What the Girl Scouts Are Doing

Great interest is being manifested in the next court of awards to be held Saturday night at which time the prized Golden Eaglet badge will be awarded...

Plans were made originally for an out of door court at this time, but due to the uncertainty of the weather it was thought best to have it at the court house as before.

The court will begin at 7:30 when other badge awards will be made preceding the Golden Eaglet ceremony. The court of awards is open to the public and all who are interested in Girl Scouting are cordially invited to attend.

D.A.R. Notes

Among the national activities of the Daughters of the American Revolution the Student Loan Fund has been very important though limited because of lack of funds equal to meet the growing demands made upon it.

The work of the committee for Genealogical Research never changes. This committee is always in the field collecting family records for the Genealogical Library in Washington.

The Girl Home Makers committee finds more need for classes in the domestic arts in the south and east than here in Oregon, but Mrs. Wilson Wait, as local chairman of this committee is always alert to answer any call for help along this line.

The committee on legislation in the U. S. congress is active in the study of our Constitution, good citizenship and of all bills presented to congress. Mrs. M. M. Morris is local chairman of this committee.

RECRUITS FROM HERE WILL SAIL TO HAWAII

Sergeant G. C. Owen announced yesterday that applications will be received at his office Monday and Tuesday to fill vacancies for the Hawaiian recruits. Three or four applicants will be taken from the district, he stated.

Ninth Celebration of Music Week Scheduled for May 1-7

Music is keeping step with the march of the times with regard to the plans for making the ninth National Music Week, May 1-7, an impressive illustration of music's place in human life.

"Music week is expected to render more service to music this year than ever before in the eight years of its history," such is the declaration made when announcing the new plans, by C. M. Tremaine, secretary of the National Music Week committee.

the time for carrying out some project for meeting whatever may be an outstanding musical need in the given town. "Music Week will be a propitious time for such local efforts," says Mr. Tremaine, "in that the spotlight of nation-wide attention will be thrown upon music throughout the observance.

Further governmental recognition of the Music Week movement is seen in the addition of several state or territorial agencies to the honorary committee for the celebration, which is headed by President Hoover, and which includes the governors of nearly all the states.

BEER AND BATTLE LAND LOCAL TRIO IN POLICE COURT

In the city court Saturday Joe Hanna was given a suspended sentence of 30 days on the charge of beer mash possession, a fine of \$15 was imposed on Wm. Schaffer for being intoxicated and Franklin Robinson was sent to jail for 10 days on the charge of disorderly conduct because he raised some rough house in a Main street establishment.

The cases against Hanna and Schaffer were linked to the former having a supply of beer and beer mash at his place on Tripp street. A disturbance took place there and neighbors called the police, who found Schaffer intoxicated on beer, which he claims was given him by Hanna and eight quarts of beer mash on Hanna's premises.

Franklin Robinson, who will spend the next 10 days in the county jail, has been in trouble with the authorities several times before, and only last February was given a suspended sentence on a similar charge in the city court.

Medford Domestic Laundry Host for Women At Holly

Medford women will be given an opportunity to learn all about the manufacturing and correct laundering of textiles at the free matinees at the Holly theatre Tuesday, Wednesday, Thursday and Friday, April 5 to 8, when the Medford Domestic Laundry will sponsor a special educational series in addition to the regular feature pictures.

Tickets may be secured by calling at the laundry office at 30 North Riverside avenue, or by telephoning No. 166, Glen Fabrick, manager, announced yesterday. Each woman is entitled to only one ticket.

Plymouth Proves Speed, Stamina in Philippine Jaunt

DETROIT, Mich., April 2.—(Sp.)—Further proof of the speed and economy of the new Plymouth with floating power engine mountings comes from the far-off Philippines, where a stock Plymouth's four-door sedan recently captured the speed record for the islands, according to word received here recently by H. G. Mook, general sales manager of Plymouth Motor corporation.

Speeding from Manila to Baguio and return—347.3 miles—in the record time of six hours and 52 minutes, the Plymouth sedan averaged more than 60 miles per hour.

This record is most impressive, insofar as the road was in comparatively poor condition and the last 32-mile leg of the journey was a continuous climb, the city being 4800 feet above sea level.

The run was the subject of much comment in island newspapers as records heretofore have been attained only by cars in much higher price ranges. This marks the first record of this kind to be captured by a car in the lowest-price field.

The new Plymouth models are now being displayed by Eakin Motor company.

DANGER OF HALT IN PARK HIGHWAY BUILDING LOOMS

The news sent out from the Oregonian's news bureau at Washington, D. C., yesterday that it is understood that Secretary Wilbur has recommended a reduction of \$5,000,000 from the interior department appropriation bill, and as favoring the abolishment of the three government land offices in Oregon, and eliminating all road construction in the federal parks, including Crater Lake park, is rather disconcerting to the friends of that park and to Medford business men.

In the absence of Superintendent E. C. Solinsky, who is en route to Hot Springs, Ark., to attend the convention of national park superintendents, from where he will go on to Washington, D. C., for a week's stay, Chief Ranger Canfield yesterday said that nothing was known about the matter here beyond the Oregonian dispatch.

However, he was inclined to think that Secretary Wilbur in his reported recommendations, only referred to opposition to undertaking any new road construction in the federal parks, and did not have the finishing of the rim road units in mind. Canfield pointed out that construction of this new rim road, the first unit of which was completed last season, is one of the major improvements in the federal parks' program for this year, which means that it will be favored over lesser contemplated road improvements in national parks.

Just how Crater national park will fare in road and other appropriations this year will probably not be known until Superintendent Solinsky's return home.

GRANT MORE TIME FOR REED MOTION ASKING NEW TRIAL

An additional ten days in which to file a motion for a new trial, has been granted Attorney Gus Newbury and Attorney Don Steinhilber, counsel for Albert W. Reed, Denver, under life sentence in state prison upon conviction of slaying Victor Knott, Ashland policeman, last November.

The defense is expected to base its plea upon new evidence that Roy Laymon, companion of Knott on the fatal trip, was unable to furnish any description of the killer a short time afterwards. Laymon positively identified Reed as the "trigger man," in his testimony. Reed contended that his companions, Paul McQuade and Lee Jackson committed the crime while he was searching for them, after they became separated in Ashland. The defense claims to have found a witness who will identify and corroborate Reed's contention that he was in an Ashland hamburger stand when the alarm of the killing was spread.

District Attorney George A. Codding said Saturday the motion for a new trial will be granted and that the state would attempt to controvert any new testimony. The state, the district attorney said, would show that Paul Laymon gave a description "a half hour after the murder on which the search was based."

Advised received by local authorities state that Reed is a cheerful and model prisoner with high hopes of a new hearing and freedom.

3-CENT POSTAGE ON LETTERS SOON

In a little over a month from now Medford people as well as others of the nation will be paying 3-cents an ounce postage on their letters instead of 2-cents, in accordance with the bill providing for the increase which has already passed the house in Washington and is now pending in the senate, believed practically sure of passage.

This and other postage increases, made in efforts to balance the national budget, will take effect in 30 days after the bill becomes a law.

Beginning with April 1 the raise in new foreign postage rates went into effect, preventing further 2-cent letter postage and 1-cent postage cards to any foreign country. The rate to Great Britain is now five cents for letters and three cents for postals, but a letter can go to Canada for 3-cents an ounce. The same rate applies to Newfoundland and South America.

DRESSLER TO ATTEND ARMY TRAINING CLASS

Infantry officers of the U. S. army, whose home addresses are in the Ninth corps area, have been designated to attend the 1932-33 advanced and battery officers' course at the infantry school at Fort Benning, Ga. Included in the list is the name of Second Lieutenant Jesse F. Dressler, stationed at Fort Benning at the present time. His home address is Medford. The school will open about September 17.

Harold Brown Is Shrine Club Head

Harold Brown was elected president of the Shrine club at the last meeting of the order. The club is composed of local Shriners and meets each month at the Hotel Medford. Many Festivities Announced For Girls' League Week Here

By Foresten Walker Starting on Monday, April 4, the girls of Medford high school will celebrate their annual Girls' League week. All girls and their mothers are very cordially invited to attend the week's entertainments.

Monday, at 12 o'clock the council will have a luncheon with the officers and representatives present. The officers are: President, Joan Stoehr; vice president, Mary Chambers; secretary, Elizabeth Ferry; treasurer, Margaret Warner; reporters, Florence Dannels and Joyce Banish.

Class representatives are: Seniors, Madge Kunzman and Dorothy Paley; Juniors, Doris Patton and Barbara Hauk; sophomores, Alleen Latham, and Barbara Fields.

The program for the week will be interesting and worth while. It includes Monday, April 4 at 12 o'clock, Girls' League council luncheon.

Tuesday, April 5: Assembly given by the entire Girls' League. At this assembly the invitations for the entire week will be given to the girls.

Wednesday, April 6: Banquet at 6:30 in the economics room. This banquet is served by the Girls' League council. All the Girls' League officers, chairmen, representatives from the classes, women of the program, and all mothers are invited.

Friday at 3 o'clock: Frolic in the assembly hall—style show with thirty girl models. The garments were all made by girls in the home economics department.

Some of the costumes will consist of sport dresses, afternoon dresses and general school clothes. After this assembly, tea will be served in the economics room. Mrs. G. Gates is the instructor of the cooking classes.

Friday evening at 7:30 to 10:30 all girls and their mothers are invited to attend the annual April Frolic. This will be a dance and program, with everyone in costume. At the close of the frolic there will be a grand march. Wearers of the prettiest and most original costumes will be awarded prizes.

The Hi-Times, the high school paper, will also be issued by a staff of girls.

About 200 girls are participating in the week's events. The committees are very ably advised by Miss Maurine Carroll and Miss Clita Walden.

The Girls' League finances its own activities.

HIGHWAY BEAUTIFUL PLANS OUTLINED AT COMMITTEE SESSION

A meeting of the central county committee of the Samuel Hill contest for the beautification of the Pacific highway was held recently at the Hotel Medford. Chairman and members of local committees from points along the highway attended and discussed interesting plans for work to be done in the next few weeks.

A circular letter has been given to chairmen of the different committees to be distributed in each community, telling the purpose of this work. The first prize in this contest is \$500, second prize \$200.

It is necessary that the property owners on the highways give their co-operation to enable Jackson county to win first prize.

Chairmen of committees outside of Medford are as follows: A. T. Lathrop, Box 218 Central Point, Ore.

Jno. Anderson, Central Point, Ore. Tony Ross, Box 664, Gold Hill, Ore. Mrs. Effie Irisey, Rogue River, Ore.

Bert Standif, Phoenix, Ore. H. B. Carier, 192 Mountain avenue, Ashland, Ore. Orville Goddard, Talent, Ore. Mrs. F. A. Morse, Talent, Ore.
