Girls' League Party
At Junior High.

The first Girls' league party of the year, on October 2, was enjoyed by a large number of girls at the junior high school.

It was in the nature of a fancy dress affair—many nationalities being represented and every class from queen to vagabond. The decoration committee made the gymnasium attractive with native leaves and flowers and a suggestion of Halloween. This group was headed by Betty Vilim as chairman. The program committee, of which Suzette Stennett is chairman, presented a clever pantomime, several readings, musical numbers and dances.

Betty Thorndike, refreshment committee served delicious punch and wafers and dancing completed the evening's entertainment. Corinne Crawford as chairman of the cleanup committee, did a fine bit of work and much credit is due her.

The girls expect to entertain the Boys' league of junior high school before the year is over.

LOCAL DEALER IS HOME FROM TRIP TO TIRE FACTORY

Following an automobile trip of 6700 miles, during which time they did not experience any trouble, Mr. and Mrs. C. C. Furnas returned to Medford Tuesday from Akron, Ohio, where they attended the two-day Goodyear frolic. They were accompanied east by Ray Sloneker.

Having one the summer sales contest in the 11 western states, Mr. Furnas of the Medford Service Station was the guest of the Goodyear company to attend the frolic in Akron September 21 and 22. They left Medford September 12.

"I have never seen anything happening so smoothly and interestingly in my life," Mr. Furnas stated yesterday. "The whole affair started Monday morning, and we didn't stop until Tuesday evening."

He told how the company had chartered 15 large stages, and how they were taken to the various places of interest in the city. Among the outstanding events was the trip to the dock of the U. S. S. Akron, which was recently launched.

Although the 300 dealers could not make a trip in the giant ship, they were taken for short rides above Akron in two private blimps, one carrying six passengers at a time, and the other carrying eight.

The wives of dealers were entertained in separate parties, and were also taken for air rides.

Mr. Furnas said one of the most interesting events was the serving of Purina ice cream at the banquet the opening night. The famous confection was frozen in the form of miniature blimps.

While on their trip, Mr. and Mrs. Furnas visited his relatives at Chillicothe and Linneus, Mo., and also in southern Kansas. Mr. Sloneker visited relatives in Mendocino, Mo., and Mr. Furnas stopped in South Pasadena on the return trip to visit her relatives.

Mr. Furnas also won the summer sales contest in 1928, at which time he was presented a large plaque.
