Sally Eilers Star Thrilling Picture At Fox Craterian

(By Jack Retlaw.) He was only a motorcycle "cop," but that made no difference when it came to arresting the helter-skelter daughter of the city political "big shot." He was quite aware that his superior might "break" him in rank and send him to pounding pavements on a beat "way out in the sticks"—but he "pinched" her just the same.

SALLY EILERS

Betty Davis, well remembered for her work in "The Man Who Played God," starring vehicle for George Arliss, is one of the featured players in the all-star cast supporting Barbara Stanwyck in "So Big," the picture of Edna Ferber's great story, and now the attraction at the Holly theater. Tomorrow night will see the last performances of one of the most beautiful and human pictures ever presented at the Holly.

On the program is a Graham McNamee news reel, Babe Ruth in "Fancy Curves," and a reel of screen snapshots. The kiddies are reminded that tomorrow afternoon at 1:30 the ninth chapter of the thrilling serial, "Battling With Buffalo Bill," will be shown.

Polish Soil to America
OLZA, Poland.—(AP)—A handful of earth from the spot where Polish, Austrian and German border meets has been sent by local school children to America as their contribution to the mound being raised by Polish-Americans in memory of George Washington.

TEXACO FIRE-CHIEF
SUPER-OCTANE GASOLINE

Extra power at no extra price—that's what you get in every tankful of the new Texaco Fire-Chief Gasoline. This new power gasoline surpasses the highest U.S. Government specifications for distillation range and vapor pressure and was originally developed to meet U.S. Government requirements for a special motor fuel for use in its own emergency equipment

Think of it!—what the Government uses for emergency vehicles—you can now have for your every-day use at no extra price! An advanced process developed and perfected by The Texas Company makes possible the production of this "ideal" gasoline on a commercial scale.

One tankful of this sensational new gasoline will demonstrate that super-octane rating makes Texaco Fire-Chief Gasoline the outstanding anti-knock, non-premium motor fuel. Try a tankful today and feel power that is power!

And remember—Texaco Fire-Chief Gasoline plus Ethyl, is now more than ever the leading premium gasoline.
