Society Will Play Bridge At Guild Hall Tomorrow.
Local society will be bridge conscious tomorrow, is the prediction today, for many reservations have been made for the spring bridge tea to be held at St. Mark's Guild hall, under auspices of the St. Mark's Altar Guild.

Elaborate decorations are being hung this evening to create a royal Japanese atmosphere in keeping with spring time in the Orient for the party.

The hostesses will be attired in Japanese costumes when they receive the guests tomorrow afternoon.

Contract, auction and progressive bridge will be played, with prizes for the winners in each. A musical program will also be presented as an added attraction.

On the committee, completing plans for the tea, are: Natalie Hamilton, Frances Kenney, Mesdames Robert Hadley, C. Morrison, H. S. Hinman and Wm. B. Hamilton.

Reservations may be made by calling Mrs. Hinman at 1133-X.

Miss Butler Will Attend Olympic Games
Late summer is still several months distant, but people of Medford as well as those of foreign continents, are already focusing their attention upon Los Angeles, Cal., where the Olympic games will be staged.

Although many are weighing indefinite plans in their minds, Miss Arlene Butler is one of the first to announce that she is going to attend the grand carnival of sports. She writes from Longview, Wash., where she is an instructor in the schools, that she will spend a portion of the summer in this city as guest of her parents, Mr. and Mrs. J. H. Butler, and will continue to Los Angeles in August.

St. Mary's Benefit Party Successful Affair

More than 150 Medford women gathered at St. Mary's academy yesterday afternoon for the spring bridge benefit, sponsored by the women of Sacred Heart Catholic church. There were 32 tables of cards in play and a splendid program was presented by students of the academy, under direction of the Sisters, between cards and refreshments.

The auditorium was converted into a refreshing spring garden for the occasion, with an abundance of spring blossoms hanging from baskets and protruding from large vases to fill the room with their fragrances. White lilacs and tulips were most plentiful.

The decorations were arranged by the students of the academy under

the supervision of the Sisters. They also made the hand decorated score cards, which were in the form of a large A, on which were painted blue forget-me-nots. The cards were finished with blue ribbons. The students and Sisters of the academy also assisted in the preparation and serving of refreshments.

On the general committee in charge of tables were Miss Anna Kelleher and Mrs. J. C. Boyle. The refreshments committee included Mesdames Hunter, Young and Greilach.

Several prizes were awarded during the afternoon. Mrs. Hamilton Patton won first honors as contractor; Mrs. Larry Schade as pivot bridge and Mrs. Herbert of San Francisco, who is visiting here this week, was awarded first prize in progressive bridge. The 500 prize went to Mrs. Michael Beck. Mrs. Buckley of Applegate was also one of the winners.

The party was one of the largest and most successful of the spring season, and marks a revival of interest in afternoon bridge.
