OBSERVE MUSIC WEEK IN ROTARY CLUB PROGRAM

National Music week was observed by the Medford Rotary Tuesday by a special musical program arranged for the occasion by Mrs. Hawley Moore. The program was preceded by a short talk by Mrs. Moore, outlining the development of American music since Civil war days, when American ballads came into being.

The fact that music in this country is only about 60 years old was brought out by Mrs. Moore, who told of the splendid work done by Theodore Thomas and Walter Damrosch in establishing symphony orchestras. The establishment of the first American college of music by Theodore Thomas in Cincinnati, Ohio,

was also covered by the speaker. The musical program consisted of two attractive groups of vocal soloists by Miss Carleton Strong soprano, and a group of male quartet numbers by Messrs. Foy, Olson, Woods and Kirkpatrick. Mrs. Hawley Moore accompanied the above artists. All of the musical offerings were much appreciated, judging from the hearty applause from all present.

A letter from Emory Pack of the Salvation Army was read, thanking the local Rotarians for the cartload of potatoes donated for relief work last fall. Mr. Pack stated that 450 families had been provided with the Rotary potatoes and averaging five to a family this meant 2250 people had been helped by this substantial donation.

President Shockley thanked E. C. Corn, chairman, and members of his committee whose efforts helped materially in making this worthwhile activity a success.

Glenn Smith announced the community musical at the high school last evening and invited everyone to attend.
