It's a new kind and type of health bread utterly different from the ordinary run of Health Breads. Miss Hester Heath, the well known Home Economist lecturing at the Holly Theatre, is enthusiastic about it.

It is more like cake than bread, contains nuts, raisins, bran and Stewart's Honey and various blended Dark Flours. It is a treat with or without butter and will keep for days.

It will sell regularly for 15c the loaf at all grocers and our retail store. Tomorrow only, however, we will have an introductory price on this bread of only

Spring Fever and Fresh Vegetables!

LD MAN SPRING FEVER is back again and with him his colieutenants-weariness, languor and laziness. They're hard fighters these folks-and destructive, too, unless you're on your guard. They spoil lawns, gardens, put extra burdens on easy chairs, kill ambition-in fact, take all the pep out of you.

In time of peace prepare for war . . . get ready to rout the old fellow at the first skirmish. Get on that summer diet. Eat lots of fresh vegetables, fruits, fresh or canned, tomatoes and tomato juice. Start the day with a good drink of tomato juice. Eat salads and vegetables. Get those vitamins that add to vim and vigor and you will see your old spring enemy beat a hasty retreat.

We'll help by having a good supply of everything we can get to help you fight him. We'll keep the prices down, too—so-let's start! In time of peace, prepare for war!
