Medford high school's basketball team, by displaying the same fighting spirit, which has characterized previous quints entering the state tournament, returns home with fourth honors and might well have won the championship but for a one-point defeat at the hands of Astoria's team.

By the Associated Press
FIRST TEAM — Cliff McLean, Benson, forward; Robert Bergstrom, Astoria, forward; Jim Burrell, Salepe, center; Glenn Sanford, Salem, guard; Maurice Scheel, Medford, guard.
SECOND TEAM — Walter Palmberg, Astoria, forward; Charles Patterson, Benson, forward; Chester Kebbe, Nehalem, center; Morris Heiser, Benson, guard; Edward Makela, Astoria, guard.

SALEM, Ore., March 19.—(AP)—From a field of 108 players who participated in the annual Oregon State basketball tournament which ended here tonight, ten were selected today as members of the so-called all-state basketball teams.

The teams were selected by the coaches of the 16 teams participating, members of the state athletic association, officials of Willamette university, and newspaper men.

Cliff McLean, Indian forward, from Benson of Portland, was chosen unanimously for forward position. McLean was recognized this year as the outstanding player in the Portland league.

Robert Bergstrom, Astoria's stellar forward, was named to the other forward berth. Bergstrom performed outstanding work in the tournament. It was his field goal that gave Astoria its 26 to 25 victory over Benson Friday night.

In naming Bergstrom, Walter Palmberg, another Astoria forward, was dropped to the second team in the voting. Bergstrom was picked for the position in which they played. Bergstrom and Palmberg both were listed as forwards but Bergstrom occasionally had to drop back as guard to strengthen the team. On the first ball Palmberg drew 16 votes for forward but Bergstrom drew 15 as forward and five as guard.

A new vote was taken and Bergstrom won, 15 to 11.

Jim Burrell, of Salem, was named center. He was one of the leading individual scorers of the tournament.

The two guards were Glenn Sanford, of Salem, and Maurice Scheel, of Medford. Both played consistently and well throughout the tournament.

The second team was composed of Palmberg and Charles Patterson, of Benson, forwards; Chester Kebbe, of Nehalem, center; Morris Heiser, of Benson and Edward Makela, of Astoria, guards.

Several coaches seemed to be expressing opinions that "all-state" selections mean little, if anything, when they remarked, "bet the second team could beat the first."

Mangin Defeats Francis Shields in Tennis Final

NEW YORK, Mar. 19.—(AP)—Gregory S. Mangin of Newark, who, according to his own admission, "never won anything before," crowded into the front rank of America's tennis luminaries today by scoring a smashing four-set victory over big Francis X. Shields of New York in the national indoor tournament.

Mangin, 24 years old and late of Georgetown university, gave a dazzling exhibition in humbling the Davis cup star, 10-8, 2-6, 6-4, 6-3, before 4,000 cheering fans. The triumph of the country's eleventh ranking player over the tall internationalist, ranked No. 3, was popular.

PHAR LAP RULES HANDICAP CHOICE

AGUA CALIENTE, Mexico, March 19.—(AP)—Eleven thoroughbreds, priced and on edge for the \$50,000 Agua Caliente handicap tomorrow, were named through the entry book at \$500 apiece today and the drawing for post positions was made.

Spanish Play, the Knebelkamp and Morris entrant, was the luckiest among the favorites in the draw, getting position No. 3.

The Australian invader, Phar Lap, ruling short odds favorite despite the fact he never has started a race on this continent, drew ninth position. With only Marine and Cabero outside him.

FRISBIE LOSES SALT LAKE GO

SALT LAKE CITY, Utah, March 19.—(AP)—Joe Stocher, 333, Dodge City, Kan., former world's heavyweight wrestling champion, and Ira Derr, 209, Salt Lake City, drew in a wrestling match here Friday night, each gaining a fall.

Bill Longson, Salt Lake City heavyweight, took two out of three falls from Ray Frisbie of Medford. One fall Frisbie won a half-Nelson and body slam to win the first in four minutes. Frisbie copped the second in six minutes with a wristlock, and Longson ended the match eight minutes later with a headlock.

CAMBRIDGE CREW DEFEATS OXFORD BY FIVE LENGTHS

PUTNEY-ON-THAMES, Eng. March 19.—(AP)—The eight-oared crew of Cambridge university, rowing strongly and smoothly, swept to victory today over Oxford on the Thames by five full lengths to make it nine straight victories and 43 for the Light Blues in the century-old series.

The 84th renewal of this ancient rivalry, begun in 1829, found Cambridge vastly better crew and provided little real opposition for the estimated three-quarters of a million persons who thronged the river banks for four miles on either side.

Away easily and trailing Oxford for the first mile, Cambridge went out there to break the heart of an outclassed but gallant boatload of Oxonians and row the shortened four mile course from Putney bridge to Moulmeke brewery in 19 minutes, 11 seconds.

Outweighed eight pounds to the man, Oxford's men were rowed out at the finish and all but two collapsed over their oars as the air resounded with cheers for the victors.

GHOUL'S VICTIM IS IDENTIFIED BY BIT OF RIBBON

PENDLETON, Ore., March 19.—(AP)—A faded bit of purple ribbon was instrumental in identifying a body snatched from a Milton Grave, as that of Mrs. Nancy Bunnell, 79, who died in Milton in 1924.

This announcement was made today by Sheriff Tom Gurdane, who has been investigating the case since the body, shallowly buried in a farm plot, was unearthed by a farmer while plowing. Sheriff Gurdane said two California medical students, Howard Ansherman and Chauncey Mounce, admitted taking the body from a cemetery for use in laboratory work.

After two days' investigation the sheriff narrowed his grave search to two. Further queries lead to Mrs. Anna McDonald of Walla Walla, a daughter of the dead woman, who identified the purple ribbon on the wrist of the victim. The grave was opened and found empty.

HARRY F. POWERS, PUDGY BLUEBEARD, DIES ON GALLOWES

MOUNDSVILLE, W. Va., March 19.—(AP)—Harry F. Powers died on the gallows last night for the murder of Mrs. Dorothy Praeler-Lemke, who had been one of several "mail order" sweethearts.

Shortly after Powers was pronounced dead, Dr. H. H. Hayes, a physician of Clarksburg, W. Va., announced he had a signed confession from the condemned man admitting in detail the murder of five persons, including Mrs. Praeler-Lemke.

The others were Mrs. Asta Busck Elcher and her three children, of Pa. Ridge, Ill. The bodies of all were buried in a narrow ditch near a garage on Powers' wife's deserted farm near Clarksburg.

The alleged "Bluebeard" was brought to trial and convicted only for the death of Mrs. Praeler-Lemke. He denied guilt until the moment of his hanging.

G. P. TRACK MEET CLAIMS INTEREST HIGH SCHOLARS

L. L. Deal, Grants Pass high school athletic coach, was in Medford Saturday in interest of the second annual invitational track and field meet to be held at the Grants Pass fairgrounds April 30. According to Coach Deal 48 schools of central and southern Oregon and northern California have been invited this year, and acceptances have already been received from 22, including Marshfield, Eureka, Klamath Falls, Ashland and Roseburg. Fourteen schools participated last year.

There will be 14 events, including two relays, a half mile and medley. The Grants Pass Cavemen are sponsoring the event and a number of cups will be awarded. A cup for the class B school winning most honors is a new feature of the meet this year.

In addition to the competition, Coach Bill Hayward of University of Oregon will be present with Irving Mohler and Bobby Robinson, athletes in training for the Olympics, who will exhibit shot put and pole vault for the edification of the high school boys.

Coach Paul J. Schimler of Oregon State college will also be present with some of his athletes, according to Deal.

Due to numerous entries it is probable that preliminary events will be run off in the morning, with finals and awards in the afternoon.

Medford, which finished in a tie with Rogue River for second place last year, is expected to participate in the match.

YAQUI JOE MEETS 'KEWPIE' HARKINS IN COMING MATCH

Arriving on the coast from El Paso, Texas, Yaqui Joe, the well-known Indian, homecrusher of Sonora, Mexico, will start on his list of matches Wednesday evening when he wrestles "Kewpie" Harkins of Denver, at the local armory.

Yaqui, who has been in Medford before, proved a favorite with the mat enthusiasts, and his return is being anticipated by a large following. A leg hold which the colorful Indian uses, has claimed much attention wherever he makes his appearances, for once it is clamped on, it consistently brings a fall.

Many grapplers have attempted to copy the Yaqui Joe hold, but few have developed it as effectively as the Sonora boy.

"Kewpie" Harkins' initial show on the Pacific coast was in Medford last week in a capital match with Walter "Sneeze" Achtu, famed Chinaman.

The battle put up by Harkins furnished the China man more competition than he has met before in Medford, and those who have seen Yaqui Joe are forecasting a headliner this Wednesday.

Accompanying Yaqui will be his interpreter, Pete "Speedy" Achman, who will participate in the preliminary with the Wallowing Wop, a Spanish senior, weighing 140 pounds.

VALLEY BASEBALL BACKERS EXPECT ORGANIZE LEAGUE

Following the initial meeting last week of valley baseball enthusiasts, word has been sent out for a second meeting Friday at 8 p. m., at the Medford Chamber of Commerce when it is hoped to form a four-team league, drawing playing talent from all towns in the region.

Among those notified to attend the meeting Friday night at Al Droulette, Grants Pass; Hooster Hoffman, Eagle Point; Charles Skeeters, Talent; Leonard Osborn, Jacksonville; Jack Bears, Ashland and Bud Conlin, Medford. Louis "Scop" Puhl is acting as organizer for the proposed league.

Experience has proved, according to Puhl, that a good brand of ball can be shown with strictly home talent and it has also been shown, he says, that a six-team league cannot find sufficient support for the necessarily extensive schedule. However, it is felt that a four-team league would be able to draw sufficient "gate" for a successful season.

Last season failed to produce profits, mainly due to the fact that several teams had to buy uniforms and improve playing grounds. Good patronage was accorded whenever games were staged in Eagle Point, Jacksonville, Talent or Grants Pass, while fans were chary in support for games at Ashland and Medford.

This year there will be no necessity for buying expensive equipment, and other expenses will be lighter, according to Puhl, who is confident that organization of a valley league will be perfected Friday night.

(Continued from Page One.)

rushed up through the state by automobile.

The reports spread that the colonel was conducting the examination of the Norwegian seaman and that great significance attached to the proceedings. State police made it clear the move was merely a routine one.

The attempted kidnaping occurred on the estate of J. Edward Johnson, surgical dressing manufacturer in Highland Park, 20 miles from here.

The intruder at the J. Seward Johnson home was frightened away as he climbed a ladder to a window of a nursery in which the baby was sleeping.
