

CINCINNATI HAS STAR OUTFIT IN OUTER GARDENS

Herman, Hafey and Douthit Big Guns in Early Season of National League—Reds Trim Pittsburg, 7 to 6

By GAYLE TALBOT, (Associated Press Sports Writer)

Seven of the eight National league clubs double-thruffed their outfields before the start of the current race, and there is reason to believe the Cincinnati Reds picked up the winning hand.

In Babe Herman, Chick Hafey and Taylor Douthit, the Reds appear to have the greatest combination in the circuit, barring possibly the holdover outfield of the Wanderers and Comorosky at Pittsburgh.

Get Early Hints

None of the six other contenders, thus far, has been able to place a trio in the field to compare in effectiveness with Dan Howley's big three. Herman and Hafey are knocking the cover off the ball, as was to be expected, and Douthit is upholding his reputation as one of the greatest fly hawks in the game, an important item in the spacious Cincinnati park.

They were the big guns yesterday as the Reds opened at Pittsburgh with a 7 to 6 victory. Herman knocked in three runs with a home run and a single; Hafey smacked a double and two singles and Douthit came up with a pair of singles. Between them, they accounted for seven of the team's 13 hits off four Pirate pitchers.

Dodgers Win One

The Brooklyn Dodgers broke a five-game losing streak at the Phillies' expense, 11 to 5. Max Carey's pupils finally got their batting eyes and pounded four pitchers for 14 safeties, including home runs by Frederick and Rosenfeld.

The celebrated "Dizzy" Dean made his maiden start for the St. Louis Cardinals and went out after five innings under a hail of hits as the league leading Chicago Cubs won another, 12 to 7.

Cold weather held up the Giants' opener at Boston.

In the American league, the Washington Senators inflicted more casualties on Connie Mack's pitching staff, in scoring a 10 to 4 triumph.

The Yankees fell on Danny MacFayden, ace of the Boston staff, for 10 hits, to take the opener with the Red Sox, 5 to 1.

Cleveland ran its winning streak to five straight with an 11 to 2 decision over the Luckless Chicago White Sox.

Detroit's prize rookie, Whitlow Wyatt, met his first reverse when the St. Louis Browns jumped him for seven hits and five runs in the first four innings and then held on behind George Blaeholder to win, 5 to 4.

WALKER, LEVINSKY BATTLE IS VITAL

CHICAGO, April 29.—(AP)—Mickey Walker and King Levinsky, a couple of boys striving toward the top of the heavyweight division, will collide in the most important fight of the indoor season tonight at the Chicago stadium.

The bout, a 10-rounder, means everything to both fighters, for a chance at the championship of the world may be the victor's reward. But whatever is decided by the outcome, the customers were more than usually certain of a completely satisfying amount of rough and tumble fighting. Neither knows anything but the socking method, and each has predicted knockout victory for himself.

VINES TO PLAY AT WIMBLEDON

NEW YORK, April 29.—(AP)—English tennis fans will get a look at Ellsworth Vines, Jr., this summer, after all. Rescinding a previous decision not to permit members of this country's Davis cup team to compete at Wimbledon this year, the United States Lawn Tennis association announced last night it had decided to send the American champion to the British classic.

Vines is the only member of the squad thus favored.

PORTLAND RECALL ELECTION SLATED

PORTLAND, April 29.—(AP)—Residents of Portland will vote May 20 on the proposed recall of Mayor George L. Baker and City Commissioner John M. Mann.

This announcement was made today by the city auditor, who said sufficient names of qualified voters had been signed to recall petitions to put the proposal on the May primary ballot. It was said the petitions contain approximately 1,000 more names in each case than the number required to call for a recall election. In order to invoke the recall 15,714 names in each case were required.

HELENE UNCOVERS HOT COMPETITION IN CENTURY SWIM

LOS ANGELES, April 29.—(AP)—The applicant for 16 world's free style swimming records, Miss Helene Madison of the Washington A. C., Seattle, turned her attention to the 400-yard relay today as the National A. A. U. indoor championships moved into the second day.

This sturdy daughter of the northwest looked back on yesterday's opening events with a slight nervous feeling, for she successfully defended her 1931 100-yard free style title only after the "closest call she can remember."

Miss Josephine McKim, petite Los Angeles Athletic club navigator, gave her the scare, finishing less than a foot behind, with Miss Madison winning in 1 minute 24 seconds.

"She was so close to me in the next lane," said Miss Madison, "that I didn't know there was anybody near. I looked around and there she was right at my shoulder. Gosh, it was thrilling, and the closest call I can remember."

Miss Edna McKibben of the Washington A. C. finished third.

Only two out-of-state men advanced to the finals. They were Albert Melvin Porter of the Spokane Athletic club and Edward Ruhr of St. Martin's college. Both went down to defeat in the finals.

Here are the new champions:

Don Avritt, Oregon State college, 191 pounds.

Babe Ruth (left), the Yankees' \$75,000 worth of home run equipment, and Al Simmons, who does pretty well in the home run business for the Athletics, got together at the Yankee homecoming game in New York. The Babe banged out his fourth homer to contribute to the decisive defeat of the Mackmen. The score was 8 to 3.

PORTLAND BATS CRACK OUT 13-4 WIN OVER STARS

(By the Associated Press)

Pacific Coast league clubs lined up today for the fourth game of the current series, except at Los Angeles, where the Angels and Oaks were set to break the 1-1 deadlock that followed postponement of Tuesday's game.

Results of yesterday's games: Missions 9, Seattle 8; Portland 13, Hollywood 4; San Francisco 3, Sacramento 2; Oakland 2, Los Angeles 1.

Portland was efficient, turning 16 hits into 13 runs, while the best Hollywood could do with 15 hits was four runs. The game put Portland a game ahead for the series.

Seattle clouted Lieber to the showers, while the Missions mauled Kallio one run harder and took a 2-1 edge for the series.

San Francisco's Seals, with healthy bingles bringing in two runs in the seventh, clinched the night game and went ahead in the series, 2 to 1.

Oakland's Pete Daglia held the Angels to one run out of seven hits, while his mates turned their seven safeties into two tallies.

Depend Upon A. B. C. CIRCULATION

—You KNOW Just How Many People Will Read Your Message

It is often a waste of money to advertise blindly... because of the importance of selecting the BEST media, national advertisers are depending upon AUDIT BUREAU of CIRCULATION to eliminate the guesswork from newspaper figures. H. C. Ogden, publisher of The Wheeling News and Wheeling Intelligencer of Wheeling, W. Va., in speaking of A. B. C., says: "It is undoubtedly a protection, a defense for the honest newspaper that is trying to sell honest circulation"... The Mail Tribune spends considerable money each year to give southern Oregon advertisers an ACCURATE, AUDITED CIRCULATION report... to eliminate the uncertainty of "claimed" circulation.
