

Fast Mat Artists Will Tangle in Double Main Event at Armory

FIREMAN FRISBIE FACES HARD FOE IN HANK OSSWALD

Fans Promised Plenty Action in Armory Events—Chiropractor Uses Medical Holds On Opponent.

Wrestling fans of the city and valley are assured of one of the fastest matches of the season at the Armory tonight at 8:15 o'clock when Henry Ossian, Hindu grappler and Dr. Milliken, chiropractor, meet in the finale of a double main event card sponsored by Herb Owen, promoter. A dollar admission, with 50c for ladies, is the cost schedule.

Ray Frisbie, fireman, of this city, and Hank Oswald, Seattle, will tangle in the opening, and it is promised to be as good as the main attraction. Oswald is the toughest proposition the local matman has tackled. He is fast and tough, and recently won a draw decision against Bob Kruse at Vancouver, B. C.

Dr. Milliken and Ossian are heavyweights, but speedy, and the Hindu is rated as one of the trickiest grapplers in the game. Dr. Milliken applies a number of medical holds against his foe, and is able to take care of himself in any company.

CHAS. COMISKEY BASEBALL'S OLD ROMAN PASSES

EAGLE RIVER, Wis., Oct. 26.—(AP)—Baseball's old Roman is dead. Charles A. Comiskey, 73-year-old owner of the Chicago White Sox of the American league, died early today at his camp refuge here.

He had been in failing health for several months. He rallied, however, when his club won the city series with the Chicago Cubs of the National. Shortly afterward, however, he began slowly sinking toward death.

The colorful old warrior whose life story was synonymous of the rise of professional baseball in America had taken refuge during his declining days in the quiet fastness of his forest tract here. His home stood out in its spacious beauty against acres of untouched wilderness, much of it was overrun by animals which scurried through tangled underbrush as they slid long before the white man came.

THREE FATALITIES IN AUTO CRASHES

PORTLAND, Ore., Oct. 26.—(AP)—Two persons were killed, a third died from injuries received earlier in the week, and many were injured in a series of automobile accidents here over the week end.

Isaac Wheeler, 62, died today after having been struck last night by a car driven by William Vinciguerra.

Mack M. Paris, 30, was fatally injured Sunday when his car and a machine driven by Horace Perry, collided.

No arrests were made in either case.

Mrs. Lily Nelson, 48, died today from injuries received Tuesday when hit by a car operated by Louis Kennedy.

WAR OVER BRIDGE TAKES NEW LIFE

DENISON, Tex., Oct. 26.—(AP)—Governor William M. Murray re-established martial law at the Red River free bridge north of Denison this morning by sending a detachment of 30 National Guardsmen under command of Col. John A. Macdonald to guard the structure and the approach road on the Oklahoma side.

Governor Murray's move came just a few hours before a scheduled hearing in federal court at Muskogee on an application of the Red River Bridge company, owner of the Durant-Denison toll bridge, for an injunction to close the parallel free bridge that was built by the states of Oklahoma and Texas.

Trojans Holding Peak of Heat in Coast Scramble

Victory Over Bears Brands Southern California Team As Probable Champ—Oregon Fourth in List.

By Russell Newland
 (Associated Press Sports Writer)
 SAN FRANCISCO, Oct. 26.—(AP)—A football season that has barely passed the halfway mark today found Southern California's Trojans perched at the top in the battle for Pacific coast conference honors with every indication they will continue on to win the 1931 championship.

The Trojans posted their fourth conference victory by snatching a 6-0 game from California's Bears Saturday after a great struggle that saw a surprising weak Bear eleven twice threaten to score from inside the five-yard line.

Without a game scheduled for next Saturday, the Trojans will have two weeks to prepare for their November 7 contest with Stanford's Indians. On its record to date, Southern California will be favored to take Stanford down the line while two later rivals, Montana and Washington, are not expected to offer serious opposition.

Stanford stock dropped somewhat following Saturday's scoreless tie with Washington a team defeated earlier in the season by Oregon. Next Saturday, Stanford will meet the University of California at Los Angeles, taking the Bruins in stride and meanwhile pointing for the Trojan clash a week later.

O. S. C. Meets W. S. C.
 The only other conference engagement listed for hospital beneficiaries will pit Oregon State against Washington State, at Portland.

Defeated but not disgraced last weekend, California will enjoy a "breather" in a game with Nevada. The contest will serve as a warm-up for the Bears, preparing for the Berkeley invasion of Washington on the following Saturday.

Washington, likewise has a non-conference contest scheduled, with Whitman college furnishing the opposition. Idaho and Montana also will play non-conference games, the former meeting Corvallis, at Moscow, and Montana taking on an old time griddiron rival, Montana State.

St. Mary's To Play
 Members of no conference but outstanding team of the far west by rights might, St. Mary's, college will face its keenest griddiron rival, Santa Clara University, in San Francisco, Sunday. St. Mary's is the only undefeated and untied major team on the coast. The Gaels defeated Southern California, 13-7; California 14-0; West Coast Army 21-7; U. of S. Francisco, 14-0; and Gonzaga, 13-7 on consecutive week ends. Santa Clara lost its opening game to California, 6-2, but has shown steady improvement.

Coast conference standings:

Team	W	L	Tied	Pts	Against
S. California	4	0	1	27	6
Stanford	1	0	1	25	7
Washington	2	1	0	23	20
Oregon	2	1	0	22	53
Wash. State	2	2	0	39	51
California	1	1	0	13	13
Idaho	1	2	0	26	66
U. C. L. A.	0	1	0	13	13
Oregon State	0	2	0	7	55
Montana	0	0	1	59	59
