

CIVIC MUSIC PLAN PROMOTION DRIVE TO OPEN MONDAY

Much interest has been expressed during the past few days in the move to bring to Medford a branch of the Civic Music association...

An explanation of how the organization is formed was given out yesterday by Wm. F. Isaacs, president for southern Oregon.

A minimum number of members is decided upon, though a city can go as far above this number as it desires.

The campaign for members here will open Monday, October 19, and close at 10 o'clock the following Saturday night at campaign headquarters at the Chamber of Commerce building.

Among the 200 cities in this country where the concert organization has met with great success, the following are listed: Milwaukee, Wis.; Oak Park, Ill.; St. Louis, Mo.; Memphis, Tenn.; Atlanta, Ga.; Charleston, and Huntington, West Virginia; San Antonio and Dallas, Texas; Mobile, Ala.; Pensacola, Fla.; Texarkana, Texas; and Greensboro, N. C.; Erie, Pa.; Jamestown, N. Y.; Niagara Falls, N. Y.; Toledo, Ohio; Long Beach, Calif.; and Tacoma, Wash.

Oakland, Calif. has a membership of 1000 to 3500. In view of the success with which the organization has met in other localities, leaders here feel that southern Oregon will undoubtedly give it enthusiastic support.

DROUGHT REGION REPAYING LOANS

MEMPHIS, Tenn., Oct. 13.—(AP)—Last year's drought-stricken area is this year's land of plenty, says J. H. Lynch, administrator in charge of the federal farm seed loan office in Memphis.

The rate at which farmers in Tennessee, Mississippi, Arkansas, Alabama, and Louisiana are repaying their government loans necessitated a night shift to handle the deluge of repayments. Loans totaling \$1,000,000 have been repaid. Within a few days, Lynch said, the money will be coming in at the rate of \$1,000,000 a week.

APPLIGATE

APPLIGATE, Ore., Oct. 13.—(Sp.) Since the opening of the hunting season the Appligate hills seem to be filled with hunters, but few of them report much success. Several bucks have been killed in the Muddy district but few have been found elsewhere. Hunters are camped along the roads and some are back in the higher mountains, expecting to get their big buck.

Fred Combest of Jacksonville is spending several days this week at the home of Walt Ziedler on Little Appligate.

Billy Anderson of Rich has been spending this week working on "The End of the Trail," as he calls his ranch on Yale creek. He drives to and from his work each day.

Mrs. Alma Carven and children of Delta, Colo., were recent guests at the home of her sister, Mrs. W. A. Childers on Beaver creek. Mrs. Childers had not seen her sister for 27 years and was very much surprised.

Mr. and Mrs. Bob Burrellson of upper Big Appligate made a trip up Little Appligate Monday. Mr. and Mrs. Burrellson formerly resided on the Cass place on Little Appligate.

Mrs. Nellie Morcom and two married daughters of Corvallis left last Saturday for their home there, after spending some time here visiting at the home of Mrs. Morcom's sister, Mrs. Jesse Taylor.

Mr. and Mrs. Edwin Taylor celebrated their tenth wedding anniversary October 5, and a few friends who remembered the occasion and dropped in to spend the evening included Mr. and Mrs. Frank Knutzen, Mr. and Mrs. Tom Mee and Mrs. Clara O'Brien.

The barbecue at the Appligate hall, given by the Grange last Saturday night was a big success. Over 400 people attended and there also was a large attendance at the dance.

Margaret Hamilton, who is attending Normal school at Ashland, spent last week-end here at the home of her parents, Mr. and Mrs. Charlie Hamilton.

Mrs. Tom Dunnington and mother, Mrs. Lella McKee of Jacksonville, were recent callers here at the home of Mrs. Riley Norris.

EAGLE POINT HIGH ELECTS OFFICERS OF STUDENT BODY

EAGLE POINT, Ore., Oct. 13.—(Sp.)—Student body officers of the local high school were elected October 8, as follows: Charles Sturgill, president; Clarence Tingleaf, vice-president; Hazel Smith, secretary.

An effort is being made to incite interest in athletic work during the coming year. A letterman's club was organized October 8, with the following officers: Charles Sturgill, president; Harold Grov, vice-president; Fred Compton, secretary; Vance Pearce, sergeant-at-arms.

Prof. F. V. Barrett, athletic adviser, has donated a stove for use in the gymnasium, and the school board will sell the building to provide more comfort during the practice and games next winter. As yet the physical education classes have found it unnecessary to use the gymnasium, the fine fall weather permitting baseball to be played on the athletic field.

Students of the biology class have been making field trips to secure specimens for classroom work, wo bats and some butterflies being among the collection.

Freshmen received the annual initiation, at which time refreshments were enjoyed by a large number of pupils.

15-YEAR-OLD LAD STUDENT PRODIGY

CHICAGO, Oct. 13.—(AP)—Predictions are being made at the University of Chicago that if any student wins a bachelor degree in about two years instead of the customary four, his name is likely to be Dugald Stewart McDougall, 15-year-old Indianapolis boy.

Young Dougall had the best scholastic record of any freshman this year, an "A, plus" average. His accomplishments of the past include: Reading at 4.

Writing algebra problems at five and a half.

Under a new system, inaugurated at the university this year, it is possible for students to finish in less than four years.

Will Ask \$10,000 For Death in Raid

WASHINGTON, Oct. 13.—(AP)—Congress will be asked to award \$10,000 to the child of the late Mrs. Helen Vastelvic, electrocuted in Milwaukee August 13 while standing in a pool of wine poured in her cellar by dry agents.

Representative Schafer, Wisconsin, anti-prohibitionist, said today he would introduce a bill in December calling for the outlay.

TO MAKE AWARDS AT JAMBOREE FOR BOY SCOUT WORK

American Legion post of Ashland will make an award to the Boy Scout showing the best individual display of scout craft, leather craft, wood carving, metal work, or other handicraft exhibited at the annual Jamboree in the Medford armory Friday evening. It has been announced by Scout Executive Oscar E. Hoover.

The armory will be open at 7:30 in the evening for the public to view the various individual and troop displays, which will be arranged in booths by the boys. A program including numerous events has also been planned, and will start at 8 o'clock.

Commissioner Walter Jones will make an inspection of the troops during the program. Among the events which have been announced are wall scaling, circle race, tree cutting contest, fire by friction, signaling contest, fire by flint and steel, first aid contest, skin the snake, the reading of scout essay on fourteen mile hike, airplane exhibit, turtle race, and camp fire.

The airplane exhibit will include the showing of various heavier-than-air models. Points will be awarded the scout with the model which remains in the air the longest period of time.

A serpentine march by the scouts, in which they will parade single file, with their scout banners and flags will open the program. Around the camp fire, which closes the evening's affair, songs and stories will be given, and honor and satisfactory campers are to be presented.

FLYING SAFER THAN DRIVING HORSES NOW

MADISON, Wis., Oct. 13.—(AP)—It's safer to fly in Wisconsin than it is to drive a horse. In the first eight months of 1931, sixteen deaths were caused by accidents involving horses in this state, as compared with six in airplanes. These figures were announced by the state bureau of vital statistics.

Of course, the bureau pointed out, horses in Wisconsin still outnumber airplanes.
