Every one of my friends say it's marvelous the way I reduced."

To lose fat with speed take a half teaspoonful of Kruschen in a glass of hot water before breakfast every morning—don't miss a morning—an 82 cent bottle lasts 4 weeks—get it at Health's Drug Store, Jarmen Woods or any drug store in America. If not joyfully satisfied after the first bottle—money back.

Wool Georgette Is Mrs. Hoover's Favorite Dress

WASHINGTON, Oct. 22.—(AP)—A burgundy wool georgette is one of the most becoming of Mrs. Herbert Hoover's "every day" dresses.

Cut in simple and well-tailored lines, its charm lies in the richness yet transparency of the material, the originality of the pattern.

The convenient-length skirt of burgundy finely peppered with a lighter thread, blends into a figured print design which makes of the upper part of the dress a figured jacket effect.

WAKE UP YOUR LIVER BILE—WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world looks blue, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas builds up your stomach. You have a sick, bad taste and your breath is foul, skin often breaks out in blotches. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good, old CARTER'S LITTLE LIVER PILLS to get those two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Beware of substitutes. Buy at all druggists. © 1931 C. M. C.
