INFERIOR BUTTER STAGES ADVANCE PORTLAND DEALS

PORTLAND, Oct. 20 -- (AP) -- Ad nce in undergrade butter on th produce exchange for the late session indicates that the public is buying ordinary quality and paying less attention to top stuff locally, the Journal save today. While recently there was a report that 92 score and better was finding an improved sale locally, late developments indicated that the general public was unwilling to pay a stiff premium for any sort of butter. Total sales of 92 score and better are a mere drop in the bucket compared with those of 90 to 91 scores. Production of butter all through the Pacific northwest is decreasing, local manufacture as well as receipts from the country showing a loss for recent days.

As a matter of fact, every woman will find unusual value in them because they will go right to title heart of the relationship of the merchant and his customer.

Stores offer an increasingly fine array of merchandise and services. Yet it is only human to want an even greater enjoyment in shopping and the increased satisfaction of finding ever better values and a wider range of articles from which to select. Great progress is being made by retailers over the country in providing particular services and goods that women want. The utilimate will never be reached, however, until the woman who buys in the stores and the merchant who sells to her actually get on a firm footing of deep understanding of mutual interests.

HE modern Miss needs no "time out" for the time of month. If you've ever taken P Aspirin for a headache, you know how soon the pain subsides. It is just as effective in the relief of those pains peculiar to women!

Don't dedicate certain days of every month to suffering. It's old-fashioned. It's unnecessary. Aspirin will always enable you to carry on in comfort. Take enough to assure your complete comfort. If it is genuine aspirin it cannot possibly hurt you. Bayer Aspirin does not depress the heart. It does not upset the stomach. It does nothing but stop the pain.

Headaches come at inconvenient times. So do colds. But a little Bayer Aspirin will always save the day. A throat so sore you can hardly swallow is made comfortable with one good gargle made from these tablets. Neuralsia. Neuritis. Rheumatism. Pains that once kept

eople home are forgotten half an our after taking a few of these emarkable tablets. So are the little agging aches that bring fatigue and nerves" by day, or a sleepless night. Genuine Bayer Aspirin tablets cost so very little after all, that it doesn't pay to experiment with imitations!

LAVAL STUNS STOCK DEALER BY BARGAIN

VALOGNES, France — (AP) Pierre
Laval, who is a stock farmer of note
recently surprised the peasants attending a cattle fair in this Normandy town.

They saw a man with baggy trousers bound into leather puttees, wearing a rough coat and a white necktie,
descend from an ordinary farmers
automobile, look over the exhibits
carefully, haggle about prices and
finally buy five bulls and five cows.

When it came time for the buyer
to give his name and address the
dealer was dumbfounded to learn
that he had been bargaining with
