

EGG PRICE HOLDS DESPITE ATTEMPT TO BOOST VALUES

PORTLAND, Oct. 16.—(AP)—There was no change in the general selling price on eggs in Portland for the day despite the attempt of interested cold storage speculative parties to force higher values for fresh stock of which they handle but a nominal supply.

Offering of higher prices for fresh eggs than they are being openly sold at here was reported as an attempt to jolt the Co-ops. of Oregon but the plan failed with the Pacific organization gaining new members each week.

Reports current in the trade indicate that one interest was taking a loss of many thousands of dollars in an attempt to undermine cooperative marketing of eggs in Oregon.

While there was no general price change on the open market for either cube of print butter during the day, strength is reflected in all offerings with quotations maintained.

Maintenance of live chicken prices is generally reported by the commission trade as well as by killers in spite of the government news marketing service suggesting a slow market. The only slowness appears in springer stuff. Other lines are steady to firm at late advances.

Market for dressed turkeys is a trifle soft for the sort of stock generally arriving. Hens are quoted down to 280 generally with small young toms around 27-28c and larger birds —14 lbs. and up, at a maximum of 32c.

RECEIPT OF EGGS ON COAST TRENDS LOWER

SAN FRANCISCO, Oct. 16.—(AP)—Despite an increase in Washington and Oregon, receipts of eggs at primary Pacific coast markets for the week ended Oct. 10 were 62,921 cases, compared with 64,741 the previous week, the federal-state market news sent today. The decline was 2.7 per cent.

Hamburger and Mushrooms

I just happened on this accidentally. When you say mushrooms, you usually think think of a very expensive T-bone steak—but the hamburger is a lot better. A mushroom salesman came in the other day and asked us to open up the can and try them. I took them into the kitchen, fried a little hamburger (loose not in cakes) using half butter and half lard.
