

S. R. CASTILE, LONG AFFILIATED, DIES

S. R. Castile, for many years a resident of Medford, died at his home on Murray avenue at 10 p. m. Thursday.

Mr. Castile will be remembered by many as for years he rode about the streets of Medford, propelling a bicycle by hand power because of afflicted lower limbs. Although an invalid most of the time, he did plumbing and other work to avoid charity. He leaves no relatives here except one sister. Funeral services will be held at the Conger chapel at 10 a. m., Sunday. Interment in Medford cemetery.

The M. F. & H. team gave DeVoe's a sound trouncing in a one-sided game.

NEW SNOW HALTS DEAD INDIAN HUNT

According to reports received by the sheriff's office 18 inches of new snow has fallen the past week in the Dead Indian district and search for the bodies of E. C. Brown and wife, middle-aged homesteaders, who lost their lives in a blizzard that swept the area last January, will not be resumed until it has melted.

Search has been made by neighbors in the vicinity of the Browns' cabin without results, and a party headed by William Lindsey and William Taylor is scheduled to comb the wild, rough country to the east of the cabin as soon as weather conditions will permit.

Scout hope Ista now entertained that the bodies of the Browns will be found except by chance, as it is figured they wandered far from their own home and trails.

BAD CHECK PASSER SOUGHT BY POLICE

The state police today sent out a description of Donald Miniken, wanted in this city for alleged passing of bogus checks on the California Oregon Power company, Medford Fuel company, Gus the Tailor, and Estes' pool hall, for small amounts aggregating less than \$100. Miniken is thought to have returned to either Fresno or Bakersfield, Calif.

Five More Get Federal Loans

Five additional federal crop mortgage checks have been awarded to Jackson county applicants the past two days and recorded with the county clerk.

LOCAL GROCERS DISPLAYING NEW SHREDDED BISCUIT

Kellogg's WHOLE WHEAT Biscuit One of Most Improved Foods Introduced in Recent Years

Kellogg's WHOLE WHEAT Biscuits offer many new and outstanding features which appeal to the housewife. For one thing, the biscuits are toasted a golden brown on both top and bottom—not just one side. That seems to double the crispness.

The new Kellogg biscuit is also baked in a more convenient, economical size. Two biscuits just fit the cereal bowl—and you get 15 to the package instead of a dozen.

Mothers will especially be interested in the fact that every package is certified for food value by the Medical Arts Laboratory of Philadelphia. These new biscuits are considered a splendid food for both adults and children. With hot or cold milk or cream, they supply a healthful variety of vitamins, minerals, proteins and carbohydrates.

In baking these improved biscuits, the Kellogg Company uses a special process of "pressure-cooking" which retains all the food value of the whole wheat and makes it very easy to digest. At the same time it develops a tempting, delicious flavor.

These improved biscuits can be identified by the name, Kellogg's, and the familiar red-and-green package. Made by Kellogg in Battle Creek.
