absolutely the finest radio furniture on the market, without any exception whatever.

See this marvelous instrument today at your Philco dealer's.

And for the next seven days you can own it on special easy terms!... Free demonstration! Free installation to your ground and aerial! Here's your opportunity to have the very finest radio ever built!

Complete with eleven Philco Balanced Tubes... nothing else to buy!

Look at these eighteen amazing features...

1. The last word in radio.
2. Exclusive Philco Balanced-Unit Superheterodyne-Plus Circuit.
3. Eleven Philco Balanced Tubes.
4. Automatic Volume Control counteracts fading of distant stations and blasting of locals. Makes distant stations tune in like locals. Prevents nerve shock from blasting in of strong stations when changing the tuning.
