

GIRLS TO ENJOY FIRST PLAY DAY HERE SATURDAY

The first inter-city play day in southern Oregon will be held at the Medford high school grounds tomorrow from 8:30 to 10:30 in the morning until 3:30 o'clock in the afternoon, according to an announcement issued today. The play day for girls will follow a program being conducted by a number of colleges and high schools throughout the country.

Tomorrow's play day will be under the supervision of Miss Carin Degermark, physical education director of the Medford schools. She will be assisted by Miss Mary Magoon, physical education director of Ashland.

The girls assisting them are Winifred Roseborough, Lois Hill, Margaret Wolgamott, Maxine Vaughn, LeMaire Beck, Catherine Chaney, Eleanor Todd, Mona Hedger, June Dairs and Velma Smith.

Lois Nichols, Eleanor Todd and Winifred Roseborough are members of the luncheon committee, with Miss Maurine Carroll in charge.

The program will open with group singing, directed by Miss Hazel Baldwin. The girls will be divided into groups, in order that many activities might be carried on simultaneously. Baseball, volleyball, tennis, relay races, stunts, dancing and individual athletics.

Luncheon will be served in the home economics department with stunts and songs during the hour. Approximately 100 girls of the two cities are expected to participate.

Miss Degermark said today an opportunity to participate in competitive games, to meet and form friendships with other girls, and to acquire the habit of playing games for the sake of play, rather than winning.

Something New

We are constantly experimenting with various formulas and mixes in our bakeshop and a few days ago we worked with a combination of chocolate and cinnamon. The result was very tasty and that set us to thinking, and so we experimented further and tried chocolate on cinnamon rolls. The result was very gratifying and our employees were enthusiastic over the change it made in that age old bakery staple.

Tomorrow we will offer them for your approval. We know that if you are half as enthusiastic as our employees were that you will be a repeat customer.

Your grocer and our retail store will sell them to you tomorrow only at the very special price of
