

# BUTTER HOLDS UP IN FACE OF HEAVY COAST PRODUCTION

PORTLAND, March 18.—(AP)—Very heavy increase in production of butter in Portland and in the northwest territory is being moved out rapidly and at recent betterment in the price list.

The increase during the last week or so has been remarkable and instead of creating weakness as during normal periods, has found a call at higher figures at least for everything except the extreme top grade.

San Francisco has been the chief market for Oregon butter recently. Market for eggs is showing further weakness with cash buyers offering a reduction of 1c for the day owing to the added competition of direct selling to retailers by the country.

Market is a trifle easier all around for light weight hens as a result of the increasing supply from the north. The buying price has been reduced to 10c for light, 13c for medium and 15c for heavy sorts.

General conditions in the cheese trade appear fully steady through the country with an increasing consumptive call and decreasing storage stocks at landing points.

NEW YORK, March 18.—(AP)—A sinking spell in the utilities carried the stock market off rather sharply today, and while the list tried to recover in the afternoon, it failed to make much headway. The market closed with a heavy tone, and numerous net losses of 1 to more than 3 points.

The fresh relapse in share prices was accompanied by a good deal of rather gloomy gossip attributed in some quarters to bear sources. This sort of gossip switched today from the rails to the utilities.

Today's closing prices for 16 selected stocks follow:

# TERRILL RETURNS FROM COURT TRIP

Charles Terrill of Brownboro returned to Medford on the Shasta at noon today from San Francisco, where he was called in the case of Mrs. Ernest Spagnoli, who formerly resided in Medford. She was formerly Mabel Busby.

Mrs. Spagnoli was charged with forging a government allotment check. Mr. Terrill, who was subpoenaed by the federal government to appear, was not called on to testify, he stated today. He returned home before a decision was reached in the case.

Mrs. Spagnoli, with Dan Goodan, was sentenced to the Oregon state penitentiary in 1920 from here, Sheriff Terrill having brought her back from Greeley, Colo., to face a charge of obtaining money under false pretenses. She served two years, and Goodan served three.

Mrs. Spagnoli is the wife of the well-known San Francisco attorney

# BOBBY CONROY COMES HOME BY AIRPLANE

Bobby Conroy, son of Mrs. Helen Conroy, who is attending the Menlo school for boys at Menlo, Calif., arrived here on this afternoon's airplane from San Francisco to spend the 10 days' Easter vacation of that school at home.

Mrs. Conroy and daughters met him at the airport on arrival, and it was hard to tell who were the most excited over his wondrous experience, his young sisters, Katherine and Betty Anne, who gazed at him in loving awe and admiration, or Bobby himself, although the latter disguised his inner feelings with a bored, matter-of-fact expression such as befits a traveler of much experience.

He correctly guessed by ETHELWYN B. HOFFMANN Sixth and Holly Streets
