

### HUNTERS FINED FOR TRESPASS VALLEY FARMS

Three bird hunters were arrested over the week end for hunting on two farm properties, without the owners' permission, and fined in Judge Taylor's court. The arrests were made on complaint of the owners of the ranches.

G. C. Hoover swore out complaints against Loyal Hartman, Lewis Applebaker and Theron Babb for hunting on enclosed land, charging that they were hunting pheasants yesterday on the Hanley-Hoover ranch. Applebaker and Babb appeared in court Monday, pleaded guilty and each was sentenced to 30 days in jail, which sentences were suspended. Hartman did not appear in court for trial and an arrest warrant was sworn out against him.

Mr. Hoover says that since the hunting season opened hunters have much endangered livestock on his ranch, and that the side of one of his cows was recently found full of birdshot.

D. A. Hutchison was fined \$25 in the same court Saturday afternoon on a complaint of Miss Alice Hanley for hunting on the Hanley ranch without permission.

The game law makes hunting any enclosed property without permission of the owner, unlawful. "No Trespass" signs are not necessary, as fenced-in property is sufficient evidence that the owners do not want hunting on their property. If the property is not fenced in the hunter can be arrested for trespassing.

Lee Lawrents was fined \$25 in court today for having a loaded rifle in his automobile. Deputy Game Warden Farr made the arrest.

### WAGNER CREEK P.-T. A. CONDUCTING CONTEST TO BOOST MEMBERSHIP

WAGNER CREEK, Ore., Oct. 20.—(Sp.)—Wagner Creek P.-T. A. held its first meeting of the season October 9. Only a few members were present. Sides were chosen and a membership contest is being held. School this year is worthy of the fine new building in which it is held. Cecil Poole is principal and teacher of upper grades and Miss Eunice Hager is teacher of the lower grades. Both take a personal interest in each child in regard to lessons, health and comfort. The children, in return, try to please their teachers with better lessons and good behavior. Consequently, it's a very happy and progressive school.

Gladys Goddard and Mildred Work were absent from school recently because of illness.

### FREE MOVIES FOR OKLAHOMA POOR

PONCA CITY, Okla.—(AP)—Four years ago Lew Wentz, Ponca City multi-millionaire, stood on the curb near a moving picture theater and watched a poorly dressed man enter with his large family.

"It cost him \$14.4," Wentz said. "He probably received little more than that for a day's work. Then I thought of how many more families were paying more than they could afford for a picture show."

A few days later the oil man arranged to rent Ponca City's largest auditorium Wednesday and Friday nights, and for four years rich and poor alike have been admitted free to picture shows twice a week.

### DOUGLAS FIRS GROW TALLEST, IS CLAIM

WASHINGTON—(AP)—This tall tree talk has caused at least one expert to do a bit of researching.

Harry D. Tiemann, a physicist of Uncle Sam's forest products laboratory, says that the record height for trees appears to be held by the Douglas fir and not the redwood, as is commonly believed.

A felled fir tree back in 1900 measured 300 feet by the steel tape route. Another in British Columbia was reported to have been 417 feet high. The tallest known redwood, Tiemann says, is still standing and is believed to reach between 359 and 368 feet.

### GOLD HILL STUDENTS WILL PUBLISH PAPER

The First M. E. Ladies Aid will hold a Hummer Sale in the Paramount Bldg on Nov. 6 and 7. Any one having donations call Phone 1060.

### GRAND JURY MAY PROBE ROAD FUSS IN ASHLAND AREA

An affidavit of prejudice was filed late Monday against Justice of the Peace L. A. Roberts in the Sanford-Ewing road fuss, and the preliminary hearing of the hectic Ashland case will probably be moved to a justice court, in this city or Gold Hill. It is also a possibility that the case will be given an airing before the next session of the grand jury, scheduled to convene next Monday.

The dispute started over the right to use a road, in an area south of Ashland and reached a climax when, during a dispute, Mrs. Ewing was injured sufficiently to be moved to a local hospital. During the course of the combat, concrete blocks and fists were hurled and a dog also mixed in.

The county court a week ago ruled that the road was a public road and ordered that the original petition be so amended. One side wired the road, and the other tore it down.

### REESE CREEK PTA ENJOYS PROGRAM

REESE CREEK, Ore., Oct. 20.—(Sp.)—About 25 P.-T. A. members gathered at the Reese Creek school house Friday.

Mrs. Lamb, president, who has been quite ill for several months, was able to preside.

The program was opened by singing "America," led by the school children.

A little playlet, arranged by the teachers, was well acted out by the school children.

"Honesty" was the main subject of the meeting, each member being called upon to give her opinion of its meaning in the home. Next meeting will be held in two weeks. Subject to be discussed is "Obedience." It is hoped as many as can will be there.

A Halloween party and program is to be held Friday night, October 30, at the school house. All are cordially invited.

A pet chipmunk belonging to Dwayne Metcalf came to school this week. It is very quick, so will probably learn its lessons fine. When the room is very quiet it comes out of its nest to eat nuts.

Teachers' Institute. Teachers' institute will be held on Monday, October 19, at the new high school. The Roosevelt glee club has been invited to sing four songs. They are "Solitude," "The Pledge of Allegiance," and "Love Breathes Its Blessing." The singers hope the teachers will enjoy their contribution to the day's entertainment.
